COMMUNICATIONS.

For the Sentinel.

MESSRS. CHAPMANS & SPANN:—I have noticed two communications in your paper in relation to myself as lessee of the State Prison. I do not feel that it is necessary for me to defend myself against the attack thus made upon me, emanating as it does from William Lee, the present Warden of the Prison; but it is due, perhaps, to the public and myself, that I should state who the writer of the communications referred to is, which fact makes it unnecessary for me to reply to them in detail.

Respectfully,
SAMUEL H. PATTERSON.

For the Indiana State Sentinel.

State Prison No. 3.

MESSRS. CHAPMANS & SPANN:—Was the law placing it beyond the power of the man immediately interested in the labor of the convicts, to inflict corporal or other punishments upon them, just and humane? Was there any reason assigned for it at the time, and what were the circumstances that forced upon the minds of the legislature at the session of '35–6 the absolute importance and necessity of so new and conservative a feature in our penitentiary system? These questions need no answers to those that were members that session. But others may seek an answer. There was a reason for it at that time, and that reason was, humanity demanded it. The condition of the prison and the treatment of the prisoners underwent a thorough examination that session and scenes of wretchedness, cruelty and brutality were unfolded that aroused the indignation and the dormant sympathies of the public mind, which had never until that time been awakened in our State in relation to our State prison. This did not happen because the individual then at the head of the institution treated the convicts in any respect worse than they had been treated by his predecessor, by any means, but simply because there were rival interests contending before the legislature for the prison, and in the scuffle for the spoils, some developments were made which led to others, and thus the matter to some extent become public. But one tenth part of the story was never told. The horrors of that "old prison," were they recorded, that each member of this legislature could read them and know them to be true, would raise such a storm of virtuous indignation in the breast of every man, that he who would dare to come asking the repeal of the law, which alone can shield the prison from such abuses, could find no countenance, sympathy or support.

"Oh but," says he, "I am more interested in the kind treatment of the convicts than any one else." So says the southern slave-driver, "I am more interested in the kind, humane treatment of my slaves, than any one else," and he commits the most horrid brutality upon them, male and female, every day, forcing them to labor beyond their strength, half clad and starved. So has said, and truly too, every superintendent in our state prison from its foundation until the present time, and has that interest sheltered the prisoner from abuse, clothed and fed them, as human beings, in the midst of a christian community should have been clothed, fed and lodged! More anon. X.

GEO. A. CHAPMAN, Sec'y.

Ripley County.

At a meeting of the Democratic citizens of Adams township, Ripley county, held at Pennsylvaniaburgh, on the 26th day of Dec 1848, in pursuance of previous notice, to appoint delegates to a State Convention, to be held at Indianapolis, on the 8th of January, 1849.

The meeting being called to order, L. L. Thomas, was appointed Chairman, and Sam'l L. Jones, appointed Secretary.

The Chair, in an appropriate speech, stated the object of the meeting.

On motion of T. W. Sunman,

Resolved, That this meeting appoint a committee of three or more, to draft resolutions expressive of the sense of this meeting.

On motion, it was

Resolved, That T. Johnson, T. W. Sunman, T. C. Smith, T. Sunman, C. Buehler, T. Bowers, and R. F. Cunningham, be said committee, and that they report to this meeting as soon as expedient.

And said committee reported as follows:

Resolved, That this meeting appoint five delegates to attend the Democratic State Convention, to be held at Indianapolis, on the 8th of January, 1849.

Resolved, That Dr. C. C. Pease, L. L. Thomas, John Sunman, Sam'l L. Jones, and T. W. Sunman, be said delegates.

Resolved, That the State of Indiana has ever prospered under Democratic principles, and that the selection of officers judicious and capable, would secure to her a continuance of that prosperity.

Resolved, That it is with pleasure we recommend to the Democracy of Indiana, our own Col. James H. Lane, for the office of Governor; he justly merits all the honor, which we, as Indianans, can confer. As a politician, he has never been known to deviate from the true principles of our party. As a statesman he is qualified to guide our ship of State in the prosperous course she has been steering, since she came into the hands of Democratic pilots. As a patriot, he has proved himself one in whom we can safely rely. He was the first Indianian to rally round the standard of his country, as a private; was elected Captain by the unanimous vote of his company, and was afterwards promoted to the command of the *steadfast Third Regiment*, and nobly did he discharge his duty at the battle of Buena Vista. After serving out his term in that regiment, again his services were required, and again was he in the field with the fifth Indiana regiment; and when the war was closed, and not until then, did Col. Lane relinquish the field. Such is the individual that we recommend to the Democracy of Indiana, as the candidate for Governor at this crisis—one upon whom we can all unite.

