IMPORTANT TO PROPERTY OWNERS!

Bridgewater Paint,

FOR WOOD, BRICK AND OTHER BUILDINGS, STEAMBOATS, SHIPS, RAILROAD CARS, DEPOTS AND ALL OUT DOOR WORK, ALSO FOR ALL KINDS OF IRON WORK, ABOVE AND UNDER WATER.

The attention of the public is respectfully called to the following testimonials in favor of the celebrated BRIDGEWATER PAINT. It is unnecessary for the Agents to more than add, that after EIGHT MONTHS use in the South, the character of the Paint is firmly established, and it is now offered to the public as the best FIRE AND WEATHER PROTECTOR EVER DISCOVERED.

CERTIFICATE OF JNO. F. MILLER, OF ATTAKAPAS.

In July last I was induced to apply the Bridgewater Mineral Paint to my Sugar-house, and, in every respect, it has exceeded my expectations and the representations made by the Agents, Messrs. G. C. BOGERT & CO. I cheerfully add my testimony to the numerous ones contained in the Agents' circular, and recommend the same to planters and others as the best FIRE AND WEATHER PROTECTOR I have ever known. Where I have applied it, it has been exposed to the sun since last July, and has neither blistered nor cracked, and has formed a solid metallic surface, which has proved entirely impervious.
(Signed) JOHN F. MILLER.
Newiberia, Attakapas, March 16, 1852.

CERTIFICATE OF CAPTAIN ST. CLAIR THOMASSON, OF STEAMER MAGNOLIA.

Having painted the hurricane deck of the passenger steamer MAGNOLIA, under my command, with the BRIDGEWATER PAINT, I cheerfully recommend it for its IMPERVIOUS qualities, and have no hesitation in pronouncing it SUPERIOR, in my judgment, to any mineral paint before the public, and believe it to be a CERTAIN PROTECTION AGAINST THE EFFECTS OF SPARKS AND CINDERS. It has also proved ENTIRELY WATERPROOF on my decks, after three months use. (Signed.) ST. C. THOMASSON.
New Orleans, December 9, 1851.

CERTIFICATE OF CAPTAIN WILLIAM BROWN, OF TOWBOAT PORPOISE.

I have used the BRIDGEWATER PAINT, for which Messrs. G. C. BOGERT & CO. are Agents, on the hurricane deck of the Towboat PORPOISE. The Paint has been on about three months, and SPARKS and CINDERS CONSTANTLY falling upon it has had NO EFFECT WHATEVER.

In about four weeks it became a PERFECT SLATE, and I am satisfied of its possessing all the qualities necessary to insure it a CERTAIN PROTECTION against the effects of SPARKS and CINDERS. I confidently recommend the BRIDGEWATER PAINT for the purposes set forth in the Agents' Circular.
(Signed) WM. BROWN, Captain of Towboat Porpoise.
New Orleans, December 1, 1851.

CERTIFICATE OF THE MANAGERS AND AGENTS OF LOUISIANA DRY DOCK CO.

Having had the LOUISIANA DRY DOCK painted with the BRIDGEWATER PAINT, and its merits thoroughly tested, we fully concur in opinion with Captain Thomasson of the MAGNOLIA, and Captain Brown of the PORPOISE. We cheerfully recommend said PAINT as a SUPERIOR ARTICLE.
(Signed) HUGHES, VALLETT & THOMAS, Louisiana Dock Yard.
J. P. WHITNEY & CO., Agents Louisiana Dry Dock Co.
New Orleans, February 4, 1852.

CERTIFICATE OF JOSEPH BENSON, PAINTER.

I have used the BRIDGEWATER PAINT, for the past five months, on brick and plastered buildings, and on tin, shingle and canvas roofs, and in every instance it has given the fullest satisfaction.

From trials and experiments made under my immediate direction, I can testify to its being PROOF AGAINST THE EFFECTS OF SPARKS AND CINDERS, and a protection against leaks. I consider it far superior to any Mineral Paint I have ever seen, and invaluable for all outdoor purposes—possessing qualities that particularly recommend it for use in a Southern climate. JOSEPH BENSON, Painter,
New Orleans, February 6, 1852. 139 Camp street.

UNDERWRITERS' CERTIFICATE.

The undersigned, Underwriters, having confidence in the BRIDGEWATER PAINT, for the covering of shingle roofs and frame buildings, will at all times give those fire risks a preference where the Bridgewater Paint is used.

JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA.—This invaluable remedy has already created happiness to the hearts of thousands, and is daily giving new consolation to the afflicted than could be afforded by all the [illegible] in the names of California and the world combined. It is put up in half quart bottles, and contains the strength of six times as much pure Honduras Sarsaparilla as any similar preparation made in America.

Price—$1 per bottle, or six bottles for $5.

It has been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, etc. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subjected to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the greatest curative agent in the known world.

GOOD TESTIMONY.

The Ohio State Journal, Columbus, Ohio, thus speaks of Bull's Sarsaparilla:

"It has no equal. The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but it can be substantiated by calling on the agent in this city."

Bear with us, reader, a little longer, and be convinced that Bull's Sarsaparilla is the

WONDER OF THE WORLD!

and that it will cure you, no matter how long you have been suffering. What Dr. Owen, Druggist and Apothecary of several years standing, says about Bull's Sarsaparilla:

LOUISVILLE, May, 1848.

Mr. John Bull—Dear Sir: I have been for several years severely afflicted with a Mercurial Headache and a dull heavy pain in my Liver. I used almost all the remedies of the day, especially the Sarsaparillas prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.
Very respectfully, J. H. OWEN, M. D.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following and see what else may be done for them, if they will use this infallible remedy:

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain: I tried every remedy I could procure for the disease, but found no permanent relief until I used your preparation of Sarsaparilla, which has entirely cured me of Rheumatism and greatly improved my general health, more than any medicine I have ever used. I have now been free of pain for several months, and have no doubts the cure is permanent, and I confidently recommend it as the best medicine in use for Rheumatism. ISHAM BRIDGES.
Uniontown, Union county, Ky., May 19, 1848.

FROM DR. WM. T. PRENTISS.

Mr. Bull—In regard to your Sarsaparilla, I will say that I have used it to some extent in cutaneous affections of long standing, as Tinea Capitis, Lepra, Psorasis, Scabies, Syphilitic Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think would prefer it to any other preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully, yours, W. T. PRENTISS, M. D.
Lewisport, Ky., December 4, 1841.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those neglected [illegible]

weak and deficient, or are profuse or overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed, then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exists; health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps a long life, instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the "turn of life," which is often attendant with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek! How often do we see persons not possessing this desideratum so devoutly to be wished, resorting to cosmetics, lotions, washes, paints and coloring materials, to restore to them a semblance of that which disease has deprived them of, and that, too, often times, with manifest injury to the skin! The fact is, Bull's Sarsaparilla is the best cosmetic known. It makes the skin clear upon the correct and only true principle, not by coating the surface with poisonous or deleterious matter which serves to close the pores and check a natural perspiration, but by removing every particle of bilious, morbid and diseased matter from the blood, making the same pure, healthy and vigorous, giving activity to every minute vessel, and changing the yellow, dark and sallow countenance to the bloom and freshness of youth. If the ladies generally could be apprised and convinced of this fact, they would abandon the use of all paints, mixtures and lotions, and use the only effectual remedy. "A word to the wise is sufficient," and a hint is enough for the ladies.

BETTER TESTIMONY THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE!

FROM DR. JAMES M. MOORE.

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous and glandular affections, having used it with entire success in a number of the above cases.
Louisville, December 26, 1849. JAMES M. MOORE.

MORE TESTIMONY FROM DR. MOORE.

Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.
Winchester, Ky., Feb. 1, 1848. JAMES M. MOORE, M. D.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla:

FROM DR. L. P. YANDELL, PROFESSOR OF CHEMISTRY IN THE LOUISVILLE MEDICAL COLLEGE.

I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable. L. P. YANDELL, M. D.
Louisville, June 6, 1848.

What Dr. Pyles, Physician by appointment of the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 30, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and in private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.,
Resident Physician at the Louisville Marine Hospital.

This Medicine is daily grappling with disease through the Western country, restoring to blooming health and youthful vigor the sick and afflicted—nay, those that are grievously tormented.

Certificates are teeming from all directions from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies ever before the public.

DALLEY'S MAGICAL PAIN EXTRACTOR.
THE ORIGINAL AND ONLY GENUINE.—No Compound has ever been discovered that possesses any of the qualities of this famous remedy. Almost daily we hear of new and heretofore unknown virtues discovered by its application to new diseases—for it is a remarkable fact, that many of its effects are known only from accident or experiment. So deep has been the science of Mr. HENRY DALLEY, the inventor, to admirable the combination of its ingredients, that it is truly suited to relieve almost every ailment to which the frame of man is subject. Let us enumerate some of the peculiar qualities of this remedy:

Sixth—If BROKEN LIMBS, when set, be well wrapped up in the Salve, no Inflammation, Swelling or Pain can occur, and the bones unite and become strong with astonishing rapidity.

Seventh—When the Bowels are painful or inflamed, the EXTRACTOR, if well rubbed upon them, will afford relief and cause a movement, even when Castor Oil, Jalap and all other medicines have failed.

Eighth—Its use is perfectly safe in all cases—it never can do harm—the system will absorb no more than is necessary to repair it. It will not conflict with any medicine that may be taken internally.

We have not space in this publication to enumerate all the diseases cured by DALLEY'S PAIN EXTRACTOR, but we shall subjoin a few testimonials of its value, selected from the thousands in our possession, from all parts of the country.

PILES.

It may be confidently stated that there is no case of PILES which may not be cured by the PAIN EXTRACTOR. It is a certain remedy, and removes at once the pain and soreness.

I, John Williams, a resident of Hamilton county and City of Cincinnati, feel it a solemn duty that I owe to the community, thus to publicly state that I have been troubled with the PILES for about seven years, during which time I have suffered much bodily pain; lost a great portion of that time by confinement to my bed, and have expended several hundred dollars, but to no purpose; I continued to grow worse. Meanwhile, I was persuaded, and finally urged, to make a trial of "DALLEY'S MAGICAL PAIN EXTRACTOR" for the awful complaint; and to my utter amazement, I am as well and hearty as ever, and to the use of two boxes of this precious Ointment I ascribe my cure. These facts I am willing to affirm to, should it make the statement of an old resident any more authentic. JOHN WILLIAMS.
Cincinnati, 4th month, 1841.

ERYSIPELAS.

For Erysipelas the PAIN EXTRACTOR is invaluable. Other remedies may make the disease disappear for a little time, but it is driven in, and will re-appear in the same or some other place. The Pain Extractor, however, draws out and completely removes the cause of the disease and effects a thorough cure.

ALBANY, May 3, 1846, 21 Jackson street.

I was nine years under medical skill in the cities of New York and Albany, laboring under the most distressing Erysipelas, attended with inflammation of the Kidneys, and with bleeding Piles, deeply ulcerated, with large lumps, of the size of hens' eggs, protruding, and large boils covered my body. The many sores stopped for days, when my distress became intolerable. My tongue cracked, and the roof of my mouth was covered with sores, and my chest, at the root of my neck, was in a constant burning heat, so that cold water did not cool it.

In this misery I longed for death, and never expected recovery, when Mrs. Jessup directed me to

TRY DALLEY'S PAIN EXTRACTOR.

She brought to my bed a box and applied some to the sores; I felt immediate ease wherever it touched me, and I begged for enough to anoint me thoroughly. It was obtained, and a new life seemed to invest me. To remove the burning in the chest, I swallowed Pills of it, and took Dora, which soon cured me. I owe my life to your valuable Extract. I have now as strong as ever, and have been at sea three cords in the year 1842. KERZIA FRENCH.

SALT RHEUM.

This certifies that DALLEY'S PAIN EXTRACTOR has been used in my family for Salt Rheum of thirteen years' duration, and for Warts. These fierce diseases have been at once alleviated, and they were both entirely removed. There can be no doubt but this Medicine has all the virtues that the Patent claims for it, from what has fallen under my observation, added to the very respectable testimonials in its favor by others who have used it in cases requiring immediate relief. I do most cheerfully recommend it to the attention of the afflicted, the use of this invaluable salve. ROSWELL CHAPIN.
Buffalo, N. Y.

COSTIVENESS; OR, CONSTIPATION OF THE BOWELS.

THE PAIN EXTRACTOR is the surest, safest and most certain remedy for this disease. It will positively give relief in the worst cases, and even after all the other remedies have failed. Persons have frequently called at our office with astonishment upon their faces, stating that they had used the Ointment for other diseases upon parts of their bodies near the bowels, and that a copious movement had resulted from it. Therefore it will always follow a thorough rubbing of the Extractor upon the bowels when they are costive. Let the experiment be tried. It is perfectly safe; and in no instance can the Pain Extractor do harm.

SORE NIPPLES.

