Maxim & Gay Co.

ESTABLISHED TWO YEARS. INCORPORATED BEFORE THE PUBLIC EVERY DAY.

Capital, $50,000. Reference, State Nat'l Bank of New Orleans.
928 Canal St., New Orleans, La. 280 Broadway, New York.

SPECIAL NOTICE

The Maxim & Gay Company believes it judicious at this stage of its long and useful career to point out to the unsophisticated that there is nothing in common between methods of the Maxim & Gay Company and those of the so-called get-rich-quick turf concerns which recently went to smash and buried their promoters in obloquy. Our methods are strictly honest, are founded on business principles, and have long since been endorsed by the most prominent and influential racing men of the country. We engage the best force of track experts money can bring together and spend as much money as we can consistently to unearth stable secrets. This information we have sold for nearly three years to thousands for $10 per week, and to play this information at New Orleans we have for the first time in the history of the company invited our friends and the racing public generally to send us their money to bet for them. We never did it before. The necessity for this sprang from the fact that if our experts' selections are not kept secret at New Orleans before the races are run, the information would prove almost valueless from a betting standpoint. We are pleased with the results of our experiment and the country's racing votaries attest their gratification by their growing patronage. The Maxim & Gay Company is in the legitimate business of buying and selling information on running events. It does not guarantee anything beyond the one fact that clients acting under its guidance are always furnished with the best information obtainable in the race courses.

We put our subscribers on the same footing with owners, trainers and the heaviest betters at any track where we operate. We know as much as the most knowing, and market that information to individuals at ten dollars per week. In effect our system is to syndicate the information for which we pay a price beyond the means of any single individual operator on the turf. Needless to say, we make a handsome profit by the transaction. We guarantee nothing to our clients except that the wagers placed for them are always placed upon those horses which are selected by a corps of the most capable and highest salaried experts obtainable in this country, which is a guarantee that can be honestly made and honestly fulfilled.

The Maxim & Gay Company has a cash capital of $50,000, is built on permanent lines and will survive as long as the American turf endures.

GRAHAM RICE, President.

We Are Going Easy and There's No Chance to Head Us.

Since the New Orleans meeting began we have constantly insisted that here we would put our clients onto the killing of their lives, and we have done so. For six racing days we have been in possession of such information and have so handled the money of our clients that an investment of twenty dollars by us on each of the three daily selections of our corps of experts has netted the subscriber Seven Hundred and Seventy-two Dollars. Clients investing larger amounts on each race have won accordingly.

LAST WEEK'S RECORD COMPLETE

Here follows a complete record of the three daily selections placed by us for our clients for the racing week ending Friday night. Every loser, as well as every winner, is accounted for and a showing is made for the results of a $20 play on each selection.

THREE THOUSAND CLIENTS WITH US

Such a slaughter as this has never been known in the New Orleans betting ring, and it was the following of the Maxim & Gay Company only who got the money at New Orleans last week.

OUR CHERRIES RIPE

We have always been conspicuously successful in picking winners in the closing days at New Orleans. Our clockers and handicappers have never failed us at this particular season here. For the remaining three weeks of the meeting our experts are confident they will have almost every day such winners.

Royal Deceiver.....7 to 1.....Won
Archue.....8 to 1.....Won
Thane.....7 to 1.....Won

If you have not been a sharer with us in this garnering of good things you should get in line while the flood tide is on and prospects so brilliant. No period was ever more propitious. At no time did the problem of picking winners appear more easy than now. Now is the harvest time.

OUR TERMS AND CONDITIONS.

We do not wire our selections to anybody before the races are run, because we must guard against leaks. To get a good price in the betting against our selections secrecy is necessary. As a guarantee of good faith, however, our selections are mailed to all subscribers before the race and bear postmark earlier than the running of the first race we play.

Send us your commissions and we will play them for you through our commissioners in New Orleans and Hot Springs, who guarantee closing odds according to the New York Daily America, the racing authority of America.

Terms for information, $10 weekly, in advance. Commissions handled in multiples of $30 on the following basis: A betting account of $30 insures a $5 play on each of our three horses daily; $60 insures $10 on each, and so on. Always send one week's information fee along with betting account. We play accounts continuously until ordered to discontinue, deducting $10 in advance each week for information fee. Check mailed weekly for profits, with statement of account. If you telegraph your subscription fee and betting account, be sure to send a separate telegram advising us what amount to play for you on each race, and give your full name and address, so we can mail you selections before the races are run on which your money is placed.

SURROUNDED BY MYSTERY

Police Found No Clue to Murderer of Burdick.

SKULL BROKEN TO PULP

Autopsy Showed He Had Been Struck Twelve Times.

