ROSE SCOTT MAKES SEASON RECORD

Columbus, O., Sept. 20.—The fall Grand Circuit race meeting opened here today with the making of a new season's race record by Rose Scott in the 2 year old trot, the Horse Review Futurity. The filly won this race, which was the fastest three-heat event of the year for 2 year olds. Her mile in 2.06 1-2 also lowered the season's mark for this age, held until today by Bogalusa at 2.08. Weather conditions were ideal. Because of the illness of Mr. Murphy, Harry Fleming was behind Rose Scott.

Miss Perfection, favorite in the 2.11 trot, won after dropping the first heat to Winterwood.

Hal Malone, played to win the King stake for 2.06 eligibles, captured this race in straight heats. Russell Boy, who finished second in the first heat, was later drawn on account of lameness. So many horses were entered in the 2.18 pace that it was split into divisions. Oro Direct won first money in the first division and Dan Elger in the second.

DODGERS HAVE GOOD CHANCE FOR WINNING PENNANT

New York, Sept. 20.—The Brooklyn Cationals increased their lead over New York today to five and a half games, while the three American leaders all won, Cleveland retaining its game and a half lead over Chicago.

Brooklyn won from Pittsburgh and gained a half game, as New York and Cincinnati split a double header. The Superbas have only to win four games out of seven to place the pennant beyond New York's grasp and three out of seven to make it impossible for Cincinnati to reach the top.

In the American league both Chicago and New York put much hope in the Cleveland-Chicago series beginning Thursday. The White Sox expect to overcome the Indians' lead and the Yankees feel sure that they would keep pace with Chicago by taking the Washington series and make the race even a closer one. If the Indians win half of their remaining twelve games, the White Sox would have to win six out of nine to tie them, and the Yankees seven out of eight.

INVESTIGATION OF GAMBLING TO START WEDNESDAY

Chicago, Sept. 20.—Grand jury investigation of alleged gambling by baseball players in last year's world series and in the game between the Chicago and Philadelphia National League clubs August 21, will start Wednesday with a score of baseball officials, players and writers subpoenaed to testify.

Subpoenaes were issued tonight for the following persons to appear before the grand jury:

Byron Bancroft Johnson, president of the American league.

John A. Heydler, president of the National league.

William (Kid) Gleason, manager of the Chicago American league club.

Charles A. Comiskey, president of the Chicago American league club

William L. Veeck, president of the Chicago National League club.

Jacob ("Rube") Benton, pitcher for the New York National league.

Bert E. Coltyer, and rank O. Kline, both of Chicago, and well known sports writers.

Harvey Woodruff, sports editor of the Chicago Tribune.

Sam Hall, sports editor of the Chicago Herald-Examiner.

I. E. Sandborn, and Oscar Reichow, baseball writers for the Chigo Tribune and the Chicago Daily News, respectively.

Subpoenaes for additional players probably will be issued before the investigation begins, said R. A. Roblogic, who is working as prosecutor under direct orders from Chief Justice Charles A. McDonald of the criminal court. He declared that Hal Chasee, Leo Magee and Heinie Zimmerman, all former major league players, probably would be called.

When asked why Benton was the only player called thus far, Mr. Roblogic said he "believed Benton had information the grand jury needed" and that Benton would be asked "to tell what a certain player asked him to do."

Shortly before news of the grand jury investigation became public, President Johnson made a statement, in which he said the American league will ask congress to enact a law at its next session making betting on a baseball game a penitentiary offense.

JACK JOHNSON ORDERLY AT PRISON BASEBALL PARK

Leavenworth, Kansas, Sept. 20.—Jack Johnson, formerly heavyweight champion, brought here yesterday to serve a sentence of a year and a day for violation of the Mann act, has been made orderly of the prison baseball park. His duties are to keep the athletic grounds in good condition. Later on, according to the warden, he will be made director of athletics.

Pile Sufferers

Can You Answer These Questions?

Do you know why ointments do not give you quick and lasting relief?

Why cutting and operations fail? and danger of an operation.

Do you know the cause of piles is internal?

That there is a stagnation of blood in the lower bowel?

Do you know that there is a harmless internal tablet remedy discovered by Dr. Leonhardt and known as HEM-ROID, now sold by Lee & Osgood and druggists generally, that is guaranteed?

HEM-ROID banishes piles by removing the internal cause, by freeing blood circulation in the lower bowel. This simple home treatment has an almost unbelievable record for sure, safe and lasting relief to thousands of pile sick sufferers, and saves the needless pain and expense of an operation. There is no reason why it should not do the same for you.

WHITE SOX STRENGTHENED GRIP ON SECOND PLACE

Chicago, Sept. 20.—The Chicago White Sox strengthened their grip on second place in the American league pennant race today when they bagged their fifth straight victory, defeating Philadelphia, 15 to 6. 'Red' Faber, who tamed New York on Friday, held the Athletics scoreless until the ninth inning, when they rapped out five hits which, with an error, netted six runs.

The Sox continued their heavy batting, collecting fifteen hits off three Philadelphia twirlers. Risberg led the attack with four safe blows in four times at bat. He bagged a triple, a double and two singles.

Harris started on the mound for Philadelphia, but was forced to retire after the sixth inning. Bigbee, his successor, was wild and his ineffectiveness, coupled with the White Sox attack, forced him to give way to Keefe. Two triples by Chicago's utility men—Falk and Jourdan—coupled with a pass to Faber, gave the Sox their last two runs.

