HIGHLY IMPORTANT DISCOVERY.—Dr. JAMES would respectfully call the attention of citizens and strangers to the following facts: He cures all Private Diseases, without mercury or any other poisonous drug, namely: Gonorrhea, Gleet, Syphilis, Strictures, Seminal Weakness, Nodes, Ulcers, Tumors, Cancers, and all Diseases of the Skin. Dr. James would also call the especial attention of those who have injured themselves by private and improper indulgences in that secret and solitary habit which ruins the body and mind, unfitting them for either business or society. The following are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Vision, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervousness, Irritability, Symptoms of Consumption, &c. Mentally, the fearful effects on the mind are more to be dreaded: Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, etc., are some of the evils produced.

Persons who are afflicted with any of the above symptoms should not fail to call on Dr. James, and be at once restored to perfect health. Let no false delicacy prevent you, but apply immediately, and save yourself from the dreadful and awful consequences of this terrible malady. Weakness of the Organs immediately cured, and full vigor restored.

DR. JAMES has removed from his former office, No. 115, to 81 Customhouse street, between Royal and Bourbon streets. DR. JAMES.

P. S. Persons living at a distance can have the Remedies of the Doctor sent to their address, by giving full particulars by letter, and enclosing a fee of ten dollars. [my8 1yd&w] DR. JAMES.

J. GRANT, Irving, Ky., June 20, 1851, said: "We have succeeded in introducing your Hoofland Bitters; physicians and others purchase them by the half dozen and dozen."

DR. WATSON'S CARD.—I will use no other art in the advertisement than what may be found in plain truth. By length of practice I have become master of all those complaints that are called Syphilitic. For nearly fifteen years, in this city, it has been my sole business to treat those cases; there lies the only merit that I assume. I have given no repetition to one class of diseases than any other doctor, and I know them better than they do. That is what I am always insisting upon, and which no one has ventured yet to contradict. STRICTURES, NODES, ULCERS, SORES, GLEETS, SORE THROATS, etc., etc., are just as familiar to me as the commonest things of daily observation; which I can say without vanity, for I claim no other merit than that of experience.

I effect a cure in recent cases in a few days, and find no difficulty in those of longer duration, without submitting the patient to such a course of treatment as will draw upon him the slightest suspicion, or oblige him to neglect his affairs, whether without doors or within. The diet even need not be altered. There are in New Orleans hundreds that could supply proofs of this; but these are matters that require the almost secrecy, which I always inviolably preserve.

I have many qualifications which I do not think it necessary to add, satisfied that my reputation is already sufficiently established.

Consultations from 1 in the morning until 8 o'clock at night.

A CERTAIN CURE.—Dr. Good's Compound EXTRACT OF COPAIVA.—This is the great remedy so extensively used in New-York and other cities. It is a positive cure for Gonorrhea, Gleet and the Whites. Directions in Spanish and English. Sold at No. 141 CHARTRES STREET. jel4 3m

IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases with which children are afflicted are caused by Worms, and thousands of children die annually from those diseases, when the cause is either not known or attributed to something else. Various are the preparations which have been recommended as remedies for Worms, but experience has proved them all more or less inefficient; the undersigned have at length been at tained, and a remedy found which has never failed to destroy Worms wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The remedy is

WINER'S CANADIAN VERMIFUGE, WARRANTED PURELY VEGETABLE.

It is safe in its operation, and more easily administered than any other. Some of the symptoms which indicate the existence of Worms in the bowels are as follows: the countenance is pale, of a leaden color, and suffused with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lip swollen, itching in the nostrils, which causes the patient to pick his nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding the teeth; the appetite exceedingly irregular, sometimes voracious, otherwise feeble, and in some instances it is depraved.

To the following certificates numerous might be added, but it is believed that these are sufficient to establish the fact that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.

MEDICAL EVIDENCE.

We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer, of this town, designated J. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, confidently recommend it as a safe and efficient remedy for the expulsion of Worms from the intestinal canal.

G. O'REILLY, Licentiate of the R.C. of Surgeons in Ireland, etc.

G. W. DICKINSON, Member of the R. C. of Surgeons in London, etc.

FROM THE REV. J. FLANAGAN, OF SANDBROOK, C. W.

J. Winer—Sir: I have made the trial of your Canadian Vermifuge and with the most happy results. In my own family, and in every case which has come to my knowledge, the expulsion of Worms has followed the administering of your Vermifuge, and every one here prefer it to any other, as its effects are certain, and children take it more readily, which is a great point gained in giving medicine to children.

