HARDWARE.

LATEST PATTERN OF 1846.

Green's Patent Cooking Stove.

THE subscriber has received, direct from the manufacturer in Cincinnati, a lot of Green's new patent Cooking Stoves, which he will sell at the smallest possible advance on the Cincinnati price. These Stoves are very highly recommended, and numbers who have used them in Cincinnati and elsewhere, give them a decided preference over any other stove in use. In point of convenience, despatch in cooking, weight of plates, and economy of fuel,—and especially in baking,—it is believed by many to have no equal. Let those in want of such an article, at least call at my store and look at Green's Patent, before purchasing any other.

S. WAINWRIGHT,
Main street, Indianapolis.

DOUBLE OVEN COOKING STOVE.

THE subscriber has just received a lot of the above stoves. They are decidedly superior to any stove ever invented. Having two ovens, different articles can be baked at the same time, which could not be well baked in a single oven. This tends to great economy in fuel. At the same time all other culinary operations can be as well or better performed than in any other stove in market. Those in want of such an article are invited to call and examine this before purchasing any other. This is all that is necessary to secure for it the preference; for seeing is believing.

FLETCHER'S
Celebrated Imperial Ague and Fever or Tonic Pills.

THE proprietors of this invaluable remedy for Ague and Fever or Intermittent Fever, deem it unnecessary to enter into a long dissertation relative to the disease for the radical cure of which the remedy now offered stands unrivalled. The universal prevalence of the Ague and Fever, and Intermittent Fever, throughout most of the States of the Union, and the thousands who annually suffer from it, unhappily render it so well known, that to dilate upon its symptoms or pathology, seems wholly unnecessary. It may, however, with propriety be observed, that the neglect to cure what is too often called "only the Ague and Fever," often leads to diseases more fatal in their nature—among which may be classed, diseases of the Liver and enlargement of the Spleen, commonly called *Ague Cake*, which in too many cases proves fatal.

Thousands of certificates might be published in reference to the efficacy of the Pills now offered to the public, which the Proprietors deem unnecessary to publish. Suffice it to say, they have never been known to fail in a single instance. One Box, when taken according to directions, will cure any case of Ague and Fever, or Intermittent Fever. The ingredients being Purely Vegetable, and entirely free from any deleterious substance, they are confidently recommended as the safest as well as the most efficacious article ever offered to the Public! The form in which these Pills are put up, (small tin boxes,) renders them more convenient than any other, as a man can carry them in his vest pocket without the slightest inconvenience.

It is deemed important previous to taking these Pills, that the Stomach and Bowels should be cleansed by a gentle cathartic. Fletcher's "*Ne Plus Ultra*" Anti Bilious Vegetable Cathartic and Deobstruent Pills, are recommended as the very best article in all cases where a purgative is required, and are peculiarly adapted to precede the Ague and Fever Pills. Three of Fletcher's "Ne Plus Ultra" Pills should be taken before retiring to rest—and after a gentle operation in the morning, commence taking the Ague and Fever Pills.

On the Label pasted on each box, is the written signature of the Agent, in Red Ink. None others are genuine.

For Sale by JAMES WILLIAMSON, *Agent for the Proprietors*, No. 189 Water street, New York.

Only agency in Indianapolis at the office of the State Sentinel.

FLETCHER'S
"Ne Plus Ultra" Vegetable Compound Cathartic and Deobstruent Pills.

THESE Pills, now for the first time offered to the Public, have been used in private practice upwards of Forty Years, by a Celebrated Physician, formerly a member of the Royal College of Surgeons of London and Edinburgh, and Licentiate of Dublin University.

The Proprietors deem it unnecessary to enter into any lengthened discussion as to the merits of these Pills—neither will they say, that they will cure all the ills that human flesh is heir to?—but they lay claim to one *great fact*, and that is this; they are the very best Pills ever invented, not merely as a simple Cathartic, as their properties are various. They are a *Compound Cathartic, Anti Bilious* and *Deobstruent Pill*. They cleanse the *Stomach and Bowels*, without pain or griping; they act specifically upon the *Liver and Kidneys*, and as a Diuretic, they cause an *increased discharge of Urine*—restoring a healthful and proper action to the Urinary Organs. For monthly complaints, to which *Females* are liable, they will be found most efficacious in removing obstructions and restoring them to perfect health. It is perhaps needless to add, that if the Stomach and Bowels are kept in a proper state, no fears should be entertained in reference to the welfare of the body.

We need only say to those who have tried all other Pills, of whatever name, to give the "Ne Plus Ultra's" one trial, and we feel perfectly confident, that they will satisfy *All* that *they are* the Pills! unequalled as well as unapproachable!!

Only agency in Indianapolis, at the office of the State Sentinel. 54 tf

THE BRANDRETH'S PILLS.