After the Sox had taken a commanding lead, Manager Gleason took five of his regulars out of the game, filling their places with utility players.

Faber pitched a masterly game, holding the Athletics to seven scattered hits in eight innings, but easing up in the 9th, when the visitors launched their attack. Griffin and High got seven hits between them, Griffin getting four. The score:

GARDNER'S TIMELY HITTING WON GAME FOR INDIANS

Cleveland Sept. 20.—Cleveland won its sixth consecutive game today by defeating Boston 5 to 3 in the second game of the series, principally because of Larry Gardner's timely hitting. It was Maile first straight victory since joining the local team. Gardner drove in six of the league leaders' eight runs with two triples and a single. His first triple came in the third inning with the bases full. The other was made in the seventh with two men on bases and one out. With two down in the fifth his single scored Speaker, who had doubled. On neither occasion did the third baseman score.

Sensational fielding by the Red Sox characterized the game. Harry Hooper cut down two men at the plate. One of these feats figured in one of Boston's three double plays. Bradv and Scott also made brilliant plays.

Mails was hit harder than usual, but kept his hits well scattered except in the second inning, when four singles combined with two errors, of Cleveland outfielders, scored all of Boston's runs.

In two other innings, the Red Sox threatened but Mails tightened and killed off impending rallies easily. In the eighth inning, McInnis and Schang, the first men up, singled. Scott flied out, and then Bradley singled but no runs resulted, as Paschal, who batted for Rush, and Hooper were easy outs. The score:

YANKEES WON OUT AFTER AN 11-INNING STRUGGLE

St. Louis, Sept. 20.—Ruth's double, Pratt's single and Peckinpaugh's bunt, scoring Ruth, gave New York a 4 to 3 victory over St. Louis in an 11-inning game here today. Spectacular fielding featured the game. One-handed catches by Tobin and Ruth in the ninth cut off runs. Pratt handled 18 chances without an error. Wellman and Mays were good in the pinches, the latter weakening only in the seventh when the locals bunched four hits for their three runs. Score:

FINANCIAL AND COMMERCIAL

MARKET SHOWED STRENGTH.

New York, Sept. 20.—The week on the Stock Exchange began with a resumption of the recent comprehensive inquiry for railroad and oil shares at irregular higher quotations, various miscellaneous issues also strengthening.

Net gains of 1 to 5 1-2 points were registered by such stocks as Crucible Steel, Atlantic Gulf, Writing Paper Preferred, American Tobacco and Mexican Petroleum. Rails fell back on profit-taking in the final hour and some of the specialties, notably leathers, lost ground on rumors of prospective dividend reductions. Sales amounted to about 1,000,000 shares, the largest turnover in many weeks.

Events over the week end, including the enormous expansion of clearing house loans, imposed occasional restraints on the bullish operations of pools. A survey of the department of labor, showing a decrease in the number of employees on the country's leading industries for August may have accounted for the backwardness of steels, equipments and kindred stocks.

Better freight conditions were reported by railroad officials at western and southwestern terminals, but these were tempered by advices from the same sections suggesting greater caution in purchase of general merchandise.

Financial interests again stressed the need of conserving credits, but this attitude had no perceptible influence upon the call money market, which ruled at per cent. Very little time money was offered, however, except for the shorter periods.

Conditions baring upon international exchange remained unaltered, save for another moderate rally in British rates. Paris remittances also improved slightly and more gold was received to meet the French obligation in the Anglo-French loan.

Domestic bonds, including rails and Liberty issues were firm, but internationals moved contrarily. French municipals made further gains, but the new French 5s and United Kingdoms eased. Total sales (par value) aggregated $12,375,000. U. S. bonds were unchanged on call.

CHICAGO GRAIN MARKET.

Chicago, Sept. 20.—All grain and provisions weakened in price today as a result of big receipts of corn and owing to unlikelihood of frost. Wheat closed steady, at the same as Saturday's finish to 1-2c lower, with December 239 3-4 to 240 and March 234 3-4. Corn closed unchanged to 1 1-8c down, oats off 3-8 to 1c, and provisions at a setback varying from 2 1-2 to 25c.

A good deal of selling pressure on wheat was evident during the first half of the day, but after a moderate downturn in values, fair support developed and the market rallied. Sympathy with the depression of corn appeared to be the only well defined reason for the temporary drop in wheat prices. On betother hand, active milling demand was a bullish influence later, which more than offset a notable increase of the total visible supply. Houses with seaboard connections were also said to have been good buyers of future deliveries after the early downturn in the market.

Corn dropped to the lowest prices yet for deferred deliveries. Reactions were ascribed to profit taking by shorts. Opinion was general that for a considerable period there would be no cold weather. Oats were governed by the action of corn.

Provisions gave way with grain.

DODGERS TAKE FINAL GAME OF SERIES FROM PIRATES

Brooklyn, N. Y., Sept. 20.—Brooklyn won the final game of the Brooklyn-Pittsburgh series here today, 2 to 1, in 10 innings. Both teams hit the pitchers freely, but without results until the ninth, when Traynor scored on his double, after Schmidt's sacrifice and Bigbee's third single.

Brooklyn tied the score in the same inning, when Konetchy lifted the ball into the left field bleachers for a home run. Neis singled in the tenth with two out and scored all the way from first on Myers' double against the right field wall.

Brooklyn has won 12 of the 22 games played with Pittsburgh this season. The Dodgers today signed Pitcher Harry E. Hagemann as local semi-pro player, for next year. Score:
