Buck's Improved Patent

COOKING STOVE.

THE subscribers offer to the public four sizes of a new pattern of Buck's Cooking Stove, greatly improved, which they confidently assert to be not only the most perfect baking stove in use, but the most convenient and beautiful Cooking Stove ever offered to the public. Its capacity for baking (which is the old Buck's stove excepted every other stove,) has been greatly increased by the addition of another oven, which enables it to bake at one time twice as much as ordinary cooking stoves. Being made airtight, and having dampers, the fire can be regulated to suit every occasion.

Those who want a good cooking stove, one that can be relied upon, should see this new stove, it cannot fail to please.

We warrant the stoves to give satisfaction, and refer to hundreds of family's which have been in use. We will in every case it should fail to please upon trial, take back the stove and refund the money.

We have on hand the largest and best selected stock of stoves ever brought to the market, consisting of *Premium Cooking Stoves* of the latest and most approved patterns, sizes and prices, very heavy plate, seven plate stoves, several sizes, one size to take three feet wood suitable for churches and school houses, box stoves and air-tight stoves; also, the celebrated Stead's and Saratoga air-tight parlor stoves, the two most beautiful patterns of air-tight stoves in the market.

In addition to the above, we manufacture and keep constantly on hand a general assortment of *Tin Ware*, which we offer at wholesale or retail at very low prices. We are prepared to manufacture all kinds of copperwork at the shortest notice
