FALL FESTIVITIES.

St. Louis Extends a Cordial Welcome to All.

The city of St. Louis has become famous the country over through the agency of her annual Fall Festivities, and from that source has gained the sobriquet of the "Carnival City of America."

For the season of 1892 all previous efforts in the line of entertainment will be eclipsed. The great St. Louis Exposition will throw its doors open to the public Wednesday, Sept. 7, and will continue to entertain and delight thousands during a period exteading over forty days. One of the chief attractions announced by the management is the engagement of Colonel P. S. Gilmore and his world-renowned band, one hundred strong. The illumination by gas and electricity of the streets will extend over a larger area and be on a grander scale than any similar exhibition ever attempted in the world. The thirty-second great St. Louis Fair and Zoological Gardens, Oct. 3 to 8, whose fame has been heralded broadcast, will be one of the main attractions of that week, and, as has been customary for the last thirteen years the Veiled Prophet will again appear in his favorite city, on the evening of Tuesday, October 4. The hotel accommodations of St. Louis have been materially increased since last year and strangers are assured of hospitable treatment.

The Missouri Pacific railway with its vast net-work of lines extending over the states of Missouri, Kansas, Nebraska, Colorado, Indian Territory, Arkansas, the west, south and southwest, in order to encourage travel, have made a remarkably low round trip rate from points on their lines to St. Louis and return during the festivities.
