WAR DECLARED
Against all kinds of shop-worn, half-made, hen-skin BOOTS AND SHOES!

THE subscriber has now in his employ the very best workmen the country affords, and has on hand a large quantity of the finest stock of *Leather* selected by himself expressly for this market. He will now manufacture *Boots and Shoes* of every description and style, warranted *to perform well*, and at such prices as cannot fail to suit. He particularly desires

The Attention of the Ladies,

As he is determined that none of the common *paper concerns*, so much puffed, shall begin to match with his, either in softness, durability, style or cheapness. As they value their lives, health and appearance, he advises, at *this season of the year especially*, that they be neat and comfortable *under foot*. They shall certainly be suited in every respect.

Persons *preferring* imported Boots and Shoes, are informed that he has on hand an extensive assortment, selected by himself; and being practically familiar with the business, all may rest assured that he has *none* that he cannot recommend as superior to those generally sold. All desirous to be pleased in bargains, are invited to give him a call. He is still at the old stand opposite Washington Hall, two doors west of Tomlinson's Drug Store, ready to wait on and suit his customers. Don't forget his low prices. 32 y A. KNODLE.

CLEAR THE TRACK!
City Shoe Store.

THE subscriber has just received and is now opening at the "City Shoe Store," on Washington street in the city of Indianapolis, in the large brick house recently built by S. W. Norris, Esq.; the largest and best selected stock of Boots and Shoes, ever before offered for sale in the city.

This stock is entirely new, embracing every variety, and has just been purchased of the manufacturer in Massachusetts expressly for this market, and as it was the design to make this establishment permanent, great care was had in the selection of the goods.

The subscriber would most respectfully invite the citizens of Indianapolis and of the surrounding country to call at the City Shoe Store, and examine his assortment, and the prices at which he is offering them for sale, before making their purchases elsewhere, as he feels confident that the superior quality of his goods, and the small advances at which they are offered, cannot fail to please all who may favor him with a call.

As I am determined to do business, I shall be satisfied with small profits, and offer this stock either by the package or single pair at unusually low rates.

My arrangements are such that I shall be constantly receiving larger additions to my present stock and shall be able at all times to supply the demand, either wholesale or retail.

Country Merchants can find at this establishment a large and general assortment to select from, and prices to please them.

WESTERN ENTERPRISE.

THIS question is now settled, (if the Oregon question is not,) that *SALERATUS*, of the best quality, can be made in Marion Co. Ia., just as good as the *Yankee Notion* made in Boston, as has been fairly tested by those who know what a good article is. The undersigned has succeeded in making a pure alkali, perfectly carbonised, that will not dissolve in any atmosphere; and which he offers to dealers on reasonable terms by the keg, barrel or ton. Call at Fletcher's store, Indianapolis, or at the manufactory 7¼ miles east of Indianapolis, on the national road. 48–6m WM. ROBSON.

Take Care of your Money.

DAILY do we hear of persons being robbed of all their money and clothing through the neglect of purchasing a good Trunk that will keep their property safe while they are home and abroad. Would it not be better for them to call at J. J. BUGH's and get a Trunk that will keep all safe than to be daily robbed in such a way? He has on hand a good assortment of Trunks which he will sell cheap for cash or approved trade. We would advise you to give him a call at his shop opposite the Post Office. 7

Albany Lock Hospital, established 1830.
Gen. George Cooke, LL. D.,
—RETURNED FROM ENGLAND—
CONTINUES TO BE CONSULTED
CONFIDENTIALLY.
No. 3, Norton street, Albany, N. Y.

THIS Philanthropic Institution, established A. D. 1830, universally spoken of in the various periodicals of the present age, is "an edifice, located in a retired part of the city, detached from any place of public resort whatever; the whole of the building is occupied by patients, each having their own room, and not subject to be the observed of all observers. Dr. Cooke, founder of the Hospital, is the only resident physician, and devotes his whole time and attention to the welfare of the unfortunate. The offices for consultation conveniently arranged, are on the ground floor, the Hospital, up stairs, is also replete with every facility for the recovery of patients."

For the cure of the worst forms of Venereal Disease, Gravel, Seminal Weakness, Gleet, Stricture in the Urethra, Impotency, Syphilis and Gonorrhea, Generative and Nervous Debility, Mercurial and all other diseases of the skin, and affections of the Urinary organs, in their most malignant and advanced stages, Dr. Cooke is acknowledged to be much celebrated. It is proverbial "that all diseases of this class, supposed to be incurable by others, are aptly and conveniently rendered by Dr. Cooke without more than ordinary trouble,"—familiar with the practice of medicine, he inevitably cures his own patients and very frequently the patients of other physicians.

Dr. Cooke is the oldest advertising physician in the city of Albany, N. Y.—his medical talents are unrivalled.

"Among the most celebrated physicians of the age is Gen. Cooke, M. D., L. L. D., of Albany, N. Y., the founder of the Albany Lock Hospital. He is mentioned in the highest terms of praise for his benevolence and his philanthropy, not only by editors of newspapers, but his worth is proclaimed by the lecturer on literature, and from the sacred desk."—*Democratic (Pa.) Banner.*

"Whenever the unfortunate consult Dr. Cooke, of Albany, they are very politely conducted to a spacious private office, (literally crowded with credentials of the highest order, in large glass frames, subject to the inspection of his patients—very few men have the honor to hold such documents,) and, as an equivalent for his fee, receive a corresponding prescription. The neat attire of this celebrated man, "ever at home," enrobed in a rich black surplice, after the Episcopal order,—a solid cross in his bosom, with genteel gold buckles in his shoes—is of itself an inducement to visit this profound physician, this friend of humanity and of God."—*N. O. Sun.*

"The Lock Hospital in America, the only Philanthropic Institution established, under the benign auspices of the celebrated Dr. Cooke, at No. 8, Norton street, Albany, N. Y., for the relief and convenience of the unfortunate, is reputed as the best asylum extant for the comfort and certain recovery of invalids—at this Infirmary patients have the very best medical attendance, including board and nursing, which very materially facilitates recovery; and as Dr. Cooke, the humane founder of so desirable a retreat and sacred security, resides on the premises, the most incredulous may there repose the utmost confidence—feel at home—pursue their usual avocations—and enjoy the society of the most eminent physician as well as the most benevolent man of the age."—*European.*

Dr. Cook attends personally to his Patients.