The efficacy of the PAIN EXTRACTOR in this disease is remarkable. We know of numerous cures, and do not hesitate to say that the Ointment will never fail for this purpose. Delicacy prevents us from asking certificates from ladies on this subject. The following was prepared by one of our Agents:

This will certify that we have used DALLEY'S MAGICAL PAIN EXTRACTOR as a remedy for Sore Nipples and cheerfully recommend it to those who may be afflicted with that most distressing complaint, as a most valuable article to cure it. PHEBE BRAY,
Albany, April, 1845. MARY MOORE.

FEVER SORES.

I hereby certify that I have been afflicted with an inveterate Fever Sore for fourteen years last past, and have spent nearly five hundred dollars in employing physicians and in purchasing medicines that are used or recommended for its cure; but to no purpose, until, as a last resort, I heard of and tried DALLEY'S MAGICAL PAIN EXTRACTOR, when, to my great surprise, before I had used one whole box of this Salve, my limb was entirely healed, and I have nothing of it left about me. BRADOCK DAVIS.
Henrietta, Monroe county, N. Y., May 6, 1843.

CUTS, WOUNDS AND SORES.

The effects of the PAIN EXTRACTOR are truly wonderful, so quickly does it remove all pains and soreness and heal the injury. NO SCAR REMAINS. Its success in healing old sores of long standing is unparalleled.

ST. LOUIS, Mo., July 6, 1846.

Dear Sir—About a week since, while working at my trade, I cut my foot in a very bad and dangerous way. The whole bit of the adze entered the top of my foot, just below the instep. The wound began to inflame, and continued so to do until I became much alarmed. I used British Oil, Tincture of Myrrh, and several adhesive plasters, but all to no purpose. I then concluded to make use of

DALLEY'S MAGICAL PAIN EXTRACTOR,

and in less than ten minutes the pain and inflammation began to subside, and has not entirely left me.

I can conscientiously recommend DALLEY'S MAGICAL PAIN EXTRACTOR as being superior to any thing I have ever seen tried for removing pain or inflammation.

I am a Ship Carpenter by trade, and shall be willing to testify to the virtues of the Salve at all times when necessary. I reside on Franklin Avenue, at No. 161, where I can give any information desired.
Yours, truly, JEFFERSON M. BISHOP.

DR. DAVIS'S SYRUP OF WILD CHERRY AND TAR.—In offering to the public this new and valuable remedy for CONSUMPTION, BRONCHITIS, ASTHMA, COUGHS, COLDS, etc., we append a few notices of the character and efficacy of the medicine. Numerous testimonials may be seen in a pamphlet for distribution at the agency, which sufferers are invited to obtain. It may be proper to say that Dr. D. is an eminent practising physician of twelve years' standing, a graduate of the University of Pennsylvania.

FROM Mr. JOHN D. MORGAN, Druggist.
PITTSBURG, Jan. 12, 1847.

The Syrup of Wild Cherry and Tar has given great satisfaction to those who have used it. I know of one instance of a permanent cure of Asthma on a gentleman of Ohio. I think I shall be able to sell at least six gross a year.

FROM Mr. EDWARD ROBBINS, Druggist.
BORDENTOWN, N. J., Jan. 8, 1847.

We have taken some trouble to introduce Dr. Davis's Syrup of Wild Cherry and Tar here, and have sold all we received from you. Dr. J. H. Cook has used it in his practice; he thinks highly of the Medicine.

Dr. Cook is one of the most eminent physicians in the United States, and was the attending physician of Joseph Bonaparte, ex-King of Spain, during all his residence in this country.

When we first offered this medicine to the public, it was with the expressed intention of publishing no certificate without good authority for its truth. To that rule we have adhered: rejecting all certificates for the authenticity of which we have not had the most responsible guarantee.

The following was forwarded us by a respectable Druggist, Mr. Howells, of Dayton, Ohio:

FROM THE WESTERN EMPIRE,
DAYTON, Ohio, July 29, 1847.

Mr. J. F. Howells—Sir: It affords me much pleasure to say to you that my cough and severe affection of the lungs has been entirely removed by the use of one-half bottle of Dr. Davis's Syrup of Wild Cherry and Tar, which you and others advised me to use. You can safely recommend the use of the above named Syrup for Coughs and Colds, as a most excellent remedy.
Yours respectfully, W. W. PHILLIPS.

[Extract from a Letter from S. W. Wilson, Merchant of Newtown, Bucks county, Pennsylvania.]
NEWTOWN, 9th month 20, 1846.

