WE ARE COMPELLED

—TO MAKE—

An Announcement!

The like of which has never been made before on the Pacific Coast, and under conditions which

HAVE NEVER BEFORE OCCURRED IN SACRAMENTO!

☞ We started in business here in April last, unhearled and unknown, although our reputation was already established in four counties in California. We found, after careful investigation, that here we could benefit the people and satisfy our own reasonable wishes as merchants, those against whom we would have to compete being

Merchants who have not kept prices down as they should or could, but who have relied upon sensations to attract purchasers for their goods.

☞ As soon as we decided to stay, WE PAID CASH FOR THE BUILDING WE HAVE OCCUPIED since our arrival, not expecting that our name and prices would quite so soon be recognized by the public. Our trade, however, has grown so rapidly and strong that we find

OUR BUSINESS NOW DEMANDS

A Building Much Larger

Than the present one. We have to-day in our store a stock that would only find proper space in a building AT LEAST TWICE AS LARGE as we occupy, and our customers are already observing how we are pressed for room. Besides this, our Store is daily crowded with purchasers who require our entire attention from early forenoon until evening. The number of these customers is growing constantly larger, and THE DEMAND FOR OUR GOODS MORE EMPHATIC AND GENERAL.

Our business has really reached that point at which we find ourselves compelled TO ASK A FAVOR OF OUR FRIENDS IN THE COUNTRY, which in itself sounds strange, but becomes necessary for their interests as well as our own. We aim to attend promptly to all who visit us, either for purchases or to examine prices, and in our present premises

We have not the Room or Conveniences

For handling our quickly increasing trade, at the same time giving attention to orders received through the Mail or Express from our country friends. Therefore, as we are daily receiving more numerous orders in this way from the country,

WE HAVE TO ANNOUNCE

That for the present our friends in the interior will do us a favor by abstaining from sending orders to be filled by us in their absence.

WE BELIEVE IN FAITHFULLY SERVING THE PUBLIC

As if their interests were identical with our own, knowing that they will not be slow to appreciate our action.

This announcement is for a short interval only, as we are now making arrangements for the CASH PURCHASE of a piece of property suitable for a business on a much larger scale than we have now.

THE PUBLIC WILL RECEIVE DUE NOTICE when the time comes, and we will then be prepared to fill Country Orders in the most satisfactory manner.

Thanking the people for their readiness to examine our methods and prices, and for their eager sanction of our efforts so far in the reduction of prices in this city,

We remain,

COAST DISPATCHES.

SPECIAL TO THE RECORD-UNION.

CALIFORNIA.

Grand Lodge, F. and A. M.—Land League—The Kalloch Murder Case—Arrivals and Departures.

SAN FRANCISCO, October 11th.—The Grand Lodge of Masons will meet to-morrow at 10 A. M. at Masonic Temple, corner of Post and Montgomery streets, and be in session daily through the remainder of the week.

Several branches of the Irish Land League have been formed in this city.

In Department No. 11 of the Superior Court to-day, the case of I. M. Kalloch, charged with the murder of Charles De Young, was continued to Saturday next, the decision of the Supreme Court upon certain questions relating to the case pending before it not having yet been rendered. As the decision of the Supreme Court will, in a measure, determine the manner in which the case will come up for trial in the Superior Court, counsel on both sides consented to a continuance.

During the past month the overland railroad carried 3,091 passengers East and 2,663 West—a loss of 428. The loss by sea amounted to 393, there being 965 arrivals and 1,358 departures. The net loss by both routes was 821. This is the first month on record in which there was no gain by either route. The excess of departures over arrivals by sea was due to the exodus of Chinese to Honolulu and Hongkong, a loss that will be considered a gain to the State. The arrivals by sea in the first nine months of the present year are 1,251 in excess of the departures, against an excess of 603 for arrivals in the same time last year.

Political Matters.

WOODLAND, October 11th.—The Republican meeting in this city to-night was by far the largest and most successful demonstration of the season. There were at least 800 people present, and the greatest enthusiasm prevailed. The torchlight procession numbered over 300 torches, and was composed of mounted military, the Canal Boys, citizens and Garfield Cadets, which, headed by a band, made a magnificent display. George A. Knight spoke over an hour, and commanded the deepest attention of the immense assembly. He was followed by George T. Bromley, whose speech was also well received. The Republicans are highly elated over to-night's demonstration.

DAVISVILLE, October 11th.—A very large and enthusiastic Republican meeting was held in the hall at Davisville to-night. J. P. Saul presided. Judge Cheney made a logical and elegant speech; also W. W. McKaig, candidate for Presidential Elector.

SHASTA, October 11th.—The Republican Assembly Convention met at Shasta Saturday evening, and nominated C. C. Bush of Redding, Shasta county, as a candidate for Assemblyman from Shasta and Trinity counties.

SAN ANDREAS, October 11th.—Hon. H. F. Page addressed a large and enthusiastic gathering at Angel's last night. He completely annihilated the theory of his opponent on the tariff and Chinese questions.

MERCED, October 11th.—There were political meetings here on Thursday, Friday and Saturday nights of last week. Senator J. T. Farley spoke on Thursday night, Governer Woods on Friday, and Dr. Shorb on Saturday night. The meetings were well attended.

