Transportation from Madison to the East.

THE undersigned, Agents for the *Miami Transportation Company*, are prepared to receipt for all kinds of Produce and Merchandise, through from this city to *New York, Boston, Philadelphia and Baltimore*, by way of the Miami Canal, Lake Erie, Erie Canal and Western Rail Road, and all intermediate ports or places, at very low rates of freight.

The Merchants and others of this city, Indianapolis and adjacent places, can now, by application to us, avail themselves of the most extensive facilities in the country, for the *safe, cheap and expeditious* transportation of their *Produce and Merchandise* to and from the *Eastern Cities*.

☞ Contract for the delivery of Goods of all kinds from the East to this City, Indianapolis and the adjacent towns, by this route at *lower rates* than they can be brought out via Pennsylvania Canals and the Ohio river the navigation being good at all times between this and Cincinnati.

Madison, In., Aug. 13, 1845. MITCHELL & CO.

P. S.—We are still Agents for one of the best Lines on the Pennsylvania Canals, and are receipting through constantly by that route. 24-3m M. & CO.

TRANSPORTATION NOTICE.

THE undersigned, agents for the AMERICAN PORTABLE BOAT LINE on the Pennsylvania Canal, will receive all property designed to be shipped from this place East by said line, and ship the same to Pittsburgh free of storage or commission, either here or at Pittsburgh—only charging drayages and other expenses, which they may actually have to pay—and will take all property offered, to the interior towns in Pa. Philadelphia and Baltimore, in as short a time and at a little lower rates than any other agency in the place. Shippers will find their property come out in much better order East, by this than by any other line, which do not employ the Portable or Section Boats, as in this line there is no transhipping done over the mountains—from Canal Boats to Rail Road Cars, and from Cars to Canal Boats again, which has to be done by other lines.

We invite any to Merchants and others, bringing goods from the East, that if they ship by this line, and consign to Messrs Clarkson & Co., Pittsburgh, and to us at Madison, we will forward their goods to all interior places without commission, either at Pittsburgh or this place.

Madison, In., 1845. 3-3m MITCHELL & CO.

Take Care of your Money.

DAILY do we hear of persons being robbed of all their money and clothing through the neglect of purchasing a good Trunk that will keep their property safe while they are house and a road. Would it not be better for them to call at J. J. BURGESS and get a Trunk that will keep all safe than to be daily robbed in such a way? He has on hand a good assortment of Trunks which he will sell cheap for cash or approved trade. We would advise you to give him a call at his shop opposite the Post Office. 7

Physicians, Country Merchants, Pedlers, Painters, Fullers, Hatters, and Invalids are respectfully invited to call and examine his stock and prices.

Particular attention will be paid to compounding medicines, and the store open at all hours, either by day or night.

A continuance of the patronage heretofore extended to him is respectfully invited.

JEW DAVID.

THOSE who are acquainted with the character of Jew David's or Hebrew Plaster and Persian Pills will doubtless be glad to learn that another large shipment has just been received by the traveling agents who are now prepared to furnish local agents with fresh supplies immediately. The immense quantities of these articles sold, are proof sufficient of their superior medical virtues. Yet should there be an incredulous son or daughter of affliction who is suffering under all the horrors of *Lame Back, Rheumatism, Seated Pains, or Weakness, Pain in the side or breast, Swellings, Tumors, King's Evil*, or, (all of which this plaster seldom fails to cure,) or with *Dyspepsia, Liver Affection, Fever, Chill Fever, Fever and Ague, Scrofula*, or any of the diseases that originate in impurity of the blood and circulating fluids, (for the astonishing cures of which these Pills have become so popular,) for the benefit of such we will subjoin a few extracts of letters showing the estimation in which these medicines are held, where known—

Indianapolis, April 4th, 1845.

MESSRS. D. Harter & Co.—Gents,—You will please send us 12 doz. boxes Hebrew Plaster and 6 doz. boxes Persian Pills, immediately. The demand continues great and we shall doubtless sell a large quantity this season. Yours respectfully,
JOHN J. OWSLEY, Druggist.

Newtown, In., April 10th, 1845.

MESSRS. D. Harter & Co.—Gents,—It is with pleasure that the Hebrew Plaster and Persian Pills continue to go off fine, and as we are nearly out of pills, you had better send some by the stage driver. I doubt not that this medicine will be much wanted this season as everybody is calling for it. Yours truly, JOHN MICK, Jr.

Crawfordsville, In., Jan. 27, 1845.

MESSRS. D. Harter and Co.—Gents.—I have sold out nearly all the large supply of the justly celebrated "Hebrew Plaster" and "Persian Pills" you furnished three weeks since, and it would be well to keep me well supplied, as I find calls for the medicines increasing daily.

I would here state, that I have no articles in my drug store that give better satisfaction than the "Hebrew Plaster" and "Persian Pills." NOAH S. THOMPSON.

Washington, In., Aug. 30, 1844.