A young man of my acquaintance has taken your Syrup and has been perfectly cured. He labored under the consumption for more than three years, and took a great many kinds of medicine, and was under the medical treatment of three of the most eminent physicians in this country, but received no benefit until he took Dr. Davis's Syrup of Wild Cherry and Tar, and immediately commenced getting better, and is now well and hearty. This statement I received from himself; his name is Henry T. Godshalk, Warminster township, Bucks county, Pa. He is known all over the country—is a poor laboring man, and it cannot be denied that the Syrup saved his life.

ANOTHER CURE.

Palpitation of the Heart and Consumption of the Lungs relieved by Dr. Davis's Compound Syrup of Wild Cherry and Tar:

PHILADELPHIA, April 9, 1846.

For four or five weeks of last winter I was troubled with a severe cough, attended with great tightness and pain in the breast, and frequent violent palpitation of the heart. The cough was so harassing as to prevent me from sleeping a great deal of the night, and weakened me to that degree that I was obliged frequently during the day to leave my work to rest myself. My physician pronounced my lungs affected, and I began to entertain serious apprehensions that I would not get well again. At this time, Dr. Davis's Syrup of Wild Cherry and Tar was recommended to me. In two or three days' use of it, the oppression and pain in the breast was greatly relieved, and by the time he had taken four bottles the cough was entirely cured, and my general health and strength restored. The palpitation of the heart, with which I had been severely troubled for ten years, is almost gone; I feel a little of it occasionally with over-exertion. The relief of the palpitation has been so great that I am confident one or two bottles more of the medicine would have entirely removed it. HENRY NICKERSON, 120 John street.

WEAKNESS AND PAIN IN THE BREAST.
PHILADELPHIA, June 23, 1846.

I can highly recommend Dr. Davis's Syrup of Wild Cherry and Tar, from my knowledge of its virtues. My wife had been affected for a long time with weakness and pain in the breast; the use of this medicine in a short time entirely relieved her. The symptoms would, after a time, recur, and on all occasions the relief was speedy as in the first place. It is now near six months since she has been free of the affection. I consider it and recommend it as a most valuable medicine. Its strengthening effect has been very great in addition to relieving the breast.
E. WADLOW, 19 Water street.

PHILADELPHIA, June 25, 1846.

I feel free to recommend Dr. Davis's Syrup of Wild Cherry and Tar, from my experience of its beneficial effects in my own case. I have been for some weeks past subject to attacks of spitting blood, attended with soreness of the breast at the stomach, accompanied with dyspeptic symptoms. Last spring, having an attack of it, I was recommended by an acquaintance, who had been cured by Dr. Davis's Syrup, to try it. I did so, and was relieved by it in less than one bottle. Its apparent good effects were immediate.
JOHN F. ORAM, Ladies' Shoemaker, 70 Race st.

Merchants from different sections of the country give the most flattering accounts of the universal popularity and efficacy of Dr. Davis's Syrup, under their notice. A number of them, witnessing its virtues, have regularly sold it on condition that if it did not give satisfaction, the price should be returned, and no one of them has had any application to return the money. This speaks volumes in favor of the medicine. We append a few extracts from orders, as samples of those we are in frequent receipt of, as well as of verbal accounts we frequently hear:

FROM Drs. VAUGHAN and RUSH,
Both Practicing Physicians as well as Druggists.
MISHAWAKA, Ind., June 1, 1847.

Dr. Davis's Syrup of Wild Cherry and Tar goes off like hot cakes. We think that if you choose to give us a Wholesale Agency for that medicine, we can dispose of almost any amount in Northern Indiana.

FROM HARGRATT & McGOWAN.
LEBANON, July 20, 1845.

Your Wild Cherry and Tar Syrup gives general satisfaction. We have been out of it for some time, and thought we would not order any; but it is almost daily inquired for, and we thought, perhaps, it would be best to order some.

FROM Dr. W. S. MACKINTOSH.
WAYNESVILLE, Ohio, January 29, 1847.

The article of Wild Cherry and Tar I find to be a valuable medicine, and use it considerably in my practice. I have sold and used nearly all that you have forwarded, and I would be pleased to have you send another supply as soon as the means of transportation will be open.
PORT GIBSON, February 2, 1847.

MESSRS. ROBINSON, COLLINS & CO.—I am happy to inform you that I think Dr. Davis's Syrup of Wild Cherry and Tar will take the lead up in our part of the country. I am out of it, and have a half dozen bottles bespoke. I have been asked so often for Dr. Davis's Depurative Extract and Joseph Davis's Horse Liniment, that I have taken the liberty of writing for an agency for the above articles, if agreeable to you. If so, please write me word, and send me two dozen of each, with large show bills. Respectfully yours, SAML. R. KEMPTON.