And said resolutions were unanimously adopted. On motion,

Resolved, That the Secretary forward a copy of the proceedings of this meeting to the Indiana Register and the Indiana State Sentinel, for publication.

LEWIS L. THOMAS, Chairman.

SAMUEL L. JONES, Secretary.

Randolph County.

Agreeably to previous notice, the Democracy of Randolph county, assembled at the Court House. On motion, Josiah Bundy, was called to the Chair, and N. P. Heaston, appointed Secretary.

James Brown, having been called on for that purpose, stated the object of the meeting to be for the appointment of delegates to attend the Democratic State Convention, to be held at Indianapolis, in January, 1849, to select candidates for Governor and Lieut. Governor.

On motion, it was

Resolved, That there be a committee of three appointed to prepare and report resolutions expressive of the sense of the meeting. Messrs. Brown, Neff and Lewis, were chosen said committee.

On motion, it was

Resolved, That the delegation in the State Convention consist of five individuals from each township in the county. Whereupon, the following persons were chosen as such delegates:

White River—John Neff, jr, James Brown, John Lasley, Daniel Heaston, Irvin Wysong, D. C. Lewis, B. McClelland, William Wood, G. A. Smith, N. P. Heaston.

Ward—Joseph Edger, Griffin Jones, Thos. D. Longshore, Josiah Bundy, John L. Addington, John Wilson.

Jackson—George Debolt, Abraham Harshman, Jacob Johnson, Eli Noffsinger, Moses Byrom.

Wayne—Thomas Mason, Raford Wiggs, Samuel Snodgrass, Peter Hoover, James M. Bailey.

Greensfork—Jesse Jordan, Jacob Horn, I. F. Wood, B. Hutchinson, Jesse Beman.

Washington—Stacy Rinier, James Harper, D. Gibbs, John Baxter, Elijah Platt.

West River—Ames Forkner, Wm. Short, Hugh Moore, James Shearer, —— Fennimore.

Nettle Creek—Rob't W. Butler, Henry Leeka, Hamilton Snodgrass, John H. Williams, —— Cowee.

Stony Creek—Sam'l Cunningham, John McNees, Joseph Hewitt, Sam'l Clevinger, Doct. Conner.

Monroe—James Kale, Joseph Martin, James Howery, Wm. Peoples.

Green—Stephen Cannon, Wm. Orr, Doct. Harris, Martin Smith, John Godwin.

The committee selected to draft resolutions, reported the following, which were adopted unanimously:

Resolved. That we, the Democrats of Randolph county, in meeting assembled, do declare that we have undiminished confidence in the great principles of democracy and equal rights which have heretofore guided our party, believing, as we do, that on the triumph of these principles, depend the welfare and happiness of our country.

Resolved, That the Democracy of Randolph county, heartily approve of the sentiments of Gov. Whitcomb, as expressed in his late annual message, on the subject of the introduction of slavery into the recently acquired territory, and that we concur in the selection of that distinguished statesman to represent us in the U. S. Senate.

Resolved. That the great States of the West, by the noble and undivided support, which, in the political struggle just closed, they gave to Lewis Cass, the hero and statesman of the west, have testified their devotion to the cause of Democracy.

Resolved, That although the progress of the principles of our party, has been for a time arrested by the defeat of our candidate for the Presidency, yet we hereby declare our resolution of firmly adhering to those fundamental principles which have hitherto formed our political creed, believing that the success of our opponents will be but short lived, and that the mass of the people will again rally around the standard of Democracy.

Resolved, That we regard the efforts of the Whig party to destroy the qualified veto of the President, and render it odious to the people, as an insidious attack on the Constitution, and an attempt to undermine one of its barriers against evil legislation, placed there by the wisdom of our fathers.

Resolved, That we have full confidence in our representative, I. F. Wood, and heartily approve of his vote for U. S. Senator, believing that in giving that vote, he did as a large "majority of his constituents wished."

Resolved, That the Secretary forward the proceedings of this meeting to the editors of the Indianapolis State Sentinel and Winchester Patriot, for publication.

JOSIAH BUNDY, Chairman.

N. P. HEASTON, Secty.

Howard County.

Pursuant to previous notice the democrats of Howard county met in convention in Kokomo, Dec. 25, 1848.

On motion, John Knight was called to the chair, and George A. Gordon appointed secretary.

