T. G. LEE, President.

PIKE HAND, Secretary.

Lawrence County Convention.

Pursuant to notice, the several delegates appointed by the different Townships of the county, assembled in convention at the Court House, in Bedford, on Saturday the 7th of April, to nominate delegates to attend the District Convention, to be held at Bloomfield, in Greene county, on the 25th inst., when on motion, R. Carlton, Esq. was appointed President, and ANDREW GELWICK, and ZIBA FOOT, Secretaries.

The President being called explained in a few appropriate remarks the objects of the Convention.

On motion by Judge Newland,

Resolved, That a committe of *five* be appointed by the President to report the names of *ten* democrats from each Township in the county, as delegates to the Bloomfield Convention.

The Committee was accordingly appointed, and afterwards, through their chairman Judge Newland, presented the following names to the convention:

[The names are omitted being so numerous.]

On motion, *Resolved*, That a committee of five be appointed by the President of the convention, whose duty it shall be to report to the convention, resolutions expressive of its views and feelings.

The committee, having been appointed, retired, and in a few minutes returned and reported, through John M. Miller, Esq., their chairman, the following preamble and resolutions, which on motion were unanimously adopted:

WHEREAS, Hon. George W. Carr was presented by the Democracy of Lawrence county to the District convention assembled at Bloomfield, in Greene county, on the 17th day of April preceding the last congressional election, as a suitable candidate for congress, and was by the unanimous voice of that convention selected as such candidate; and whereas, through misunderstanding among the Democracy of the District, a second third and fourth conventions were subsequently called, and assembled at the same place, with the ostensible purpose of healing discord and producing harmony in the party, in neither of which conventions Lawrence county was represented; and whereas, at the last of these conventions, whilst Mr. Carr still held the nomination of the first, and was engaged in canvassing the District, with honor to himself and benefit to the Democratic party, Hon. D. M. Dobson of Owen county, was selected as an additional candidate for congress, and accepted the nomination; and whereas, at the solicitation of Dr. Dobson and his friends, and if possible to heal the petty dissensions which a few scheming partizans, assisted by whigs, had succeeded in creating, and with a view to secure the success of Democratic principles which he viewed as of far more importance, than personal elevation, Mr. Carr withdrew from the canvass; and whereas, the Democrats of Lawrence county, although viewing themselves as improperly treated in the matter, and viewed by other portions of the District with suspicion and distrust, came up so nobly to the work under the most inauspicious circumstances, regarding principles, not men, and gave to the nominee of the fourth convention the full Democratic vote of the county, whilst other counties when no loss was anticipated or feared, faltered and fell back; and whereas, we believe Mr. Carr was justly entitled to have been the Democratic candidate at that election, and was, as he is yet the choice of a large majority of the honest, yet hard working Democrats of the District; and whereas, we have unabated confidence in his fidelity to Democratic principles, his high moral worth as a citizen and his distinguished ability as a Legislator and politician, and believing that the choice of the Democrats of Lawrence county under the circumstances should be respected, therefore—

Resolved, That as the choice of the Democrats of Lawrence county, a long tried and faithful public servant, a practical politician, and an honest man, we recommend George W. Carr to the people of the 6 h Congressional District, as eminently qualified to represent their interests in the thirty first congress of the United States, and to do battle in the cause of Democratic principles in the approaching important political canvass.

Resolved, That whilst we respect and honor him as one whose unaided exertions, and honorable and exemplary course in private life, have raised him to eminence and distinction, his faithful discharge of every public trust confided to his hands, his services in our Legislative Halls for many years, and his efficient support of Democratic measures entitle him to our firmest confidence and warmest gratitude.

Resolved, That our delegates to the District convention be and are hereby instructed to use all honorable exertions to secure his nomination.

Resolved, That the Democracy of old Lawrence will cordially coincide with the decision of that convention, if the same should be a full convention and fairly reflect the will of the people.

Resolved, That we view the present prosperous and growing condition of our beloved country, as the result under a kind providence of so wise and patriotic administration of the affairs of the Government, on the eternal principles advocated by the great Democratic party of the country, and practiced by the "earlier Pre-idents."

Resolved, That we concide with the other counties which have recommended the 25th of April as a suitable and proper time for holding a District convention, at Bloomfield, in Greene county.

Resolved, That the several delegates appointed by this meeting be earnestly requested to attend said convention.

Hon. G. W. CARR being present, took occasion to return to the convention his thanks for the very flattering manner in which the members thereof had been pleased to notice his private and public life

On motion of Judge Hostetter, it was ordered that the proceedings of the convention be published in the Democratic papers in the district and the State Sentinel.

On motion the convention adjourned.
