PURE VEGETABLE EXTRACT
DR. MORSE'S
INVIGORATING CORDIAL

FOR GENITAL DEBILITY, IMPOTENCY, INCONTINENCE, OR NOCTURNAL EMISSIONS, &c.—The astonishing success which has attended this invaluable medicine, for *Loss of Muscular Energy, Physical Lassitude*, and *General Prostration*, or any of the consequences of youthful indiscretion, or indulgence of the passion in riper years, renders it the most valuable preparation ever discovered. In fact, as a remedy for the above complaints, it stands unrivalled and alone. There is no other reliable remedy, or any that has authentically received the sanction of the Medical Faculty. The WONDERFUL VEGETABLE PRODUCTION of which this medicine is composed has been tested, and its virtues proclaimed, by the highest names of the faculty of London, Paris, and the chief cities of Europe, as well as by eminent Physicians in this country. It is the only infallible remedy for NERVOUS, HEAD, and MIND COMPLAINTS—the mental physic so long sought for and never before found—the only agent that can administer to MIND DISEASES. It will remove all nervous affections, DEPRESSION, EXCITEMENT, incapacity to study or business, loss of MEMORY, CONFUSION, thoughts of self-destruction, fear of insanity, &c. It will restore the appetite, renew the health of those who have destroyed it by Sensual Excesses or evil practices. It has been said by some that these disorders, emissions, &c., were incurable. This, however, is not the fact.

DR. MORSE'S INVIGORATING CORDIAL has cured, and is constantly curing, these complaints—relieving the mental and bodily incapacity of the unfortunate sufferer, as the following testimony of the names received will conclusively show:

Dr. Woodward, of ——, Massachusetts Insane Hospital, writes of one of his patients being cured by using this Cordial thus: "It gives me pleasure to inform you that one of my patients, while in Boston, procured some of your Cordial. He tells me that he has not had a single emission since he commenced taking it, while before he had two or three a week. When he applied to me," says Dr. W., "I thought it hardly possible for him ever to regain his full strength. I prescribed the usual medicine used in those cases in the hospital, but they had no effect. In the mean time he purchased some of your Cordial, which has effected a cure I am sure no other medicine would. I shall ever recommend it, whenever an opportunity occurs."

The nature of the maladies relieved by this Cordial are generally such as to leave the publication of certificates of cures out of the question. The proprietor could produce a host of the most conclusive testimony to show that the great reputation it enjoys was not accidentally obtained, but is firmly based upon its positive and apparently miraculous virtues. In all directions are to be found the happy parents of healthy offsprings, who would not have been so but for this extraordinary preparation. And it is equally potent for many diseases for which it is recommended.

THE MEDICAL JOURNALS
have not, in a single instance that has been authenticated, given their sanction to any other preparation for the above complaints. It has, in many violent and desperate cases, effected radical cures, after patients had been abandoned, and their condition pronounced hopeless by medical practitioners of high professional character.

THE COMMON EXPRESSION
of those who have used this Extract is: "I had heard your Cordial highly spoken of, but was one of the incredulous in regard to its merits, having tried various medicines sold for the same purpose, (different Sarsaparillas,) without deriving any benefit. I had almost given up all hope of obtaining relief, when I purchased some of your Cordial. I had no faith whatever of its benefiting me—but it has. I feel stronger, have had no emissions since, although it is not three weeks. I am satisfied that the half a dozen bottles I took will cure me."

Another says: "I had consulted several distinguished physicians. Some said I could not be cured; others prescribed this thing and that; but I found no relief until I procured some of your Cordial. I must say it completely cured me."

Another says: "I was surprised at the effect your Cordial had. Why had I not heard of it before? It would have saved me so much expense, besides years of mental and bodily suffering."

CAUTION.—Ask for *Dr. Morse's Cordial*, and take no other, as there are worthless imitations which its unrivalled excellence, fame, and popularity have brought into the market. It will not hurt the most delicate female, but do good. Beware of all other Cordials, &c., and try only this.

It is put up in pint bottles, with the words Dr. MORSE'S INVIGORATING CORDIAL blown on the glass. Price $5 per bottle; two bottles, $5; six bottles, $12; and $24 per dozen.

N. B.—Important advice accompanying each bottle.

DR. JOHNSTON
PROCLAIMS TO THE AFFLICTED
That he has discovered the most certain, speedy and efficacious plan of treating
SECRET DISEASES
that has ever yet been presented to the world. By his plan, founded on observation made in the Hospitals of Europe and America, he will insure
A CURE IN TWO DAYS,
OR NO CHARGE.
No Mercury or Nauseous Drugs used.