MESSRS. D. Harter and Co.—Gents.—As the agent of many, who are anxiously awaiting the arrival of a new supply of your celebrated "Hebrew Plaster" and "Persian Pills" we write you the *second* time saying that we are out. We have frequent calls for both Plaster and Pills, which give the utmost general satisfaction. Please send us another lot immediately and oblige

Yours respectfully, GALLAGHER & WALTERS.

Bloomfield, Edgar co. Ill., May 14, 1844.

MESSRS. D. Harter and Co.—We have sold all the celebrated Hebrew Plaster and Persian Pills you sent us *a few days ago*. Will you please send us 4 or 5 doz. more immediately.

Respectfully, O. & D. BAILEY.

Gosport, July 8, 1844.

MESSRS. D. *Harter* and Co.—Gents.—We have sold all the *Hebrew* Plaster and Pills, which we have received from you, and we shall be glad to send us at least 2 or 3 doz more and also 1 doz of the Persian pills.

Yours respectfully, *HUSSEY & GOSS.*

Bloomfield, Edgar Co. Ill., May 27, 1844.

MESSRS. D. *Harter* and Co.—Gents.—The Pills and Plaster you sent us, came to hand in good order. We have an increased demand for them and it promises to supersede all other kinds of medicines in this vicinity. O. & D. BAILEY.

Hardinsburg, In., Sept. 3, 1844.

MESSRS. D. *Harter* & Co.—Sirs.—Your *Hebrew* Plaster you left with me to sell is all sold some time since. The Persian Pills are all sold but a few boxes. Both Plaster and Pills give general satisfaction. There seems to be an increasing demand for both articles. Yours very respectfully, JAMES McINTOSH.

Williamsport, In., Sept. 27, 1844.

D. *Harter* and Co.—Dear Sirs—I have sold all the Persian Pills that you left here, and should be glad to get some more. They have accomplished miracles here, and are in great demand.* The Pills are called for several times every day. If you cannot come this way soon please send some by stage. Yours, etc., EBENEZER KING.

*Since the above letter was received, we have been informed by the writer, that the case alluded to in the above, was that of a young man living near W——, who for several months had been confined in a darkened room, from an aggravated case of inflammation in the eyes, rendering him *totally blind*. After applying every remedy within his reach, without receiving any benefit, he commenced using the "Persian Pills," and had used them but a short time when all inflammation left him, and his health became permanently restored.

ALBANY LOCK HOSPITAL ESTABLISHED 1830.
Gen. George Cooke, LL. D.,
—RETURNED FROM ENGLAND—

CONTINUES TO BE CONSULTED
CONFIDENTIALLY.
No. 3, Norton street, Albany, N. Y.

THIS Philanthropic Institution, established A. D. 1830, universally spoken of in the various periodicals of the present age, is an edifice, located in a retired part of the city, detached from any place of public resort, and so secluded that the whole of the building is occupied by patients, each having their own room, and not subject to be the observed of all observers. Dr. Cooke, founder of the Hospital, is the only resident physician, and devotes his whole time and attention to the welfare of the unfortunate. The offices for consultation occupy an entire large and elegant floor in the Hospital, up stairs, is also replete with every facility for the recovery of patients.*

For the cure of the worst forms of Venereal Disease, Gravel, Seminal Weakness, Gleet, Stricture in the Urethra, Impotency, Syphilis and Gonorrhœa, Gonorrœa and Nervous Debility, Nervous and all other diseases of the skin, and affections of the Urinary organs, in their most malignant and advanced stages, Dr. Cooke is acknowledged to be much celebrated. It is proverbial "that all diseases of this class, supposed to be incurable by others, are apply and constantly relieved by Dr. Cooke without more than ordinary trouble,"—familiar with the practice of medicine, he inevitably cures his own patients and very frequently the patients of other physicians.

Dr. Cooke is the oldest advertising physician in the city of Albany, N. Y.—his medical tablets are unrivalled.

"Among the most celebrated physicians of the age is Gen. Cooke, M. D., L. L. D., of Albany, N. Y., the founder of the Albany Lock Hospital. He is mentioned in the highest terms of praise for his benevolence and his philanthropy, not only by editors of newspapers, but his worth is proclaimed by the literary world on literature, and from the sacred desk."—*Democratic (Pa.) Banner.*

"Whenever the unfortunate consult Dr. Cooke, of Albany, they are very politely conducted to a spacious private office, (literally crowded with certificates of the highest order,) in large glass frames, subject to the inspection of the patient—very few persons have the honor to hold such documents, and, as an equivalent for his fee, receive a corresponding prescription. The neat attire of this celebrated man, "never at home," enrobed in a rich black surplice, after the Episcopal order,—a solid cross in his bosom, with gemmed gold buttons in his shoes—gives it all an embonpoint to visit this profound physician, this friend of humanity and of God."—*N. "The Lock Hospital in America, the only Philanthropic Institution established, under the benign auspices of the celebrated Dr. Cooke, at No. 3 Norton street, Albany, N. Y., for the relief and convenience of the unfortunate, is reputed as the best asylum extant for the comfort and recovery of invalids—at this Infirmary patients have the very best medical attendance, including board and nursing, which very materially facilitates recovery; and as Dr. Cooke, the founder, himself so desirable a retreat and such good security, resides on the premises, the most incredulous may there repose the utmost confidence—feel at home—pursue their usual avocations—and enjoy the society of the most eminent physician as well as the most benevolent man of the age."—*European.*

CONSUMPTION CURED!