The object of the meeting having been stated, on motion the chair appointed Theophilus Bryant, W. B. Smith, and John Parker a committee to report resolutions for the consideration of the convention, who having retired a few minutes, returned and reported the following, which were unanimously adopted:

Whereas, the crisis has arrived in the political affairs of this country that requires every individual bearing the name of democrat to be on the alert, democratic principles being as near and as dear to every true democrat as they ever have been; and notwithstanding our late defeat, the supporters of democratic measures should remember that apathy, culpable at all times, is criminal now; Therefore,

Resolved, That we are in favor of a State Convention, to be composed of delegates from the several counties of the State of Indiana, to be held at Indianapolis, January 8, 1849, to nominate candidates for Governor and Lieutenant Governor of the State.

Resolved, That we have unbounded confidence in the integrity, honor, ability of our present Chief Magistrate, Hon. James Whitcomb, who backed by the patriotic members of our State Legislature during the last six years, has redeemed our State from the odium of bankruptcy, and placed her on the list of debt-paying States.

Resolved, That we are in favor of the Territories of California and New Mexico remaining free Territories as they came to us; and though we have confidence in the Supreme Court to decide that question, yet we have no objection to the Wilmot Proviso, or some other resolution, forever excluding slavery from said territories; and we protest against slavery being tolerated there by congress.

Resolved, That the present Legislature of Indiana has the thanks of the democrats, for the election of that stern and indomitable democrat, James Whitcomb, to the United States Senate; the man who recommended the reduction of his own salary, which was done by a Democratic Legislature; and who has done more to redeem Indiana from thraldom than any man living.

When on motion, Dr. J. H. Kero, T. Bryant, A. J. Heaton, W. H. Grant, and Thomas Landrum were appointed delegates to the State Convention, to be held at Indianapolis, on the 8th day of January, 1849.

On motion, the Secretary was requested to transmit a copy of the proceedings of this convention to the Editors of the State Sentinel, and Pioneer, with a request that they be published in their respective papers.

On motion the Convention adjourned *sine die*.

JOHN KNIGHT, President.

G. A. GORDON, Secretary.

THE PUBLIC DOMAIN.—From the report of the Commissioner of the General Land Office, it appears that the public domain comprises, as nearly as can be estimated from official data, 1,442,217,197 acres. This much remained of the property of the country on the 30th of Sept. last, after having disposed of 142,026,003 acres. The States in which portions of this domain lie are, Ohio, Indiana, Illinois, Missouri, Alabama, Mississippi, Louisiana, Michigan, Arkansas, Wisconsin, Iowa and Florida. The great body of it lies in the Territories west of the Mississippi river and east of the Rocky Mountains, and in Oregon, New Mexico and Upper California.

The quantity remaining indisposed of in the several States is as follows:

	Acres.
Ohio,	875,465
Indiana,	3,572,645
Illinois,	15,693,076
Michigan,	25,097,296
Wisconsin,	28,863,763
Iowa,	29,869,038
Missouri,	29,766,740
Arkansas,	27,669,207
Louisiana,	23,677,775
Mississippi,	11,815,040
Alabama,	17,516,346
Florida,	36,137,137

The surveys have been almost or entirely completed in Ohio, Indiana, Illinois, Arkansas, Mississippi, and Alabama; and they are rapidly drawing to a close in Michigan, Missouri and Florida.

There have been brought into market during the past year, 9,459,741 acres. It is estimated that about 9,113,400 acres will be proclaimed for sale during the present year.

In 1847 the quantity of land sold was 2,521,305 acres; and the amount of purchase money was, $3,296,404 08. During the first three quarters of 1848, the quantity sold was 1,448,240, and the purchase money was $2,030,648. The whole quantity disposed of during these periods, *by sale and location of bounty land warrants*, was 5,887,550.

The whole number of Mexican War warrants issued up to Nov. 30, 1848, was 43,174, embracing 6,505,960 acres of land. The whole number of regulars and volunteers entitled to bounty lands is about 90,000 men. It results, therefore, that 46,826 warrants remain to be issued.

The estimated receipts of cash, on account of the sales of public lands, for the fiscal year ending 30th June, 1849, are stated at $2,834,700; and of the fiscal year ending 30th June, 1850, $2,407,500.

Under the act of July 11, 1846, the whole of the reserved lands in the States of Illinois, Arkansas, Wisconsin and Iowa, supposed to contain mines of "*lead ore*," have been offered for sale at public auction, and but a very small proportion sold as "mineral lands." The portions still remaining unsold have become subject to "private entry," at the ordinary minimum of $1 25 per acre; and the leasing system has been entirely abandoned, as unprofitable to the government, and injurious to the settlement and improvement of the country.

