MEDICAL HOUSE, No. 82 Customhouse street, near Royal street—For the Cure of Old Chronic, Mercurial, Syphilitic and all Private Diseases, without Mercury, hindrance from business, or exposure to friends, and a cure guaranteed in all cases.
The unparalleled success which has attended Dr. James' practice in all parts of the United States and Europe—the many remarkable cures he has effected, which were pronounced incurable by the most eminent physicians, justifies him in offering his services to the confidence of the unfortunate. The many who are some of the diseases termed "Private," and of which, in conjunction with newly discovered Remedies, Dr. James permanently eradicates, namely: Syphilis, primary, secondary and tertiary, Strictures, Urethral Discharges, Gleet, Gonorrhea, Nocturnal Emissions, Seminal Affections of Females, however complicated they may be, Diseases of the Back and Limbs, Inflammation of the Bladder and Kidneys, Rheumatism, Hydrocele, Cancers, Ulcers, Tumors and all Diseases of the Skin.
Dr. James would at a call the attention especially of those who have privately and improperly injured themselves in that secret and solitary habit which ruins the body, and, unfitting them for either business or society, viz: Constitutional Debility or Impotency. The following are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of Back and Limbs, Pain in the Head, Dimness of Vision, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervousness, Irritability, Symptoms of Consumption, etc. Mentally, the fearful effects on the mind are more to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, etc., are some of the evils produced.
All persons afflicted with any of the above symptoms should call on Dr. James and be cured immediately by a perfect health; let no false delicacy prevent you, but apply at once and save yourself from the awful and dreadful consequences of this terrible malady.
Weakness of the organs immediately cured, and full vigor restored.
Remember, "The Medical House of Dr. James" is 82 Customhouse street.
Private and separate rooms reserved. Hours of attendance from 9 A. M. to 8 P. M.

NEW ORLEANS, August 11, 1857.
W. P. COLEMAN, Esq:
Dear Sir—The twenty-four inch Mill which I purchased from you for Mr. T. J. Packwood's plantation, has been attached to the sugar-mill engine, and put in operation last week. I am much pleased with it in every respect, both in regard to its simplicity, durability, and quantity it grinds. I timed the mill when in operation several times, and found to my surprise that the mill was grinding one bushel per minute; I therefore expect the mill to grind regularly thirty bushels per hour with ease. To Sugar Planters I would especially recommend your Mills believing them to be superior to any mill ever manufactured.
Yours, respectfully,
JOHN S. McDONALD, Engineer.

From Campeachy.

By the arrival yesterday of the brig Minatitlin, from Campeachy, in Yucatan, we have received a file of the *Boletin* to the 24th ult., but we find little to notice. Barrera who, several months ago initiated the revolution which has in some measure made him Governor of Yucatan, has not yet succeeded in quelling the opposition to him in the District of Campeachy. From other parts of the State there is no intelligence.

The *Boletin* says that for nearly three months the town of Campeachy has su