Buffalo, N. Y., The slayer of Edwin L. Burdick ,the prominent business and society man who was murdered Thursday night or early Friday morning, is still at liberty. The police and detective forces of the city have worked assiduously on the case for 6 hours, but nothing tangible has developed. The lines upon which the police are now working indicate that their belief is that the murderer will be found among the close acquaintances of the dead man. The district attorney openly expresses the opinion that somebody in the Burdick social circle murdered the man. The circle was composed of a number of married couples, young or in the prime of life. They were intimately acquainted socially. The circle has been disrupted by more or less scandal. In fact, several divorce suits, have grown out of it, according to the district attorney. The finding of a tuft of hair on Burdick's body, which at first appeared to be a promising clue, apparently has fallen flat. Chief of Detectives Cusack says the hair matches Burdick's. Cusack added

"My judgment is that Burdick had an appointment with somebody at his house that night. Whether the person he had a nappointment with was a man or woman we do not know. There are indications that it was a woman, but at the same time it may have been a man."

Mrs. Burdick ,the widow of the dead man, arrived here today from Atlantic City and was closely questioned by District Attorney Coatsworth and Chief Cusack.

"I neither know nor can conjecture anybody who could have committed the murder," said she, "except somebody who had an interest in ending the litigation between Mr. Burdic kand myself."

Late last night two women were brought to the district attorney's office to be questioned.

One was handsomely gowned ,the other seemed to be a maid.

Their examination brought out nothing new, however.

Still later the police found the weapon with which Burdick was murdered. It is a steel-tipped golfer's putter. Where they got it the officials refuse to say at present. It is said there are marks upon believed to be blood stains.

Buffalo, N. Y., Feb. 28.—Mrs. Burdick, the widow of Edwin L. Burdick, who was murdered at his home Thursday night arrived here today from Atlantic City. The police have found the hackman who drove an as yet unidentified man to within a few doors of the Burdick residence about midnight on Thursday night. They regard this as a valuable clue. Another clue in the hands of the authorities is a tuft of hair which was found on the person of Mr. Burdick. It is not of his hair, but whether belonging to a man or a woman, the police do not say.

In the rom in which the murdered man was found the police also found a paper which had been sent to Mr. Burdick by a Cleveland woman containing a story of the granting of a divorce from her husband. The police learned that the woman was in Cleveland Thursday night, and that her former husband is working in New oYrk or some other eastern city. It was learned today that Mr. Burdick, whose business took him on frequent trips out of the city, knew he had been shadowed for some time when out of town. This system of espionage, he had said, had been in effect for some time, and the inference is that it was to obtain evidence if possible for countercharges in the divorce proceedings which had been begun by Mrs. Burdick.

It is also a fact that in one of the trousers pockets of Mr. Burdick's clothing a loaded revolver was found. It had not been used.

The autopsy revealed that facts that there were at least 11 wounds on the head, five of which were so serious that any one would have been sufficient to cause death. The location of the wounds indicated that the victim was in a reclining position when the blows were delivered or that most of them had been delivered after he had been knocked down. Considerable force had been used, but the doctors did not pretend to claim that the force used was greater than might have been exerted by a strong woman. It was evident that the murderer was in a great state of passion amounting to frenzy as the skull had been broken to a pulp in one place and many blows had been struck.

Thousands Have Kidney Trouble And Do Not Even Suspect It.

Do Not Neglect Your Kidneys, Because if Kidney Trouble Is Permitted to Continue, Fatal Results Are Sure to Follow.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

DID NOT KNOW I HAD KIDNEY TROUBLE

"Gentlemen:—About 18 months ago I was extremely sick for three weeks, and when I was able to leave my bed I was left with excruciating pains in my back. My water at times looked very much like coffee. I could pass but little at a time, and then only after suffering great pain. My physical condition was such that I had no strength and was all run down. The doctors said my kidneys were not affected, and while I did not know I had kidney trouble, I somehow felt certain that my kidneys were the cause of my trouble. I procured a bottle of Swamp-Root and inside of three days commenced to get relief. I followed up that bottle with another, and at the completion of this one found I was completely cured. My cure is very gratifying to me.

"MRS. H. N. WHEELER,
"117 High Rock St., Lynn, Mass."

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, and if permitted to continue much suffering with fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable; makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints or muscles; makes your head and back ache, causes indigestion, stomach and liver trouble, you get a sallow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

(Swamp-Root is pleasant to take.)

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford natural help to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

FIND OUT IF YOU NEED SWAMP-ROOT

If there is any doubt in your mind as to your condition, take from your urine on rising about four ounces, place it in a glass or bottle and let it stand twenty-four hours. If on examination it is milky or cloudy, or if there is a brick-dust settling, or if small particles float about in it, your kidneys are in need of immediate attention.

SWAMP-ROOT IS PURELY VEGETABLE

"14 East 129th St., New York City.

"Dear Sirs:—I had been suffering severely from kidney trouble. All symptoms were on hand; my former strength and power had left me; I could hardly drag myself along. Even my mental capacity was giving out, and often I wished to die. It was then I saw an advertisement of yours in a New York paper, but would not have paid any attention to it, had it not promised a sworn guarantee with every bottle of your medicine, asserting that your Swamp-Root is purely vegetable, and does not contain any harmful drugs. I am seventy years and four months old, and with a good conscience I can recommend Swamp-Root to all sufferers from kidney trouble. Four members of my family have been using Swamp-Root for four different kidney diseases, with the same good results.

