THE DAILY RECORD-UNION.

FRIDAY.....MAY 14, 1880.

SAN FRANCISCO ITEMS.

[From San Francisco exchanges of May 13th.]

Since Judge Rix has been on the bench he has sent before the Superior Court 178 cases of felony.

Duties paid at the Custom-house yesterday was $15,396 82, making a total of $162,556 87 for the month.

The annual session of the California State Homeopathic Society was opened last evening with a large attendance.

The merchandise exports of the week were valued at $486,756—an increase of $39,115 from those of the previous week.

In Judge Ferral's Court to-day the case of Samuel P. Chalfant, charged with the murder of Josiah Bacon, was set for trial June 3d.

The latest sensation in police circles is the reported mysterious disappearance of two Sergeants of Police, accompanied by a pair of soiled doves.

During the month of April 335 cars were loaded with freight from five shipping points in California, and forwarded to the East. Over 300 of these cars took their freight aboard at San Francisco.

The tests of the artesian well at the New City Hall show its capacity is about 6,000 gallons an hour. Pumping at the rate of 8,000 gallons exhausted the well this morning, but with 27 strokes of the engine a minute it gives a steady and undiminished outpour of 6,000 gallons.

During the month of April 3,424 persons arrived here by rail, and 2,762 departed. The arrivals by sea numbered 1,391, and the departures 673. The net gain by both routes was 1,380. Among the arrivals by sea were 611 from China, of which 196 were for Australia and the Hawaiian Islands. The arrivals by rail are the largest since November last, and, as a congratulatory fact, the gain from China this year is only 159, while for the same time last year the gain was 1,419.

COMMERCIAL.

San Francisco Produce Market.

SAN FRANCISCO, May 13th—1 P. M.

FLOUR—We quote the various brands as follows: Best City Extras, $5 75; Bakers' Extra, $5 50@5 65; Superfine, $3 50@4; interior Extra, $5@5 50; interior Superfine, $3 50@4; Oregon Extra, $4 50@5; choice do, $5@5 25; Oregon Superfine, $3 50@4; Walla Walla Extra, $5@5 50 ₱ bbl.

WHEAT—Beyond the sale of 440 ctls good milling at $1 60 ₱ ctl, there is nothing to remark. The Liverpool market is reported firm, without any change in quotations. Recent imports from Oregon have not changed hands, so far as we can learn. We quote No. 1 at $1 57½@1 62½; No. 2, $1 50@1 55 ₱ ctl.

BARLEY—Was a little more active to-day, though not much strength was exhibited. Sales include 1,000 sks bay feed, 70c; 1,500 do bright do, 70@72½c ₱ ctl. Brewing is quotable at 80@90c; feed, 70@75c; Chevalier, $1 30@1 50 for choice bay, and $1@1 25 for coast.

OATS—Transactions do not assume any magnitude. Sale of 100 sks fair Humboldt feed, $1 45 ₱ ctl. We quote: Humboldt, $1 40@1 60; Coast, $1@1 25; Oregon and Washington Territory, $1 20@1 40; Surprise, $1 55@1 67½ ₱ ctl.

HAY—Cargo lots on the wharf range from $6 to $13 ₱ ton.

BUTTER—Supplies are coming in slowly, and dealers do not expect very heavy arrivals for the remainder of the week. Prices are quite firm without any positive advance. Fancy dairies may sell a little above our quotations, and perhaps under special conditions some ordinary grades might bring a trifle over current rates. Good to choice is quotable at 17@19c ₱ lb; inferior to ordinary, 15@17c, inside rate for mixed lots from country buyers. New Keg is quotable at 18@21c ₱ lb. For shipment the cost of packing has to be added.

CHEESE—We quote California at 10@12c ₱ lb. Small arrivals of Eastern creamery are quotable at 22½c ₱ lb.

EGGS—We fail to hear of any change. Possibly 17½c might be paid for a choice lot of selected, though we obtain no sales at that price. We quote California, 16@17c; Eastern, 16c ₱ dozen.

WOOL—Despite the encouraging accounts of public sales in London, the market in Boston is reported as unsatisfactory. Buyers were holding off and prices were nominal. This condition of things has a certain influence on operations here, as buyers under the circumstances are deterred from operating as freely as might be expected. We quote: 18@20c for burry, 21@22½c for slightly burry, and 23@25c for free southern and San Joaquin; choice northern is quotable at 27@28c, and Eastern Oregon at 23@26c ₱ lb.

Eastern and Foreign Markets.

NEW YORK, May 13th.

BREADSTUFFS—Flour is steady; Wheat is buoyant; latter at $1 22@1 29.

WOOL—Dull.

GROCERIES—Rio Coffee is quiet, at an advance of ¼c. Refined Sugars are fairly active and slightly higher, closing firm. Teas are extremely dull.

FRUIT—Raisins are irregular in prices, which are in buyers' favor. Prunes are unsettled and depressed, the arrivals being in excess of demand, and there is a pressure to sell. Old, 5c; new, 6c.

CHICAGO, May 13th.

WHEAT—$1 13½ for June.
BACON—⅋ 45 for short rib sides.
PORK—$10 37½ for June.
LARD—$6 97½ for June.

LIVERPOOL, May 13th.

WHEAT—Good to choice California, 9s 10d to 10s 4d.

FREIGHT REPORT.

From J. C. Stubbs, General Freight Agent, we have the following statement of East-bound freight per Central Pacific Railroad for April, 1880:

FROM SAN FRANCISCO.		FROM SACRAMENTO.
