BOARD OF EDUCATION.

The Board of Education met yesterday at 10 A. M. The examiners of the Grammar schools reported, showing that out of the 53 pupils in the first grade, Sacramento Grammar School, 41 were below 60 per cent. in arithmetic, and but 10 were passed to promotion absolutely, while 15 are conditioned, and 11 are graduated by reason of being two years in the class. All the failures but two were in arithmetic. In the Capital Grammar School, first grade, 24 passed out of a class of 27, and 2 are promoted as two-year scholars.

Mr. McDonald of the Sacramento Grammar School referred to his request for a re-examination of some of his first-grade scholars. He believed his pupils qualified to enter the High School, and that they had not done themselves justice. The pupils had successfully worked out the hardest examples and missed the easiest. He thought the class could do itself justice if it was afforded an opportunity, and hoped that the Board would prepare a new set of questions for another examination—at least in arithmetic—in which study the records of the scholars during the year showed that they were above the required standing. He thought that if another opportunity was afforded the class would show that they could come up to the required average.

Director Tracy objected to the strain of a second examination. He thought the scholars had not done themselves justice; also that they had been led to look forward to the examination with great dread and terror, and, so far as he could learn, the teachers were to blame for this condition of affairs and were at fault in the matter. He then moved that the report of the examination of the grade be referred to Professor McDonald and Misses Watson and Weeks—the teachers of the class—with instructions to report to the Board to-morrow evening as to which pupils were competent to pass—said report to be based on the yearly averages of the scholars in conjunction with their averages at the recent examination. The resolution was adopted.

President Griffitts referred to a rumor that copies of the questions had been in possession of Grammar School scholars prior to the examination. Several Directors stated they had heard a like rumor, but could trace it to no definite source. The expression was that such a thing could not be, as the questions were not printed until the day before the examinations.

It was ordered that the closing exercises of the Sacramento Grammar School be postponed until further orders.

The Board then adjourned until this evening at 8 o'clock.

BROUGHT IN FINALLY.—Local officer Coffee, who went to Wheatland yesterday to inspect the individual who had been found traveling on the railroad track handcuffed and was arrested; and see whether he was the man that made the mysterious escape under perplexing circumstances so distressingly recent at Rocklin, and who was supposed at the time by the officers in charge to have vanished in thin air with the last fumes of hot Scotch, and had left fleeting earth—as was remarked, he went to see if he had really came down again and that this was the man. It took but one glance to convince him of the fact, for there were the officer's own bracelets on his wrists, just as he had so securely placed them, and which he had come so near losing. He found that the prisoner, McGregor, was first seen by some boys about half a mile from Wheatland, whom he tried to get to help remove his handcuffs, which still remained as when he made the escape; but the boys were afraid or refused to do so, and he then told them not to tell anybody about him and went on towards Marysville. The boys reported the matter, however, and Deputy Sheriff Bevan went in pursuit, and although he had left the railroad and taken into the fields, he was tracked in the soft earth by the officer and captured. After Coffee had recognized his man yesterday, he avoided all detracting themes or propositions to "kill time until the train come," and when it came he seated his prisoner in the car with exact attention, and then sat down 223 pounds weight on his coat tail uncomfortably high up, where he remained until the engine whistled for China slough, when he made rapid strides, with his prisoner in both hands, for the station house, and made his deposit with a satisfactory exclamation—"There, now see if you will play Rocklin again."

POLICE COURT.—The following cases were disposed of yesterday in the Police Court: George Kuchler, misdemeanor, continued until to-day, on defendant's motion; Charles Wells, for vagrancy, withdrew plea of not guilty and pleaded guilty—sentenced to 20 days in the County Jail; Wm. Wilkinson, grand larceny, for robbery in Fox's Hotel, and John Sullivan, attempt to rob officer Campbell, held to answer with bail at $500 each, in default of which both were committed to the County Jail; Delia Gallagher, disturbing the peace, and Charles Wetzlar, for battery, continued until to-day; Ed. Kitterick and Ed. Hennessy, for battery, cases dismissed for want of prosecution, the affair having occurred outside of the city limits; Wm. Kesty, a drunk, being new in the business, was allowed to depart upon payment of $3 50, and with a warning not to be seen in court again. He paid and left instanter. The case of Jack Dowd was commenced at 1 P. M., Judge Gilmer presiding, and at half-past 4 adjourned until 1 P. M. to-day.