THOSE of our citizens who desire a good medicine, will find one in the justly celebrated pills of Doctor Brandreth, which have performed cures upon thousands of helpless and hopeless persons, after the usual scientific skill of physicians had consoled them with the assurance that they could do no more. The properties of these Pills, as an antibilious and aperient medicine, are unrivalled; all who use them recommend them; their virtues surpass all eulogy, and must be used to be appreciated. The weak and delicate will be strengthened by their use, not by bracing, but by removing the cause of weakness, the gross and corrupt humors of the body. They require no change in the diet, or care of any kind. Plain directions accompany each box, so that every one is his own competent physician.

These pills are for sale by *one* agent in every town in the State, and at Indianapolis, by C. B. DAVIS, Bookseller, and by SMITH, HANNA & Co., these being the only authorized Agents. 46-y

A NEW AND VALUABLE LAW BOOK.

A TREATISE on the law relating to the powers and duties of Justices of the Peace and Constables, and on all action cognizable in Justices' Courts in the State of Indiana; with practical forms, &c. By W. W. Wick and L. Barbour. Just published and for sale by

C. B. DAVIS.

Indianapolis, Ind., *Feb.* 17, 1846.

Gentlemen: I have looked through the volume you sent me, of a treatise on the law relative to the powers and duties of justices of the peace and constables, in actions cognizable in justices' courts in the State of Indiana, by W. W. Wick and L. Barbour; and am very forcibly impressed with its general correctness, and consequent value to the public, and especially with that portion of it that treats of the operation of our relief laws upon contracts, and the bearing of the decisions of the Supreme Court of the United States upon that important question, in which I fully concur with the authors of the work. I shall place it in my library for reference, it being one of the very best works of the kind yet published. Very truly,

Messrs. Day & Davis, Publishers. O. H. SMITH.

Indianapolis, *March* 16th, 1846.

Messrs. Davis & Day—Gentlemen: I have cursorily looked through the treatise by Wick and Barbour, just published by you, in relation to the powers and duties of justices of the peace and constables, and embracing a variety of useful matter not falling within the ordinary scope of such a work. The law seems to be laid down with clearness and accuracy, the citations are numerous, and the order and method of the whole work are excellent. It cannot but prove a valuable instructor for all such officers, an economical guide to every man of business, and even the practical attorney will often find his labors abridged by giving it a place in his library. It richly deserves, and I hope it will receive a liberal patronage.

Yours very truly, JAS. WHITCOMB.

Indianapolis, *March* 9th, 1846.

Gentlemen: Respecting the treatise of Messrs. Wick and Barbour, relating to the powers and duties of justices of the peace and constables, I am of the opinion that it is a most valuable work, and should be in the hands of every justice in Indiana, and that all classes of our citizens would be much profited by a careful perusal of it. The utility of the book will be more apparent to magistrates, as well on account of the great number and variety of indispensable forms, as of the statutory and other references, (hardly elsewhere to be found,) indicating the wholelaw, in almost every class of action, coming before justices of the peace in Indiana. Yours truly,

Messrs. Davis & Day. WM. SULLIVAN.

Indianapolis, *March* 1st, 1846.

Gentlemen: I have examined, at your request, the treatise respecting the powers and duties of justices of the peace, &c., written by Messrs. Wick and Barbour, and recently published by you. It is a work, I am confident, that will be found exceedingly useful in the transaction of business in justices' courts, and I hope it will be liberally patronized. Yours, &c., ISAAC BLACKFORD.

TO THE PUBLIC,
And Members of the Legislature.

THE undersigned would respectfully announce to the public generally, and to members elect of the Legislature of Indiana, that he has taken possession, by lease, of the well known "DRAKE'S HOTEL," which is now undergoing a thorough supervision and renovation for their accommodation.

Every department of the house will be thoroughly repaired, cleaned, painted, and every improvement necessary will be made to have every thing in superb order, with new additional bedding, furniture, &c. &c. on or before November 1st. The house will be thoroughly aired and seasoned, so as not to expose the health of the most delicate.

Ample provision will be made to furnish the tables in a style unsurpassed in this city, and every care and attention bestowed tending to administer to the care and comfort of their boarders and guests; good nature being *essential* to a well regulated house, care has been taken to secure the attendance and services of those who take pleasure in performing their duty.

The best of stabling, with careful and attentive hostlers, always in readiness, day or night.

With a sincere desire to do justice to the public as a public caterer; to establish a reputation for the house he has undertaken to manage; and to do a little good for himself withal, he wishes a fair trial, and will leave no effort on his part untried to give the fullest and most perfect satisfaction to his guests.

Regular boarders will be accommodated on the most reasonable terms.

Seats on the several stage and railroad routes may be secured at this Hotel.