July 16, 1845. JOHN FLANAGAN.

Physicians generally now use WINER'S CANADIAN VERMIFUGE. This medicine is a simple vegetable preparation, and can always be administered with perfect safety and confidence as to the result, as it will always destroy Worms and restore the patient to health.

Over one thousand certificates have been sent to Agents from planters, merchants and physicians, bearing testimony to the efficacy of this infallible remedy. Warranted in all cases.

Prepared only by JOHN WINER, Manufacturing Chemist and Wholesale Druggist, Hamilton, Canada West.

To persons living, or having business, even for a short period, in low, marshy districts, the Bitters are invaluable; for, persons using them will never be troubled with Chills and Fever, at the same time they correct the secretions, give tone to the stomach, improve digestion, restore the appetite, cure dyspepsia and jaundice, and give health and vigor to the general system.

For the above remedies we publish no certificates of extraordinary cures performed by them. We will say this much, they are all that they are represented to be. They are remedies that we have used in our practice for years with the most satisfactory results. The great demand for these remedies alone has induced us to put them up in a manner which they can be reached by all. Prepared and sold by

Ayer's Cherry Pectoral.

WE INVITE THE ATTENTION of the Public to the Certificates appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of CHERRY PECTORAL, do not wantonly trifle with, or distort facts, nor overstate their convictions. Judge then, whether this is not the medicine to trust when you must have relief. [illegible] whether every family ought not to have it by them as a safeguard against the overwhelming prevailing enemy, which steals with fatal frequency upon almost every flock and carries off the lamb from many a home.

Jackson, C. H., Jackson City, O., Nov. 20, 1852.

Dr. J. C. Ayer—Sir: The CHERRY PECTORAL is much inquired after. Several of our best Physicians have used it, three of them in their own case, and always with the happiest effects. The numerous patent medicines always before them, lead to incredulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that any thing like a general confidence can be excited.

The unrivaled excellence of this combination of agents (in the CHERRY PECTORAL,) proved beyond cavil by repeated trial under their own observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate, as the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself, respectfully, your ob't serv't, JAS. H. C. MILLER, M. D.

Allegan, Mich., January 10, 1853.

Dear Sir: No one, no not one—man, woman or child—can be found to deny that the CHERRY PECTORAL is all that it claims to be. There is much used in this vicinity although not known until recently. The community should know its virtues. Yours truly,

JOHN S. KELLOGG, M. D.

FAHNESTOCK'S VERMIFUGE.—A SAFE AND CERTAIN CURE.—The foundation of serious and incurable diseases may be laid by worms. They literally swarm in the stomachs of many children, and increase daily in number and size. No common remedy can be relied upon with any certainty, and the only medicine that is unfailing in its effects is B. A. FAHNESTOCK'S VERMIFUGE. In this there is no mistake; it will cure whenever there are worms. Read this certificate:

DANVILLE, ARK., March 25, 1852.

This is to certify, that I purchased of Messrs. Floyd & May, of this place, two vials of B. A. Fahnestock's celebrated Vermifuge, and gave them to two of my children—one about three years old, and the other about five years old—which brought away from them about SEVENTY LARGE WORMS. I can safely recommend it to the public as a sure cure for worms. WILLIAM MOORE.

Sherman's Anatomical Shoulder Brace.

COMFORTABLE, CHEAP AND EFFECTIVE.

JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA.—This invaluable remedy has already carried [illegible] to the hearts of thousands, and is daily giving more consolation to the afflicted than could be afforded by all the world in the mines of California and the world combined. It is put up in [illegible] quart bottles, and contains the strength of six times as much pure Honduras Sarsaparilla as any other preparation made in America.

Price—$1 per bottle, or six bottles for $5.

It has been a well established fact for years past, that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, etc. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased with care and every pound, before being used, is subjected to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and producing the greatest curative agent in the known world.

GOOD TESTIMONY.

The Ohio State Journal, Columbus, Ohio, thus speaks of Bull's Sarsaparilla:

"It has no equal. The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but it is substantiated by calling on the agent in this city."

Bear with us, reader, a little longer, and be convinced that Bull's Sarsaparilla is the WONDER OF THE WORLD! and that it will cure you, no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about Bull's Sarsaparilla:

LOUISVILLE, May, 1848.

Mr. John Bull—Dear Sir: I have been for several years severely afflicted with a Mercurial Headache and a dull heavy pain in my Liver. I used almost all the remedies of the day, especially the Sarsaparillas prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article.

