Dr. Christie's Galvanic Belt

Has been pronounced by many distinguished physicians both in Europe and the United States, to be the *most valuable medicinal discovery of the age*. It is a beautiful instance of art aiding science to produce the highest beneficial results, and it is believed that few inventions have ever been so perfected and so entirely successful in their results.

It is used with perfect and certain success in all cases of general debility from whatever causes it may arise, strengthening the weakened system, and invigorating the body. Fits, cramp, rheumatism, acute or chronic, epilepsy, lumbago, paralysis, palsy, indigestion, dyspepsia, tremors, stiffness of joints, palpitation of the heart, apoplexy, neuralgia, pains in the chest and side, liver complaint, diseases of the kidneys, spinal complaint, and curvature of the spine, hip complaint, spasms, and all nervous diseases arise (from one simple cause—a derangement of the nervous system.

Nothing has ever existed in the medical world before, except to increase the disease, for drugs but weaken the system; while under the strengthening, life-giving vivalizing influence of Galvanism, health succeeds disease, and the patient is restored to bloom and vigor solely by the outward application of Dr. Christie's Galvanic Belt.

The peculiarity and great beauty of Christie's Galvanic and Magnetic curatives consist in the fact that they cure disease by outward application, instead of the usual mode of drugging and physicking the patient till exhausted nature sinks under the infliction.

They strengthen the whole system, a power possessed by no other remedial agent except Galvanism. Since their introduction into the United States, more than 20,000 persons, including children, and ladies of all classes, have been the recipients of their benefits.

Nervous Spasms

The following is an extract from a letter received from Messrs Mosely & Tucker, well known Druggists, Mobile, Alabama:

"There is a Dr Hartwell Doctor of Divinity in Marion, in this State, who has used Christie's Galvanic Bracelets for the purpose of curing a nervous spasmodic affection of the hands and arms. Upon the least excitement, either mental or physical, his arms became in violent motion, which was perfectly uncontrollable. He tried the Galvanic Bracelets, with the magnetic fluid, and with such success, that since that time (four months) he has not had a single attack, although he has travelled to Cincinnati, and there took an active part in the exciting scenes of a Baptist Convention. Through his recommendation, many of his acquaintances have tried them, and with good success.

Truly yours, MOSELY & TUCKER

FEVER AND AGUE,

CHILL FEVER, DUMB AGUE, INTERMITTENT AND REMITTENT FEVERS, AND ALL THE VARIOUS FORMS OF BILIOUS DISEASES SPEEDILY AND THOROUGHLY CURED BY

Dr. Osgood's Indian Cholagogue.

The following extract is from the Farmer's and Emigrant's Hand Book, a valuable work of some 500 pages, recently published by Messrs. Appleton & Co., New York. In chapter 8, page 235, the author, speaking of Fever and Ague, remarks:

"There is a valuable medicine sold in most of the Western cities which we can conscientiously recommend for Fever and Ague, and other bilious diseases, it is the Indian Cholagogue, which is prepared by Dr. Osgood, of New York, who has made the bilious disorders of the West his special study. We are no friends of those medicines usually called patent, but we have had ample opportunity of testing the invaluable effects of the Cholagogue in bilious cases."

The speedy and permanent relief afforded by the Cholagogue arises from its prompt and healthy action upon the blood, cleansing it from bile and restoring its purity, thus striking at the root. Retrogressive medicines not simply to suspend disease, but to remove the cause on which it depends. It is equally adapted to all ages and conditions of the system.

From S. P. Cary, Counsellor at Law, to the Agents in Cincinnati

CINCINNATI, October 11, 1846.

Messrs. Sanford & Park—In June last I was attacked with that most afflicting and unpleasant disease, the Chills and Fever. The Paroxysms returned daily, and were very severe. My physical energies had been much impaired by a previous attack of bilious fever. Having tried several favorite remedies without relief, a friend in whom I had confidence, recommended Dr. Osgood's Indian Cholagogue. I procured a bottle, and followed the accompanying directions. The consequence was, that I had but one paroxysm after taking the first dose, and my general health was rapidly restored without using any other medicine. I disposed of the remainder of the bottle to five other persons similarly afflicted, and with the same results. One of them had been shaking for eight months, and was relieved in two days by the use of the Cholagogue. I consider it my duty, as it is my pleasure, to recommend it, having the most entire confidence in its sanative power. Yours, truly, S. P. CARY.

Be sure you ask for "Osgood's Indian Cholagogue," and take no other.

DETROIT, Oct. 21, 1846.

Dr. Charles Osgood. Dear Sir—I have read with much interest, your late treatise upon the "causes, treatment and cure" of the febrile diseases which have so extensively prevailed in our country during the last few months—an interest increased no doubt, by the fact that I have individually suffered so much from them. Though I feel myself very incompetent to judge