FIRE ALARM.—An alarm of fire was turned in yesterday morning from box 35, corner Seventh and J streets, which proved to be only the burning of some brush and rubbish piled up against a board fence in rear of the city library building, which had been set on fire by some children, but the fire department was out as promptly and ready for business as if it had been a five-hundred-thousand-dollar blaze.

CITY FREE LIBRARY.—The Librarian of the City Free Library, Miss Hancock, makes the following report of books drawn, etc., during last week: Whole number of books drawn, 737; number of works of fiction, 624; history, 17; biography, 11; travels, 15; literature, 31; poetry and drama, 8; theology, 11; science, 18; average number drawn per day, 105; daily average attendance, 51.

DEATH OF MRS. CONLEY.—Mrs. Katie Conley, formerly Miss Craig, of this city, whose husband held a position at San Quentin, died very suddenly at that place, and her remains were yesterday brought to this city for interment. The funeral will take place this morning at 10 o'clock, from the residence of her parents on L street, between Seventh and Eighth streets.

INTERNAL REVENUE TAXES.—It should be borne in mind that this is the last week allowed by law for payment of internal revenue taxes, and all not paid by Saturday night will have 50 per cent. added. The Collector is allowed no discretion in this matter, but must comply with the law.

FREIGHT MOVEMENTS.—The following car loads of freight were received yesterday: Three of lumber, 11 of wood. The following car loads were sent East: Five of wool, 1 of cotton, 1 of sugar, 1 of hides, 2 of lumber, 2 of machinery, 1 of coffee, 2 of salmon, 1 of canned goods.

NOTARIES PUBLIC.—Governor Perkins has appointed the following as Notaries Public: H. P. Scott, for Humboldt county, to reside at Orleans Bar; D. P. Macarter, for Inyo county, to reside at Lone Pine; J. O. Heritage, for San Benito county, to reside at San Juan.

THERE were at least two thousand people turned away from the Red House last evening—could not be waited upon.

THE great rush at the Red House still continues. Prices tell; they lead, and other houses follow.

A MAY FESTIVAL.

There was a genuine May festival at Turner Hall last night. It is true it came late in the month, but the month has been late itself, and could not be allowed to escape without a flowery festival. The celebration was one of the most charming. The participants were the children of St. Paul's Sunday-school, and the management was in the hands of Mrs. J. H. Carroll, aided by ladies of the church, and some not of that church. They have occasion to congratulate themselves upon a success, and upon having warmed the cockles of many an old heart, abraded and hardened by contact with the world; warmed them and awakened them to joyful memories of youth, by bringing into beautiful groupings some fifty or sixty little children, who were literally clothed in flowers, whose heads were crowned with floral wreaths, whose waists and bodies were clasped in the embrace of rose festoons, the twining of honeysuckle, jasmine, and many a rare festoon of rich and fragrant flowers. The stage was dressed with flowers, and in the center stood the throne and canopy of the May Queen. When the audience had assembled the children, scattering flowers thick upon the floor, formed a floral path from the door to the stage, over which they marched singing songs of joy. Once grouped on the stage the Queen was crowned midst song and showers of roses, and then the "Herald" called on the flowers of spring and summer, and the fruits and grain of autumn, and the leaves and mosses of winter to pay tribute to the Queen of May, and it was done by a host of little ones representing the growth of the seasons, who recited their parts in verse and demeaned themselves on the stage in the most charming manner. Then, the Queen having responded, sixteen of them marched to the May-pole, hung with ribbons, and went through the mazes of the old-time May-pole dance. Then the Queen and her miniature court and a long train of retainers marched out, and the festival ended, but the little ones returned to the hall and joined in dancing, the floor being yielded to them by the adults, who were well content to look on.

The leading characters in the festival were taken as follows: May Queen, Carrie Wadilove. Maids of Honor—Flora Carroll, Emma Clark, Daisy Davis, Lillie Wilcox, Jennie Gallatin, Mamie Carroll. Heralds—Aaron Powers and John Nelson. Flower attendants—Mary Mott, Edna Hinkson, Nellie Wilcox, Laura Clark, Etta Birdsall, Lelia Carroll, Bertha Gerrish, Sophie Sullivan, Lelia Lefwich, Louisa Milliken, Lulu Steffens, Dottie Thorpe, Phoebe Brown, Blanche Spear, Carrie Pratt, Eva Murray, Minnie Richardson and Clarence Hayford. Autumn grain—Matie Hall. Winter—Edna Wright. Little flower bearers—Julia Mott, Hiller Allen, Baby Steffens, Johnny Sheehan, Maude Chittenden and Nellie Woods. May-pole dancing couples—Gracie Gallatin and Robbie Richardson, Tutie Berkey and Bertie Gallatin, Carrie Taylor and Aaron Powers, Olive Maydwell and Eddie Lynn, Dottie Steffens and Eddie Brown, Gertie Allen and Baldwin Mott, Lizzie Guinean and Georgie Lavenson, Florence Wilcox and Guy Maydwell.

