DR. SPINNEY & CO

THE WELL-KNOWN SPECIALISTS,

OF NO. 11 KEARNY STREET, SAN FRANCISCO,

Are now in this city, and can be daily consulted at No. 415½ K STREET, between Fourth and Fifth (near Postoffice)

CONSULTATION FREE.—LARGE AND STEADILY INCREASING PATRONAGE HAS AT LAST compelled us to open a

PERMANENT BRANCH OFFICE IN SACRAMENTO.

By this arrangement the many patients and correspondents of DR. SPINNEY & CO., and the afflicted generally, who are anxious to have a personal interview, but for whom it is impossible to come to San Francisco, can avail themselves of the benefit of the Doctor's treatment, without great inconvenience or expense. DR. SPINNEY is well-known as the founder of the MONTREAL (C. E) MEDICAL INSTITUTE, and late proprietor of the SPINNEYVILLE INFIRMARY, and having given his entire attention for the past twenty years to the treatment of Chronic and Special Diseases, incident to both sexes, his success has produced astonishing results. The Doctor believes it his duty to state to the public that he has many years of his life made it a special study to fully understand the nature of the diseases as well as the most effectual treatment for the cure of all troubles of the genito-urinary organs; and he would call the attention of the afflicted to the fact of his long standing and well-earned reputation as sufficient assurance of his skill and success.

YOUNG MEN

Who are suffering from the effects of youthful follies or indiscretion, do well to avail themselves of this, the greatest boon ever laid at the door of suffering humanity. DR. SPINNEY will guarantee to forfeit $500 for every case of Seminal Weakness or private disease of any kind or character which he undertakes and fails to cure.

MIDDLE-AGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a milkish hue, again changing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of semina' weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary organs.

TO THE LADIES.

Statistics prove that a great many women are afflicted with diseases peculiar to their sex. DR. SPINNEY, having spent many years in the study of Female Complaints, feels competent to treat them in their most malignant forms, and would therefore cordially invite all who are suffering to come and try his method of cure, which has relieved thousands and saved many from a premature grave.