MERCED, October 11th.—At the meeting of the Joint Republican Assembly Convention, held in Mariposa on Saturday last, composed of delegates representing the Republicans of Merced and Mariposa counties, Samuel C. Bates, of this town, was unanimously chosen as the candidate for the Assembly to represent the district.

DIXON, October 11th.—George B. Elliott, Greenback candidate for Presidential Elector, and A. Mussulman, Greenback candidate for Congress, are addressing a moderate-sized audience here to-night. The Greenback vote in this precinct will be very light.

SAN ANDREAS, October 11th.—Todd and Tucker, Greenback speakers, are addressing a fair audience here this evening, and are being listened to very attentively.

LOS ANGELES, October 11th.—A meeting of the Democracy was held here to-night, which was addressed by Senator Farley and Dr. Wozencroft, and presided over by L. J. Rose.

RENO (Nev.), October 11th.—An enthusiastic Republican meeting is being held here to-night. Judge B. C. Whitman is addressing a large crowd in the theater.

Hotel Burned—The Railroad Commission.

MARYSVILLE, October 11th.—The hotel and furniture belonging to Mrs. Lucretia Custer, Brown's Valley, were completely destroyed by fire last night, during the prevalence of a high wind. The loss is stated to be about $3,000; insurance, $2,400.

No complaints were made before the Railroad Commissioners this morning. In the afternoon the Board took a special train for Oroville, and returned in season to take the regular train for Chico at 5 P. M.

Fire at Stockton.

STOCKTON, October 11th.—A fire occurred in Stroeter's cigar store, on Main street, this morning, and a row of six one-story frame stores were nearly consumed. The property belonged to Andrew Wolf, and was insured for $2,000. Hacket, a tailor, lost about $1,500; no insurance. McCormick, a shoemaker, lost about $1,000; no insurance. Probably $2,000 worth of stock in the paint shop of Ebert & Mayhew was destroyed. Gilliland's barber shop was damaged, and his furniture and fixtures injured to a small extent. Sheridan & Anderson's tailor shop was also damaged, but the loss was light. There was no insurance, except upon the goods in the cigar store, where the fire originated, and upon the buildings.

Failure to Agree—Held for Trial—Charged with Stealing—Election Ordered.

MERCED, October 11th.—The trial of E. J. Hamilton, which consumed four days of last week in the Superior Court, resulted late on Saturday night in a mistrial, the jury failing to agree.

A man named A. K. Stringer, brought up from Napa by Constable Zeson, was examined in Justice Breen's Court this morning on a charge of robbing a laborer named Smith in this place on the 15th of September, and has just been sent to jail to await trial in the Superior Court.

Three Frenchmen are now on trial before Justice Breen, charged with stealing hogs from Miller & Lux, in the San Joaquin valley.

The Board of Supervisors on Saturday issued their proclamation ordering an election on the 2d day of November for Justices of the Peace and Constables throughout the county.

The Mussel-Slough Settlers—Arrival of Officers to Dispossess Them.

HANFORD, October 11th.—The usual interest is excited here by the arrival this morning by private conveyance from Kingsburg of United States Marshal Poole with deputies Dunlap and Gaulk. They admit that their object is to dispossess some sixteen settlers. S. S. Grass, an attorney from Winnemucca, Nev., has been here several days looking after the same business for the railroad. Everything is quiet, and no disturbance is apprehended.

HANFORD, October 11th.—No new developments this afternoon in the movements of Marshal Poole and his party.

Twelve Years in the State Prison.

HOLLISTER, October 11th.—Francisco Jose Furtado, who was convicted of murder in the second degree for the killing of Q. A. Payne in June last, was to-day sentenced by Judge Breen to twelve years in the State Prison.

Items from Victoria.

VICTORIA, October 11th.—The Indian residents are now required by law to reside on the reserve instead of within the city limits.

Opposition is lively at the Frazer river, and rates have declined to next to nothing.

Heavy rains have fallen at Yale, but the railway work proceeds steadily.

"TWENTY years ago the Republican party presented to the country, as a type of its principles, one who was born to poverty and labor, Abraham Lincoln, and though to-day he sleeps in his tomb at Springfield, his immortal history is a living sign of assurance and hope to the struggling purpose of the honest boy of the poorest household of the land. To-day the Republican party again renews its greeting to worth in humble conditions in the nomination of General Garfield, who exemplifies how, in a republican society, where schools abound and labor is free and honorable, the poor boy needs only virtue, labor and talent to ascend to the highest attainments of culture and the most exalted positions of life. He has learned in his own experience the needs of the poor, the hardships of labor, and sympathy for its struggles."—[Warner M. Bateman.

"DEMOCRATIC ascendency means, as among its immediate results, reactionary movement and administration against the adjustment of Southern troubles. It means the non-execution, or the repeal of all the legislation adopted by Congress to enforce the Fourteenth and Fifteenth Amendments. It means the abolition of laws to protect national elections from fraud and violence. It means the withdrawal of all national encouragement to the education of the negro and the poor white of the South, and a neglect and indifference to the protection of the negro from the operation of unfavorable laws and the hostile action of popular prejudice. It means a more or less active tendency in government against all the results secured by the triumph of our arms and the achievements of our civil policy over the rebellion and its mischiefs."
