THE BRANDRETH'S PILLS.

MOST of our citizens who desire a good medicine, will find one in the justly celebrated pills of Doctor Brandreth, which have performed cures upon thousands of helpless and hopeless persons, after the usual scientific skill of physicians had consoled them with the assurance that they could do no more. The properties of these Pills, as an antibilious and a cathartic medicine, are unrivalled; all who use them recommend them; their virtues surpass all eulogy, and must be used to be appreciated. The weak and delicate will be strengthened by their use, not by bracing, but by removing the cause of weakness, the gross and corrupt humors of the body. They require no change in the diet, or care of any kind. Plain directions accompany each box, so that every one is his own competent physician.

These pills are for sale by one agent in every town in the State, and at Indianapolis, by C. B. DAVIS, Bookseller, and by SMITH, HANNA & Co., these being the only authorized Agents. 46-y

MEDICAL.

The Graefenberg Vegetable Pills.

☞ **20,000** *Boxes sold each and every week!!!*

THE GRAEFENBERG COMPANY

HEREBY give notice, that their General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company either on personal application or by mail, *post-paid.* The rapid sale of these celebrated pills, and the extraordinary cures they are constantly effecting, render them, by far, the most popular pill of the age. An Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints in a general derangement of the system, in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the class of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

Cures are Constantly Effected

By these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given, but a trial of one box will convince the patient. They can be ordered and sent by mail, at trifling expense. The price is 25 cents a box. *Where ten dollars worth are ordered and the money remitted the Company will pay the postage on the Pills.* Remittances at the Company's risk. Wherever there is no Agency of the Company they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

All Bilious Complaints,

BOWEL COMPLAINTS, CONSTIPATION, DYSPEPSIA, FEVER AND AGUE, HEADACHE, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, ALL STOMACH COMPLAINTS, GREEN SICKNESS, &c. &c., yield at once to these Pills. They purge away offensive humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

By their Use,

The weak will become strong; the pale and bilious complexion be restored to a perfect rich and healthy color; all the bad symptoms will one by one disappear.

In short, these Pills are now so perfectly steady once upon any other medicine ever before offered to the public. A TRIAL WILL SATISFY ANY ONE OF THIS.

Dr. McLANE'S LIVER PILLS.

Messrs. J. Kidd & Co.—This is to certify that my wife has been confined to her bed for the space of three months, and during the last five months she has been in a state of total prostration, suffering from a violent pain in the back part of the head, and above the right eye, accompanied by weakness, loss of appetite, and almost constantly confined to her bed. Since August she has used three boxes of DR. McLANE'S LIVER PILLS, and I have to state, that she has recovered her health, and is able to do her own ordinary duties. I ascribe the Providence of God she now enjoys good health, and I know also to attest to the honorable numerous of my family. JAMES STEWART.
