REMOVAL.

THE subscriber respectfully informs his friends and old customers that he has removed his CABINET SHOP one door south of the Palmer House, on Illinois street, where he will be happy to accommodate all those who may favor him with their custom; and what is of great importance these hard times, he sells extremely low for cash or approved country produce. Call and see. H. JAMES GREER.

JOSEPH I. STRETCHER,
Undertaker and Coffin-Maker,

Washington Street, nearly Opposite the Post Office.

HESPECTFULLY informs the citizens of Indianapolis and its vicinity, that he will give his attention to the above business, with a view to release the friends of deceased persons from the indispensable trouble attending the death of a friend, and would state that he is prepared to undertake the whole business of funerals, if desired, or any part thereof, on reasonable terms; such as furnishing either a one or two horse hearse, built after the most approved style. Also, carriages, and every other requisite appertaining to the above business.

I also would further state that he will make his charges reasonable to persons in the country.

N. B.—Attendance at all hours. Should the subscriber fail in any of the above engagements no charge will be made.

And buy Saddles of J. J. Bugh.

J. J. BUGH respectfully informs his friends that he is prepared, at his *New Store opposite the Post Office*, to furnish them with *Saddlery and Harness* of all descriptions, at the lowest prices for cash or approved produce.

—*ALSO, ON HAND*—

Trunks, Portmanteaus, and Carpet and Sacking Bags. Any article in his line will be made to order at short notice and on low terms. He would take this occasion to tender his thanks for the liberal patronage heretofore bestowed, and solicits a continuance of the same. 47-tf

SADDLERY AND HARNESS MAKING.

THE undersigned, grateful for past patronage, would respectfully inform his old friends and the public, that he is prepared to manufacture all articles in his line,

Cheaper than ever!

He will warrant all work ordered, and will receive in payment thereof produce at the highest market prices. His shop is in the "Old Sentinel Office," on Washington street, southeast of the State House.

G. W. SWITSER.

WHOSE WATCH STOPS?

PERSONS whose watches are out of order, are informed that I have engaged Mr. John A. Stanfield, who is an experienced and an acknowledged superior workman; any kind of watch that may be broken or worn out in any particular, can be replaced with new work; warranted for one year; also all kinds of watches, clocks or jewelry repaired in the very best style, and warranted to perform well or no pay. I am also prepared to make or set any kind of jewelry or stone settings. Every possible pains will be taken to have work done well and neatly. The public are respectfully invited to call and give us a trial. Shop opposite the Washington Hall. W. H. TALBOTT.

GREAT BARGAINS---Prices Reduced.

THE subscriber has concluded to make a further reduction in the prices of his *Shoes and Boots.* While he does this, he still promises that *all* his work shall be finished in the same neat and substantial manner which has heretofore characterized his establishment, and given it such a decided preference with the public. The subscriber is well aware that shoes and boots can be purchased at some stores at the same or less prices; but as he does none of the ordinary or refuse stock, those of his manufacture will prove cheapest in the end. Country produce will be taken in exchange at fair prices. Call at his stand opposite Browning's. 9-tf A. KNOBLE.

BOOT AND SHOE MANUFACTORY.

THE undersigned is very thankful for the liberal patronage bestowed on him for the two past years, and he hopes to merit a continuance of the same. He flatters himself that by his industry, punctuality and strict attention to business, to be able to give satisfaction to all who may give him a call. He has permanently settled himself in this place, and is prepared to make any thing in his line as durable and cheap as any other establishment. He will sell his work so as to correspond with the hard times, and as no manufactory can sell lower for cash than he, he hopes for a share of the patronage. So call and see his splendid assortment of Boots and shoes, and judge for yourself.

Hides, Tallow, Beeswax, Feathers, Flour, Wheat, &c. &c will at all times be received for work. Shop two doors west of Stretcher's Cabinet Shop, of which these in debt will take due notice.

WESTERN ENTERPRISE.

THIS question is now settled, if the Oregon question is not, that *SALERATUS*, of the best quality, can be made in Marion Co. Ia., just as good as the *Yankee Notions* made in Boston, as has been fairly tested by those who know what a good article is. The undersigned has succeeded in making a pure alkali, perfectly carbonised, that will not dissolve in any atmosphere; and which he offers to dealers on reasonable terms by the keg, barrel or ton. Call at Fletcher's store, Indianapolis, or at the manufactory 7½ miles east of Indianapolis, on the national road. 48-6m WM. ROBSON.
