## TAXES IN INDIANA.

THE undersigned respectfully informs the public that he has established an agency for the payment of taxes in any county in the State. Whilst a clerk in the State Auditor's office, he was enabled to form a personal acquaintance and to make arrangements with most of the county treasurers, by which his order will be received, and the tax receipts forwarded to him without the risk or expense of transmitting money.

He will also attend to the payment of interest on canal lands; also to the renting of improved lands and the collection of rents. He will also make sale for non residents and others.
