Sarsaparilla, Sarsaparilla, Sarsaparilla, where more and properly prepared, was the only true panacea for all diseases arising from an impoverished or vitiated state of the blood, the cause of mercury, indulging drains, evil habits in youth, harassing, etc. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased and prepared in the best manner, every process, before being used, is subjected to a strictest chemical test; and it is guaranteed superior to all other Sarsaparillas.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the most astonishing results.

GOOD TESTIMONY.

The Ohio State Journal, Columbus, Ohio, thus speaks of Bull's Sarsaparilla:

"It has no equal. The unprecedented sale of Bull's Compound Fluid Extract Sarsaparilla in this city, where it has been introduced for the last two months only, with the very gratifying effects produced upon all who have tried it, warrants the assertion that as a purifier of the blood it has no equal. This is a bold assertion, but it can be substantiated by calling on the agent in this city."

Take with us, reader, a little longer, and be convinced that Bull's Sarsaparilla is the

WONDER OF THE WORLD!

and that it will cure you, no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years' standing says about Bull's Sarsaparilla:

LOUISVILLE, May, 1846.

MR. JOHN BULL—*Dear Sir:* I have been for several years several severely afflicted with a distracting Headache and a debilitating pain in my Liver. I used almost all the remedies of the day, especially those sarsaparillas prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a perfect article.

Very respectfully, J. H. OWEN, M. D.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following and see what also may be done for them, if they will use Bull's Sarsaparilla:

MR. JOHN BULL—*Dear Sir:* For the last three years I have been afflicted with Rheumatism of the severest character. I was at times so severe in my sufferings of pain, I could scarcely find a position for the sole purpose of obtaining relief. I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism and greatly improved my general health, more than any medicine I have ever used. I have now been free of pain for several months, and have every reason to believe it is permanently cured. I therefore cheerfully recommend the use of your valuable medicine to all who may be afflicted with Rheumatism.

Respectfully, yours,

W. T. PRENTISS, M. D.

Lewisport, Ky., December 4, 1848.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature appear to be paralized, or the system is overcome by nervous exhaustion, and colossus the strength feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed, then Bull's Sarsaparilla is a sovereign remedy. It invigorates nature in the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excessive menses pure and healthy blood, and imparts health and happiness. Were indigo generally to adopt the use of this medicine, we would soon see a vanishing disease and unhappiness among them that now exists. Health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps a single infant, instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the "turn of life," which is often attended with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. At all times and in approaching this critical period be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy cheeked lady! How often do we see persons not possessing this desideratum, so anxiously to be wished, resorting to cosmetics, lotions, washes, paints and coloring materials, to restore to them a semblance of that which disease has long deprived them of, and that, too, often times, with manifest injury to the skin! The facts, Bull's Sarsaparilla is the best cosmetic known. It makes the skin clear upon the correct and only true principle, and by coming in surface with poisonous or deleterious matter which serveth to close the pores and clench a natural purpose, it by its purifying properties of blood, purifies the system, and makes the skin to be as it should be, making the same pure, healthy and vigorous, giving life to every minute vessel, and changing the yellow, dark and sallow complexion to the bloom and freshness of youth. If the ladies generally could be apprised and convinced of this fact, they would abandon all foul paints, mixtures and lotions, and use the only effectual remedy, a word in the wise is sufficient," and a little is enough for the lady.

BETTER TESTIMONY THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE!

FROM DR. JAMES M. MOORE.

MR. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous and glandular affections, having used it with entire success in a number of the above cases.

Louisville, December 20, 1847. JAMES M. MOORE.

MORE TESTIMONY FROM DR. MOORE.