DAVIS'S SYRUP OF WILD CHERRY AND TAR.—We would call attention to the advertisement of this valuable medicine in another column. Several cases of its salutary effects have come under our personal observation, and we therefore confidently recommend it to the afflicted. [N. J. Weekly Visitor and Temperance Sentinel, (Trenton,) Feb. 3, 1847. FROM MR. S. C. HAYES, of the Firm of Brower, Hayes & Co., Booksellers and Stationers, No. 192 Market street, Philadelphia, January 1847.

Your Syrup of Wild Cherry and Tar is an invaluable remedy; it cured the worst of colds with me. If you want a certificate I will cheerfully give one. S. C. HAYES.

FROM S. S. GIVENS.
PADUCAH, Ky., June 8, 1848.

My stock of Cherry and Tar Syrup is now reduced to six bottles, and its popularity is daily increasing. You would do well to send me another supply.

MILFORD, Perry county, Pa., October 1, 1846.

MESSRS. ROBINSON, COLLINS & CO.—Sirs: This is to inform you that I was afflicted for twenty years with a violent pain in my breast; so much so that I could hardly lie in bed at night. Cough attended, followed by emaciation, and other decided symptoms of consumption. I applied to several eminent physicians, and tried several remedies, without any relief whatever. I was advised to try Dr. Davis's Compound Syrup of Wild Cherry and Tar, of which I took less than a bottle, and entirely relieved me of my complaints; therefore I can, with confidence, recommend it to all who may be in like manner afflicted, as a most valuable medicine. JOHN TOOMEY.

The authenticity of the above statement is vouched for by Mr. Isaac Murphy, a merchant of Milford, who knows Mr. Toomey and the circumstances of his case. Mr. T. is now sixty years of age.

DR. DAVIS'S SYRUP OF WILD CHERRY AND TAR.—The following statement is word for word as it was taken from the lips of Mrs. George—without paint or varnish. No certificate more interesting. Will sufferers read such evidence!

PHILADELPHIA, September 25, 1847.

I have been subject for the last 8 or 9 years to weakness of the lungs, cough and hectic fever, and very frequently laid on a bed during the day, with distressing cough and pain in my breast, and night sweats. Last April I had a violent attack, which lasted for three months; it appeared to me that my disease was rapidly increasing. I spit up daily half a pint of matter. I took a great many remedies that were recommended to me, and a number of prescriptions from our family physician, without any relief. At last I was prevailed upon to take Dr. Davis's Compound Syrup of Wild Cherry and Tar, which had the most happy and salutary effect on my disease. Before I had taken one bottle, my cough gave way, my night sweats were relieved, the pain left my side and breast. I now consider that I am entirely well, except a neuralgic pain that I am occasionally afflicted with on one side of my head. JANE ELIZA GEORGE, Thompson street,
9 doors below Schuylkill 8th, south side.

A gentleman of this city, who has been troubled with an irritability of the urinary organs for several years, which we may be supposed, was a not uncommon trouble to him, day and night, was recently cured of a severe cold and cough, by the use of Dr. Davis's Compound Syrup of Wild Cherry and Tar. But his great satisfaction was to find, while taking the medicine, that the more tedious affection was disappearing. It is now about several years since he discontinued the medicine, and the irritability of the bladder is entirely removed; and feels stronger and healthier than before he commenced with cold—such are the soothing and renovating effects of this valuable medicine. Its efficacy is the same in inflammation of the kidneys or liver, palpitation of the heart, nervous tremors, etc. To any one similarly afflicted, who may want a respectable reference, his name will be given, and we could add, as people are so often deceived by advertising medicine, that it is frequently rejected here which are good and free of quackery.

[We are acquainted with the gentleman to whom the above statement alludes. He is a fellow-craftsman, a respectable master-printer.—Editor Keystone.]

The following statement is from a worthy and well-known citizen, Mr. Millar has been for several years a Director of the Public Schools, and has held various offices of honor and responsibility:

PHILADELPHIA, September 19, 1845.

A fortnight or more since, I was attacked with an obstinate hacking cough, which resisted the common remedies, such as paregoric, squills, and other ordinary medicines. Dr. Davis's Compound Syrup of Wild Cherry and Tar relieved me in a few doses, and three-fourths of a bottle entirely cured me. My mother, who is troubled with a habitual cough, and has been regularly taking squills and paregoric, has been taking Dr. Davis's medicine for a few days past, and says her cough is not "half so bad" as before she commenced taking it.
