Armitage & Co. Above!

B. ARMITAGE & CO. have just received their first assortment of latest style *HATS, CAPS*, &c., and are already prepared to compete with any eastern hats in the market, either in style or price. The proprietors just invite all to examine before purchasing elsewhere, and if they fail to satisfy, if they are not suited, the fault shall not be in the new store. 33-tf

THE attention of the public is respectfully invited to this newly invented apparatus. The object for which it is intended is perfectly to preserve cornices from decay for any length of time, without being any sensible excess to delicacy, or unseemly appearance. Benevolent institutions and all others who desire to delay funerals until the arrival of distant relatives, or to make suitable preparation for interment, can, by the use of the machine, preserve them for weeks in a perfectly inoffensive state, allowing all to give more than.

The undersigned has secured the patent for Marion county, of its value to be and much more to any state. It can be used in the best room in the house without the least inconvenience, and if it does not give satisfaction, no charge will be made. N. B. The undersigned has two hearses and carriages, and the best and most careful hands in his employ; so that, if his absent business be in absence on professional duty, that all the best left at his place of business, will be attended to in a good style, and as punctually, as though he himself was there. The undersigned being asked that when professionally absent no person would attend funerals, he wishes his friends and the public to understand, that they can be attended to by those in his employ, to their satisfaction. Ready made coffins always on hand. Personal attendance at all hours. 21-tf