The sales of the mineral lands in the Lake Superior district, in Michigan, and in the Chippewa district in Wisconsin, have fallen short of what had been anticipated. There have been sold 8,480.88 acres, amounting to $26,242 37. It is recommended that the price of those lands be reduced to the ordinary minimum price of $1 25 per acre.

The extension of the pre-emption privilege is recommended, to all actual settlers on public lands, whether surveyed or not, to which the Indian title has been extinguished.

The cession of swamp lands to the States in which they lie, is recommended; also a like cession of all public lands when the quantity remaining in the State does not exceed one million of acres.

The question of the boundary between Missouri and Iowa is still pending before the Supreme Court; and in relation to those between Arkansas and Louisiana, and between Georgia and Florida, no action has yet been had by Congress.—*Jour. of Com.*

Calumny is like the wasp which worries you, and which it is not best to try to get rid of unless you are sure of slaying it; for otherwise it returns to the charge more furious than ever.

THE MARKETS.

CINCINNATI, Dec. 30.—Flour—The market is steady with but moderate sales—to-day 50 brls from railroad at 3 77; 50 do from store at 3 85; 300 do at 8 30; 500 do lined and delivered at 3 88.

Provisions—The market is rather stagnant for most descriptions, and no sales have transpired excepting from the block—1400 pieces Hams at 5¾; 800, 500 and 200 do do at 5½; 2000 do do at 5c, short time; 600 pieces Shoulders, superior, at 2¾c.

Cattle—Prices now range from 3 50 to 4 50 per 100 lbs. net, according to quality—$4 25a4 50 being paid for superior by butchers.

Hogs—The tendency of prices is still downward, with very little disposition to buy. The intelligence received on Thursday evening and to-day from New Orleans, in regard to the cholera, has produced a good deal of anxiety in regard to the derangement of business, parties, in many instances, positively refusing to extend their business until the prospects are brighter. The sales reported are 42 head from wagon av wt 300 lbs at 3 50; 102 do from river av wt over 200 lbs at 3 25; 37 do from railroad av wt 220 lbs at 3 25; 260 do div. on 200 lbs at 3 10a3 25; 60 do drove, av wt 230 lbs at 3 20; 230 do av wt 210 lbs at 3 20; 462 do at a price above $3—how much we could not ascertain—a low figure.—*Gazette*.

We advise our readers to give but little heed to any of these "cholera" reports. The "collapses" are quite as likely to be designed to affect the market, and the sellers' pockets, as for any thing else.

Free Soil State Convention.

The *Free Democracy* in the various counties of the State are requested to meet immediately and appoint delegates to attend the Free Soil State Convention to be held on the 18th of January, in Indianapolis, to nominate a candidate for Governor and Lieut. Governor. No time is to be lost. As matters of importance to the Free Democracy will be discussed, it is hoped that where no delegates are regularly appointed, the friends of Free Soil will come up *en masse*.

Scarlet Fever.

On the first attack of this disease, the fauces generally become inflamed, soon succeeded by greyish sloughs, which renders the breath fetid—the parotid and other glands swell, tumefy, and suppurate. The tongue, teeth and lips are covered with a brown or blackish incrustation, the eyes red and dull, deafness, delirium, coma, and, when malignant, death frequently closes the scene. No form of mercury, no, any medicine that excites the mucus membranes should ever be given in this disease, as the inflammation generally contrains these membranes, particularly the fauces, parotid and other salivary glands. The *primæ viæ* should be immediately evacuated, and we know of nothing so well adapted to this as Dr. Bragg's Indian Queen Vegetable Sugar-Coated Anti-Bilious Pills, which operate thoroughly without irritating. Cooling drinks should be given freely, and frequent bathing with cold water has the happiest effect. Follow up with the Tonic pills for a few days to restore the system to healthy action, and sound health will soon be established. A trial will satisfy any one of the entire efficacy of this course of treatment.

☞ The columns of the press throughout the country seem to be filled with notices of cures and specifics for all diseases flesh is heir to, that one scarcely knows what to do in case of disease, for fear that in using one medicine, another and better may be overlooked. But from the remarkable cures, high order and vast amount of testimony daily brought under our personal notice of the extraordinary efficacy of DR. ROGERS' LIVERWORT AND TAR, we are compelled to regard the evidence of our senses, and confidently state that for COUGHS and COLDS, and that HYDRA headed MONSTER CONSUMPTION, we think this preparation safe, speedy and certain cure. At all events we may say to our friends—try it.
