RAIN INTERFERED WITH RACING

Readville, Mass., Aug. 31.—Rain again interfered with the Grand Circuit races here today, although nine heats were contested before a heavy shower caused a postponement of the unfinished events until tomorrow.

Bogalusa, which Valentine drove to a new season's mark yesterday, in the two year old division of the Horse Breeder Futurity, won the final heat. Worthy Chief took the deciding session in the three year old trot.

Although 15 horses started in the $1,000 event for 2.18 trotters, the race was rather easy for Baroness Cochato, who won in straight heats. Bonnie Del was the pacemaker in each heat of the 2.10 trot and won handily.

The 2.08 trot and the Bluehill for 2.06 trotters were unfinished.

STEADY STEADMAN HAS MADE A GOOD RECORD

The following is an extract that appeared in the Bridgeport Star and Herald about Steady Steadman, who is to box here against Teddy Russell on Labor day night on the Majestic Roof:

Steady Steadman, the fast western welter, has compiled quite a record since entering the ring game a year ago. Steadman has defeated a raft of good boys since breaking out of the amateur class while in the army at Fort Sill, Okla. He weighs 150 pounds and can go lower than that without any trouble and stands five feet eight in his boleproofs.

Steadman's complete record is as follows: Patsy Motto, N. Y., decision 4 rds.; Sergt. Dill, 128th inf., K. O., 4 rds.; Priv. Henry, 128th inf., K. O., 2 rds.; Corp. Frewer, 14th F. A., K. DAVIS CUP STARS SURVIVED SECOND ROUND IN TENNIS

Forest Hills, N. Y., Aug. 31.—Davis cup team stars survived the second round of the 39th annual all-comers' championship singles on the turf of the West Side Tennis club here today. R. Norris Williams, 2d, being the only one to drop a set. The others, William T. Tilden, 2d, holder of the world's title, William M. Johnston and Charles S. Garland, all displayed command when compelled to exert themselves.

Williams, playing the streakiest tennis of his career, defeated S. Howard Voshell, the hard hitting left hander of Brooklyn, 3-6, 6-2, 7-5, 6-2.

In this engagement Williams was often trailing in the sets. He fell behind in the third set at 4-0 on games. This match was interrupted in the second set by a shower that drove players and spectators to cover.

Tilden was again carried to a long deuce set at the finals of his match. He finally scored against M. Thomas Ackerland of Newark, N. J., 6-3, 6-4, 9-7.

Johnston found the drives of Alfred H. Hammett, former New York university champion, something to be treated with respect. He won at 6-2, 6-4, 6-4, playing from deep court. aGrland was in the best form of the four, as he went sailing through Edward S. Benedict, the young Cambridge, Mass., player, at 6-2, 6-0, 6-0.

So far as the clashes between the east and west were concerned, it was the forces of the latter that carried off the honors of the day. This was due to the splendid victory of Clarence J. Griffin of San Francisco, who accounted for the one reversal of the unlooked for type that spiced the day. Griffin in a match remarkable for the cool and self-contained stroking that it included spoiled the Davis cup team hopes of Richard Harte, the big Harvard athlete, by the score of 6-2, 7-5, 7-5.

Roland Roberts and Willis E. Davis, also from the Pacific coast, easily moved forward.

The Economy of Using Goodyear Small Car Tires

So-called bargain tires, made up for sensational sales and offered at ridiculously low prices, do not attract careful buyers.

They are far more concerned with what they get than with what they pay because they know that in the end it is performance and not price that delivers actual tire economy.

The popularity of Goodyear Tires, of the 30x3-, 30x3½- and 31x4-inch sizes, is based on the fact that they deliver exceptional mileage at exceedingly low cost.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size in waterproof bag $4.50

FINANCIAL AND COMMERCIAL

MARKET WAS HEAVY

New York, Aug. 31.—The cleavage between rails and industrials, which has been the conspicuous feature of recent sessions of the stock market, became more clearly defined today. Transportations of almost every class manifested increased strength, while the balance of the list reflected further heaviness or hesitation.

Since the granting of increased freight and passenger rates commission houses have observed a steady growth of interest in railway shares. Much of this interest originated at western and southwestern sources and derived additional stimulus from excellent crop prospects.

Among traders and professional element there has also been considerable switching of accounts from industrials to the rails, especially low priced reorganized properties, doubtless because of their greater speculative possibilities.

Outstanding features of today's inquiry comprised the preferred shares of St. Louis and San Fransico, St. Louis Southwestern, Chicago and Alton, St. Paul, Baltimore and Ohio, Kansas City Southern, Western Maryland, Wheeling and Lake Erie and Seaboard Air Line, at gross advances of one to three points. Representative rails were featured by Union Pacific, Southern Pacific, Canadian Pacific, Reading, Norfolk and Western and Atlantic Coast Line at one to two points gains.

Popular steels and equipments were relatively backward with oils, but the secondary motors and their accessories, also shippings and kindred specialties, were frequently the objects of bearish pressure, contributing to the market's irregular close. Sales amounted to 550,000 shares.

Although local bank reserves were again drawn upon to meet heavy payments, call loans ruled at 8 to 9 per cent., against yesterday's maximum of 10 per cent. Foreign exchange was not altered, aside from the firmness of London and Paris rates.

The upward movement in railroad bonds continued, with steadiness in other domestic issues, also the foreign group. Total sales, par value, $8,850,000.

Old U. S. bonds unchanged.