Very respectfully, J. H. OWEN, M. D.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following and see what also may be done for them, if they will use this infallible remedy:

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain; I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism and greatly improved my general health, more than any medicine I have ever used. I have now been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for Rheumatism.

Uniontown, Union county, Ky., May 19, 1848. ISHAM BRIDGES.

FROM DR. WM. T. PRENTISS.

Mr. Bull—In regard to your Sarsaparilla, I will say that I have used it to some extent in cutaneous affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilitic Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think would prefer it to any other preparation of Sarsaparilla in use, and any physician will admit its value as containing the substances that enter into its composition.

Respectfully, yours, W. T. PRENTISS, M. D.

Lewisport, Ky., December 4, 1847.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, where the efforts of nature are weak and deficient, or are profuse or overwrought, when the face is pale and colorless the strength feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed, then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exists; health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps a long life, instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the "turn of life," which is often attendant with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this critical period should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy cheek! How often do we see persons not possessing this desideratum so devoutly to be wished, resorting to cosmetics, lotions, washes, paints and coloring materials, to restore to them a semblance of that which disease has deprived them of, and that, too, to their manifest injury in the skin! The fact is, Bull's Sarsaparilla is the best cosmetic known. It makes the skin clear upon the correct and only true principle, not by coating the surface with poisonous or deleterious matter which serves to close the pores and check a natural perspiration, but by removing every particle of bilious, morbid and diseased matter in the blood, making the same pure, healthy and vigorous, giving aid to every minute vessel, and changing the yellow, dark and sallow features to the bloom and freshness of youth. If the ladies generally could be apprised and convinced of this fact, they would abandon the use of all paints, mixtures and lotions, and use the only effectual remedy. A word to the wise is sufficient," and a hint is enough for the fair.

BETTER TESTIMONY THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE!

FROM DR. JAMES M. MOORE.

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous and glandular affections, having used it with entire success in a number of the above cases.

Louisville, December 24, 1847. JAMES M. MOORE.

MORE TESTIMONY FROM DR. MOORE.

Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.

Winchester, Ky., Feb. 7, 1848. JAMES M. MOORE, M. D.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla:

FROM DR. L. P. YANDELL, PROFESSOR OF CHEMISTRY IN THE LOUISVILLE MEDICAL COLLEGE.

I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable. L. P. YANDELL, M. D.

Louisville, June 6, 1848.

What Dr. Pyles, Physician by appointment of the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 30, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and in private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D., Resident Physician at the Louisville Marine Hospital.

This Medicine is daily grappling with disease throughout the Western country, restoring to blooming health and youthful vigor the sick and afflicted—only, those that are grievously tormented.

Certificates are teeming from all directions of men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies ever before the public.

B. Antognini,

MANUFACTURER OF BILLIARD TABLES, ETC.

No. 12 and 14 Conti Street, Between Chartres and Levee streets,

Begs leave to inform the amateurs and proprietors of Billiards, that he is now ready to furnish them with BILLIARD TABLES of a new kind, and superior to all those which have heretofore been in use, whether manufactured in France, or in the North or West of the United States.

The repairs which he is every day called upon to make to Billiard Tables coming from those countries, have enabled him to ascertain the kind of construction which is best suited to resist the temperature of humid climates.

The table and bands of a Billiard being generally the parts which are most liable to deterioration, particular attention has been paid to the construction of these parts.

Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from warping in any direction.

The bands are made of Patent India Rubber, invented by him, and far superior to the French caoutchouc used in different manufactories. The india rubber sides have been used by him since 1849, and have always given great satisfaction.

Gentlemen may satisfy themselves of the above by visiting his establishment, where they will always find mounted Billiard Tables, ready for playing, and they will convince themselves that the balls do not jump.

EVERY BILLIARD TABLE BOUGHT FROM HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER.

He has constantly on hand a great variety of NEW AND SECOND-HAND BILLIARD TABLES. Also—BALLS and PINS for the TEN-PIN ALLEYS, complete lots GAMES, etc., etc. Also—EIGHT LEG BILLIARDS.

Persons unable to come to New Orleans, and who may desire to procure any of the above-named articles, have only to communicate their orders to B. ANTOGNINI, who will execute them satisfactorily.

B. ANTOGNINI has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of Cloth, in D'Elbeuf Cloth, he has on hand a large quantity of that cloth for Billiard Tables, which he is prepared to sell at an exceedingly low price.

The extension of his house, and the relations which he has established, and continues each day to establish, with the best manufactories of France and the United States, enable him to sell all articles in his line at prices below the current rates. s8 1