"With many thanks to you, I remain, very truly yours,

"Oct. 15, 1902. ROBERT BERNER."

No matter how many doctors you may have tried—no matter how much money you may have spent on other medicines, you really owe it to yourself to at least give Swamp-Root a trial. Its stanchest friends to-day are those who had almost given up hope of ever becoming well again.

To Prove What Swamp-Root, the Great Kidney Remedy, Will Do for YOU, Every Reader of the "Eagle" May Have a Sample Bottle FREE.

Arthur Horner and Miss Mage E. Cartwright, both of Oatville, were granted a license to wed yesterday.

Miss M. McPartlin has returned from the east, where she has been selecting her spring millinery stock.

Miss Jennie Gerrard returned from St. Louis yesterday to take the position of trimmer for Warren & Garrison.

Mrs. Warren and Miss Garrison have returned from Chicago and Kansas City where they purchased spring millinery.

I. P. Gribl visited with friends in the city a few hours yesterday while on his way from Chicago to Chickasha. Mr. Gribl is interested in the mercantile business in Chickasha.

Otto Weiss received word yesterday that his brother was seriously ill with pneumonia at his home in Burnett, O. T. Mr. Weiss is well known here and his many friends will be sorry to hear of his sickness.

Another New Store.

Vanarsdall & Houston have formed a partnership and will open a confectionery at 129 East Douglas Wednesday. Both gentlemen are well known and experienced in the business. Mr. Vanarsdall formerly had charge of the soda fountain at the Moore Drug Co. and Mr. Houston held a like position at the Bon-Ton bakery. They have purchased the fine twentieth century fountain from the Moore Drug Co., and have put in new and up-to-date fixtures.

We have just learned that Schroeder & Matthews have secured a long time leaseon the large store located at 218 North Main street, formerly occupied by Singer & Donnell. Increased business has forced Schroeder & Matthews to secure larger quarters. They will carry only new goods and will add largely to their stock, which will then be the most complete in the city. Their success has been largely due to progressive methods and fair dealing with the public. They will occupy the new store as soon as the new fixtures can be put in place, or about March 20.

HOW WEAK MEN CAN BE CURED

After Investigating all Known Methods we Believe There is Nothing to Equal "Calthos"--Cures at Home.

To Prove It, Full 5 Days' Trial Treatment will be sent Free to any Needy Man--Send for it Today.

This paper is authorized to say that if any middle aged or old man who does not feel himself as capable today as when he was in his twenties, or any young man who is not as perfect as he knows he ought to be, will write in confidence to the Von Mohl Co., of Cincinnati, they will be glad to send each man who writes them a full 5 days trial treatment of "Calthos," the great remedy for weak and nervous men, discovered by that celebrated French scientist, Prof. Jules Laborde. This is the very remedy that has cured so many thousands of men of all ages, who through errors in youth, excesses in later life and still other causes, had become weaklings of the most embarrassing kind. It instantly restored to them this power which they had lost, and gave them back again the vigor, confidence and ambition of younger days, and, all privately in their own home. It is the only remedy of its kind sanctioned by the French and German armies, and the Von Mohl Co. has the sole distributing rights for America.

"Look Up! Weak Man, Future has a Gift for You."

There is nothing whatsoever behind this offer to send you a 5 days' trial treatment free. It means that and nothing more. It is no C. O. D. prescription or deposit scheme, as this concern is too large to resort to such nefarious methods. And while others are spending hundreds of thousands of dollars every year in advertising, the Von Mohl Co. puts its spare money into free trial treatments, which it sends out broadcast to all men who send their name and address and in this way they not only prove the value of Calthos, but they do mankind some good. You surely need this great discovery if you suffer from Lost Manhood, Emissions, Prematurity, Spermatorrhea, Varicocele, Enlargement of the Prostate Gland, Lack of Virile Power, Hydrocele, Impotency; if you are bashful, timid in the company of ladies, if you lack confidence in your powers, if you are not socially as attractive as you used to be, if you are getting to be a "woman hater," Calthos will set your blood to circulating to the desired spot, your nerves to tingling with renewed ambition, your muscles enlarged with increasing power; it will stop the drains, create healthy life force, invigorate the flabby parts and make you once again see life as you saw it in your prime, and as every vigorous man sees it throughout life. It will be a permanent cure and accomplished privately in your own home.

You may think you have tried your level best to be cured, you may have spent money on this thing and that without good results, but until you send for the free trial treatment of Calthos and see for yourself what wonderful good it does you, you cannot say with a clear conscience that you have done your full duty to yourself. Calthos has permanently cured thousands who have tried "everything else." It will cure you if only you will be thoughtful enough to send for it. Do so today sure and they will send you free, besides the 5 days trial treatment, many interesting illustrated books on the subject, all in plain wrapper and sealed against inspection. Do not hesitate to write as they are only too glad to do this for any suffering man and you should not rest content until you find out by actual trial if Calthos can cure you. Write today in full confidence.