CLOSING EXERCISES.—The closing exercises of Ungraded School No. 2, Miss Jones, teacher, took place yesterday in presence of many visitors. The record of the school stands very high and the exhibition was exceedingly creditable to the children and their teacher. The progamme was quite lengthy, and embraced declamations, songs, choruses and exercises in several studies. These pupils took a prominent part: John Ray, Julia Bluit, Flo. Atchison, John Slaughter, Ella Bluit, Amelia Graham, Norris Emory, Fanny Grubbs, Maud Fletcher, Willie Slaughter, Honora McFee, Lottie Emory, Eugene Small, Fanny Ray, E. J. Johnson, L. Small, O. Murrel, Jennie Thomson, Nellie Gash, W. Williams, Mamie Murrel. Messrs. F. A. Hornblower, A. C. Hinkson, Small, Lewis, Johnson and Fletcher, addressed the scholars at the close on distribution of the diplomas.

POCKET BOOK LOST AND FOUND.—A gentleman by the name of Mr. Grainer, formerly a resident of this city, and just returning from the East en route for San Francisco, stopped in town for a day or two to see old acquaintances, yesterday lost his pocket-book containing about $340 in greenbacks, upon the street, probably by failing to put it into his inside vest pocket when he supposed he had done so. The purse was afterwards found by Albert Mead, residing at the corner of H and Twentieth streets, and one or two other young men, and left at the Sacramento Bank. Soon after losing it the owner reported the loss at police headquarters, and supposed he had been robbed in a saloon on Front street, but during the evening the fact of its having been left at the bank was ascertained, and he will call for his lost treasure at the opening of business hours this morning.

CHURCH SOCIAL.—A pleasant social was given last evening by the ladies of the Presbyterian Church to an appreciative audience. The following programme was rendered: Trio from "Bellisano," Mr. and Mrs. Cooper and Beaumont; piano solo, Miss Lizzie Griffin; duet by Mrs. Cooper and Mrs. Allen, "See the Pale Moon;" solo, Mrs. Belle Allen, "Give Me that Flower;" solo, W. D. Crowe, "Let Me Like a Soldier Fall;" declamation by J. M. Wright, "Fight of the Pass del Mar;" solo, J. F. Cooper, "O, ye Tears," by Abt; solo, Mr. Wright, "Friar of Orders Gray;" duet, Mr. and Mrs. Cooper, "When I Know Thou Art Near Me." After the musical and literary exercises refreshments were served, and the entertainment throughout proved a very social and pleasant one.

THE FIRST CASE.—The first case under the recent order of Chief Karcher, for the police to notify all male persons not having any known reputable means of obtaining support and hangers-on to houses of ill repute, to leave the city, and if not complied with, to arrest them, came before the Police Court yesterday in the person of Chas. Wells, arrested on L street by officer Ferral. He had been notified, but defiantly refused to leave. When before the Court he at first pleaded not guilty, but subsequently changed it to guilty, as to the charge of vagrancy, claiming he could not get work, but also claiming that the woman is his wife. He was sentenced to twenty days in the County Jail, but was withheld on the ground that they both leave the city within twenty-four hours and do not return.

LITERARY SOCIETY.—A correspondent from the Sylvan School District writes: "The Sylvan Literary Society closed on Friday evening, May 21st, to be reopened on the first Friday in October. The attendance was very large, and several names proposed for membership. The President, in the course of his remarks, spoke in complimentary terms of the RECORD-UNION for its favorable mention and criticism of the efforts and success of literary societies in the rural districts."

KEARNEY'S CASE.—A rumor from San Francisco reached here yesterday that the Supreme Court had ordered Kearney's discharge. Go from home to hear the news. No such order has been made, but it is possible and probable that a decision in the case will be declared to-day, or at latest, to-morrow.