THE ONLY MEDICINE THAT WILL CURE CONSUMPTION, Liver Complaint, Palpitation, Bronchitis, and Coughs, is *DR. TAYLOR'S BALSAM OF LIVERWORT*, FROM 375 Bowery. It is the only medicine recommended by Physicians. We have the certificate of the celebrated Dr. A. B. Howard, from the U. S. Marine Post, West Point, who was absent cured by it, when he was expected to die. Dr. Davidson found it the only medicine that he could use in his family with any success. We have had patients from Doctors Hoffman, Harris, Washington, and others. We have certificates from every part of the country. In one large town two of the principal physicians are using it constantly in their practice. A Rev. gentleman of much celebrity in our city, who has been fearfully tested in a cot 30,000 cases in the last twelve years, take nothing else instead, and buy only of 375 Bowery, or of Dr. Leeds, 177 Water street. Be careful to avoid counterfeits, and see the steel plate engraving on each bottle, signed "Gordon J. Leeds."

CONSUMPTION AND RAKING OF BLOOD CURED.—I hereby certify that last August I was attacked with a violent and profuse hemorrage from the lungs, and severe cough. I bought a bottle of Dr. Taylor's Balsam of Liverwort, from 375 Bowery, which, under the blessing of Providence, gave me immediate relief. Its effects in my case have been such that I cannot praise it too highly.

CAUTION TO ALL!!

Let the world take notice and be careful not to buy the
(SUGAR COATED)
IMPROVED INDIAN VEGETABLE PILLS,
Unless EVERY BOX has on it the written signature of the original inventor and patentee,

G. Benjamin Smith, M. D.

THESE pleasant Pills possess powers to open all the natural drains of the system—viz: the LUNGS, KIDNEYS, SKIN and BOWELS—hitherto unknown in the practice of medicine; and so complete has been their triumph over all other medicines, that many have been led to suppose they contain some powerful mineral; but upon examination by Drs. CHILTON, RADCLIFF, HUNTINGTON and others, this supposition was at once proved to be groundless.

Sold in New York at 179 GREENWICH STREET, also by RESHTON & Co., 19 ASTOR HOUSE.

Pamphlets to be had of agents gratis.

N. B. Persons will also notice on the top label an engraved Indian figure, crossed with fine red price.

The genuine may also be bought with safety at Dr. Guion's, corner of Bowery and Grand street, and Mrs. Hays, 139 Fulton street, Brooklyn, and at respectable stores throughout the United States. 38

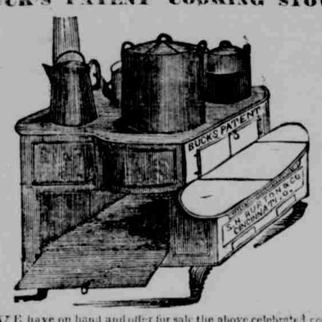
HARDWARE.

DOUBLE OVEN COOKING STOVE.

THE subscriber has just received a lot of the above named stoves. They are decidedly superior to any stove ever invented. Having two ovens, different articles can be baked at the same time, which could not be well baked in a single oven. This tends to great economy in fuel. At the same time all other culinary operations can be as well or better performed, than in any other stove in market. Those in want of such an article are invited to call and examine this before purchasing any other. This is all that is necessary to secure for it the preference; for seeing is believing. 17 S. WAINWRIGHT.

BUCK'S PATENT COOKING STOVE.



WE have on hand and offer for sale the above celebrated cooking stoves. The many persons using this stove, in this and other cities, declare themselves delighted with its operation, and bear testimony of its superiority over any other cooking stove ever offered to the public. In addition to its unsurpassed facilities for boiling, roasting, broiling, &c. it has the advantage of having an oven nearly twice as large as any other stove in use, which is heated with the most perfect uniformity, by which bread without being turned will bake on all sides as perfectly as can be done in a brick oven. It requires, also, much less fuel than is generally used in other cooking stoves, one half the ordinary quantity being amply sufficient for all purposes.

For the operation of the stove we respectfully refer to the following persons who have it in use: C. W. Cady, Morris Morris, Rev. Saml. L. Johnson, Alfred Harrison, Robt. Taylor, Chas. Woodward, Abram Harrison, A. W. Morris, J. J. Bugh, Hiram Gaston, James Hall, C. H. Nave.

In addition to Buck's Patent Cooking Stove, the subscribers have on hand Premium Cooking Stoves, Elevated Oven Cooking Stoves, Parlor Stoves, Seven and Ten plate Stoves, which they offer at the lowest prices. C. & J. COX,
