MEDICAL HOUSE, No. 52 Customhouse street, near Royal st.—For the Cure of Old Chronic, Mercurial, Syphilitic and all Private Diseases, without Mercury, hindrance from business, or exposure to friends, and a cure guaranteed in all cases.

The unparalleled success which has attended Dr. James' practice in all parts of the United States and Europe—the many remarkable cures he has effected, which were pronounced incurable by the most eminent physicians, justifies him in offering his services to the confidence of the unfortunate. The following are some of the diseases termed "Private," and of which, in conjunction with newly discovered Remedies, Dr. James performs a cure, namely: Syphilis, primary, secondary and tertiary, Strictures, Urethral Blackwater, Gleet, Gonorrhœa, Nocturnal Emissions, Periodical Affections of females, however complicated they may be, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, Rheumatism, Hydrocele, Cancers, Ulcers, Tumors and all Diseases of the Skin.

Dr. James would also call the attention especially of those who have privately and improperly injured themselves in their secret and solitary habit which ruins the body and mind, unfitting them for either business or society, viz: Constitutional Debility or Impotency. The following are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of Back and Limbs, Pain in the Head, Dimness of Vision, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervousness, Irritability, Symptoms of Consumption, etc. Mentally, the fearful effects on the mind are more to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, etc., are some of the evils produced.

All persons afflicted with any of the above symptoms should not fail to call on Dr. James and be at once restored to perfect health; let no false delicacy deter you, but call or write at once and save yourself from the awful and dreadful consequences of this terrible malady.

Weakness of the organs immediately cured, and full vigor restored.

Remember, "The Medical House of Dr. James!" is 52 Customhouse street.

Private and separate rooms reserved. Hours of attendance from 8 A. M. to 8 P. M.

Consultations strictly confidential.

P. S.—Recent cases of Gonorrhœa cured in twenty four hours, or no pay.

DR. JAMES,
n1 1f 52 Customhouse street.

PETIT GULF "MEXICAN" COTTON SEED—This Seed has been CAREFULLY SELECTED, and will be furnished in lots to suit customers.

ATTORNEY-AT-LAW,
COLUMBIA, LA.,
Will practice in the parishes of Caldwell, Catahoula and Franklin. ja16 1y*

DR. J. P. LANGDON MAY BE CONSULTED daily, at his Rooms,
No. 82 CAMP STREET,
Over the Louisiana Mutual Insurance Company.

For all Diseases of the THROAT and LUNGS, also DYSPEPSIA, Diseases of the LIVER, and other complaints combined with or predisposing to PULMONARY DISEASES.

Dr. LANGDON would remind those who may be laboring under incipient or seated affections of the Throat and Lungs, of the importance of giving themselves timely attention, as it is only when taken in seasonable time that these diseases can be treated with a certainty of success.

As Dr. L. is accustomed to deal frankly with his patients, none need apply who are afraid to learn their true condition and probable chances of recovery.

Consultation in all cases gratuitous. d29 1f

A NEW DISCOVERY—THE GREATEST AND MOST WONDERFUL IN THE WORLD.

SARSAPARILLA LOZENGES,
Simple and Compound.

Prepared by N. HERBU, Druggist and Physician.

Superior to all Syrups, Decoctions, Syrups and Extracts so named, and to all vegetable medicines heretofore known.

I have for a long time thoroughly investigated the idea of a general therapeutic agent, susceptible of being applied to all diseases, the development or operation of morbid principles of which proceeds from an internal cause, either in the blood or any of the organs.

A careful and uninterrupted analysis of the animal, vegetable and mineral kingdoms had induced the hope that I could bring about such a result, and, thanks to my indefatigable research, it is now obtained.

I have found in some vegetables the necessary means for this grand idea, which is based upon an oleaginous principle of Sarsaparilla, combined with Iodine and Iron. Such is the discovery which I have the honor this day of advertising. The form of Lozenges has been given to it, because its nature precluded the possibility of other forms; and I have divided it into simple and compound Lozenges, in order that they might be given to children as well as adults.

My first experiments were made privately, and remained unknown until wonderful results had satisfied me that I had succeeded, and that the charge of quackery could not be brought against me.

The attention of physicians and of the public is called to these Lozenges, in order that every one may witness the admirable results of the same.

GENERAL EFFECTS.

Testified to by upwards of a thousand persons.

The stomach is cleansed, the blood is purified and renovated by removing all impurities from the precious current and fluid.

SPECIAL EFFECTS.

1. Prompt and radical cure of all diseases generally.
2. Persons who have used these Lozenges have never had the cholera nor the yellow fever.
3. Venereal, syphilitic, hepatic, scorbutical, gouty, rheumatic and nervous affections, are completely cured a few days after the remedy is reserved to.
4. All diseases of the lungs, head, eyes, stomach, bowels and other internal and external complaints disappear entirely, provided the Lozenge; are resorted to.

For sale by the box, with a prospectus, showing how they must be used.

IMPORTANT TO COTTON PLANTERS.—BY which their labor must be Doubled—The undersigned has invented and obtained letters patent from the United States for the arrangement and combination of machinery for converting Seed Cotton into Yarns by one continuous process, from the Gin through the preparation and spinning machinery, until it is ready for shipment or weaving. The saving of COTTON YARNS will be at least from Per Cent., and as exclusive in my process the use of machinery to press the cotton into bales, or its handling at all; and those to open and disentangle it, which are very destructive in their operations on the fibre, but are indispensable to fitness of ginning and spinning as separate manufactures, my YARNS are made of unbroken fibre, and hence will be fully equal to the best Mobile Yarns, at greatly reduced prices, and they will distance all competition in any market.

The undersigned is prepared to dispose of privileges to use his patents and Planters will be informed as to terms, with complete instructions how to use it, how to obtain the best machinery, and all other necessary particulars, on application addressed to me here, or on consultation with