CONSUMPTION CURED!

THE ONLY MEDICINE THAT WILL CURE CONSUMPTION, Liver Complaint, Palpitation, Bronchitis, and Coughs, is *DR. TAYLOR'S BALSAM OF LIVERWORT*, FROM 375 BOWERY. It is the only medicine recommended by Physicians. We have the certificate of the celebrated Dr. A. B. HOWLAND, from the *U. S.* Military Post, West Point, who was himself cured by it, when he was expected to die. Dr. Davidson found it the only medicine that he could use in his family with any success. We have had patients from Doctors Hoffman, Harris, Washington, and others. We have certificates from every part of the country. In one large town two of the principal physicians are using it constantly in their practice. A Rev. gentleman of much celebrity in our city, who has chronic Bronchitis, and has tried in vain the best physicians of New York, Philadelphia, London, Paris, and Italy, is now under our care, using DR. TAYLOR'S BALSAM OF LIVERWORT, and already he has used half a bottle, he does not cough half as much in a week as he has done before in a day, and he tells us he is now getting well. We are sure of curing the above diseases, if you will only call on us, take our advice, and try this only certain medicine. Do not be deceived by those articles got up and advertised on the reputation of this, which has been fairly tested in about 30,000 cases in the last twelve years; take nothing else instead, and buy only of 375 Bowery, or of Dr. Leeds, 177 Water street. Be careful to avoid counterfeits, and see the steel plate engraving on each bottle, signed "Gurdon J. Leeds."

CONSUMPTION AND RAISING OF BLOOD, CURED.—I hereby certify that last August I was attacked with a violent and profuse hemorrage from the lungs, and severe cough. I bought a bottle of Dr. Taylor's Balsam of Liverwort, from 375 Bowery, which, under the blessing of Providence, gave me immediate relief. Its effects in my case have been such that I cannot praise it too highly.

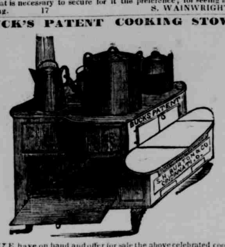
HARDWARE.

DOUBLE OVEN COOKING STOVE.

THE subscriber has just received a lot of the above named stoves. They are decidedly superior to any stove ever invented. Having two ovens, different articles can be baked at the same time, which could not be well baked in a single oven. This tends to great economy in fuel. At the same time all other culinary operations can be as well or better performed, than in any other stove in market. Those in want of such an article are invited to call and examine this before purchasing any other. This is all that is necessary to secure for it the preference; for seeing is believing. 17 S. WAINWRIGHT.

BUCK'S PATENT COOKING STOVE.



WE have on hand and offer for sale the above celebrated cooking stoves. The many persons using this stove, in this and other cities, declare themselves delighted with its operation, and bear testimony of its superiority over any other cooking stove ever offered to the public. In addition to its unsurpassed facilities for boiling, roasting, broiling, &c. it has the advantage of having an oven nearly twice as large as any other stove in use, which is heated with the most perfect uniformity, by which bread without being turned will bake on all sides as perfectly as can be done in a brick oven. It requires, also, much less fuel than is generally used in other cooking stoves, one half the ordinary quantity being amply sufficient for all purposes.

For the operation of the stove we respectfully refer to the following persons who have it in use: C. W. Cady, Morris Morris, Rev. Saml. L. Johnson, Alfred Harrison, Robt. Taylor, Chas. Woodward, Abram Harrison, A. W. Morris, J. J. Bugh, Hiram Gaston, James Hall, C. C. Nave.

In addition to Buck's Patent Cooking Stove, the subscribers have on hand Premium Cooking Stoves, Elevated Oven Cooking Stoves, Parlor Stoves, Seven and Ten plate Stoves, which they offer at the lowest prices. C. & J. COX,
February, 1845. y-35 *Opposite Post Office.*

PROSPECTUS OF THE

New Library of Law and Equity.

UNDER THE DIRECTION OF

FRANCIS J. TROUBAT, Esq., *of Philadelphia*,
Hon. *ELLIS LEWIS*, *of Lancaster*,
WILSON M'CANDLESS, Esq., *of Pittsburgh*.

THIS work contains the best productions of English law authors, without regard to priority of claim on the part of any American publisher. Such books are notoriously too dear. The reason is, that as fast as they appear they become monopolies in the hands of booksellers in the Atlantic cities. Under the plea of right acquired by the addition of notes of American decisions, the latter claim an undivided title to those works, and set a burthensome price on them. The publishers of the work now offered to the profession throughout the Union, will not respect such titles, but will reprint the standard British law books as fast as they emanate from the London market. Should new editions of the works of such writers as Starkie, the Chittys, Stephen, and Archbold, appear, they shall also be included; and DIGESTS of Equity and Law decisions—works which have been studiously kept out of the Law Library published at Philadelphia—shall have a place in the proposed new one, together with every new valuable English treatise on Chancery or Common Law.

☞This work will be issued monthly in numbers of 160 pages, printed on FINE WHITE PAPER AND GOOD NEW LONG PRIMER TYPE, at seven dollars per annum, payable half yearly.