Weakness, Loss of Organic Powers, Pains in the Loins, Disease of the Kidneys, Affections of the Head, Throat, Nose and Skin, Constitutional Debility, and all those horrid affections arising from a Certain Secret Habit of Youth, that solitary practice, more fatal to its victims than the song of the Syrens to the mariners of Ulysses—blighting their most brilliant hopes or anticipations, rendering Marriage, etc., impossible.

A CURE WARRANTED, OR NO CHARGE.

Young Men especially, who have become the victims of *Solitary Vice*, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Office, No. 7 South Frederick street, Baltimore, Maryland, on the left hand side, going from Baltimore street, seven doors from the corner. Be particular in observing the name and number, *or you will mistake the place.*
DR. JOHNSTON,
Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by private and improper indulgences, that *secret and solitary habit*, which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c., &c.

Mentally.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion of Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

NERVOUS DEBILITY.

Weakness of the system, Nervous Debility and premature decay generally arise from the destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its Victims, from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption; also those serious Mental effects, such as loss of Memory, Depression of Spirits, or peculiar fits of Melancholy, when the truth is, they have been caused by indulging in Pernicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to their Country, a pleasure to their friends, and ornaments to Society.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

This grand and important Remedy has restored strength and vigor to thousands of the most debilitated individuals, many who had lost all hopes, and been abandoned to die. By its complete invigoration of the Nervous System, the whole faculties become restored to their proper power and functions, and the fallen fabric of life is raised up to beauty, consistency and duration, upon the ruins of an emaciated and premature decline, to sound and pristine health. Oh, how happy have hundreds of misguided youths been made, who have been suddenly restored to health from the devastations of those terrific maladies which result from indiscretion! Such persons, before contemplating
MARRIAGE,
should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without this, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own. Let no false delicacy prevent you, but apply immediately.

He who places himself under the care of Dr. Johnston may religiously confide in his honor as a Gentleman, and confidently rely upon his skill as a Physician.

TO STRANGERS.

The many thousands cured at this institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers and many other persons, notices of which have appeared again and again before the public, is a sufficient guaranty that the afflicted will find a skilful and honorable physician.

TAKE NOTICE.

It is with the greatest reluctance that Dr. Johnston permits his card to appear before the public, deeming it unprofessional for a physician to advertise; but unless he did so, the afflicted, especially strangers, could not fail to fall into the hands of those imprudent, boasting impostors—individuals destitute of knowledge, name, and character—pedlars, shoemakers, mechanics, &c., advertising themselves as physicians; ignorant quacks, who keep you trifling month after month, as long as possible, and in despair leave you with ruined health to sigh over your galling disappointment. It is this motive alone that induces Dr. J. to advertise, *for he alone can cure you.* To those unacquainted with his reputation he deems it necessary to say, that his credentials or diplomas always hang in his Office.

Weakness of the Organs immediately cured, and full vigor restored.

ECONOMY IN COPYING LETTERS.

DOUGLASS'S CHINESE COPYING INK, without the use of the press, is a great improvement over the usual method by the press, and at about *one-tenth the cost.* A perfect copy can be taken in a minute by the smallest boy in a store; and the ink is durable, and becomes jet black. It is destined to supersede the use of the press, both from its advantage of economy and the distinctness of the transferred copies.

WESLEY AND HIS COADJUTORS.

SELDOM have I taken up a book of biography with which I have been so well pleased and really profited as with Wesley and his Coadjutors, by Prof. Larrabee. Those pure pages sparkle like diamonds, with strange as well as beautiful incidents, touching in turn every chord of the human heart, and arousing its latent energies to deeds of noble daring. Wesley is exhibited as he really was, a most wonderful man; wonderful principally as an agent of Providence in reviving pure religion in the world.

The second volume opens with Charles Wesley, that prince of lyric poets, who is made to pass before the reader so well defined that he seems to see his form and hear his voice, and be thrilled with his sublime hymns, a rich legacy left to the Church in all after time.

Whitefield, the peerless orator and devoted Christian, next appears, with his matchless powers, arousing Great Britain and America with an eloquence and unction that literally bore down all before it, turning the people to God by thousands, till from the most degraded—degraded because forsaken of their religious teachers—plants of righteousness were seen springing up and adorning the garden of the Lord. John Fletcher closes the list of notable worthies in the two volumes before us, and every way worthy is he to do it. He is made to pass along in his own incomparable, beautiful simplicity, with a holiness all but superhuman, possessing talents that an angel might have envied; the acutest and ablest controversialist writer of his own or any subsequent age.—*Zion's Herald.*