MERCHANDISE REPORT.—The following carloads of freight arrived in Sacramento during the past twenty-four hours: Two of wheels, 14 of wood, 3 of lumber, 1 of scrap iron, 2 of hides, 1 of lime, 1 of sheep, 1 of hogs, 1 of corn, 1 of coal, 1 of oranges.

WILL BE CLOSED TO-MORROW.—Our store will be closed on Friday, in order to mark down prices on all our goods, previous to our great reduction sale. We refer you to our advertisement in this paper. S. Lipman & Co., Fifth and J streets.

BRIEF REFERENCE.

The wind was still north yesterday, but had largely abated in its strength. This siege of a norther has had rather of a delightful cool in its make-up, which at this season last year was like a furnace, but the vast area of water over which it now passes, and green grass and fields in place of dried-up ground and vegetation, gives us the delightful difference.

The incline across the gutter from the walk to the street crossing at the corner of Eleventh and K has been missing for some time and should be attended to, as it is liable to cause accidents to persons passing in the dark. There is also a bad hole from a broken plank in the walk on Front, between K and L streets.

It is said that the water on the road to Arcade Grove by way of Lisle's bridge is so high as to make travel with carriages very hazardous, and that yesterday a horse attached to a vehicle passing over that road was compelled to swim through.

The Coroner's jury in the case of Mrs. P. Bonetti, near Swiss Station, after hearing the testimony of witnesses, and of Dr. Nelson, rendered a verdict that she came to her death by cutting her own throat with suicidal intent.

J. Marion, employed in the pattern department at the railroad shops, got knocked down and considerably injured yesterday by a piece of timber flying from a saw and striking him in the breast.

The revival meetings being held this week at Calvary Baptist Church by Rev. Dr. De Witt and Professor Maxham are large attended. They will close to-morrow evening.

The railroad employes in this city were made happy yesterday by presence of the pay-car and receiving their monthly ducats.

The river continued to fall yesterday, and last evening stood at 22 feet 8 inches—two inches lower than the night before.

The Odd Fellows leave this morning at 8 o'clock for their annual picnic, to be held at Arcade Grove.

In the fifth, sixth and seventh grades promotion diplomas were distributed yesterday.

There is a telegram at the Western Union Telegraph Office for Albert Walters.

GENERAL NOTICES.

For the cure of Rheumatism and kindred affections, we are satisfied that there is no medicine or treatment equal to the use of BRISTOL'S SARSAPARILLA and PILLS. The cures performed by those two remedies have astonished even us, with all our knowledge of their virtues, and we venture nothing in saying that they are absolute specifics in this class of diseases. m27-1t

Good for the Complexion!—Beneficial to the Skin!—A Sure Cure for Poison Oak, and all Diseases of the Skin and Scalp; also, a First-class Shaving Soap.

TESTIMONIALS:

SAN FRANCISCO, August 27, 1879.
TO THE STANDARD SOAP COMPANY—Gentlemen: I received a package of your SOAP (Phosphate Soap), and it gives me great pleasure to testify as to its superior excellence. As a TOILET SOAP I have never seen anything to surpass it. It also possesses superior remedial qualities. I have used it in two cases of obstinate skin diseases, one of intolerable itching, Pruritus, the other an Eczema. In both great relief was obtained. Its emollient properties are remarkable. Respectfully,
W. A. DOUGLASS, M. D.,
No. 126 O'Farrell street.

FORT VERDE (Arizona), Dec. 12, 1879.
TO THE STANDARD SOAP COMPANY—Gents: Having received your box of PHOSPHATE SOAP, and having used only one cake of SOAP out of the three, I am happy to say that it has completely cured my sore eyelids, which was caused by the alkali dust in Idaho Territory, in 1877, and have been sore ever since until I used PHOSPHATE SOAP.
CORPORAL DENNIS BURKE,
Twelfth Infantry.

OAKLAND (Cal.), April 5, 1880.
STANDARD SOAP COMPANY—Gents: Some two or three months ago, I had a boy about two years old that had suffered for a year with a severe eruption on the head and face, caused by teething. The child was in such misery that it would often be awakened out of sleep by the severe itching. He would then scratch his head and face until the blood ran from the scabs. We tried everything we could find, but nothing seemed to give any permanent relief until we tried PHOSPHATE SOAP. Before we had used one cake, the child's head and face were entirely healed, and there has been no appearance of the disease since.
