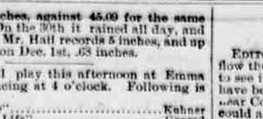
## BY AUTHORITY.



**Extract from the Civil Code---Law relating to Public Vaccination.**

SECTION 309. The Minister of the Interior shall appoint, upon the recommendation of the Board of Health, a suitable person to be vaccinating officer in each of the gubernatorial divisions of the kingdom, who shall receive such salary, as may, from time to time, be appropriated by the Legislature, and shall be removable from office at the pleasure of said Minister.

SECTION 310. Each vaccinating officer shall appoint, at least, three convenient places in each school district throughout his division, for the performance of vaccination; and, from time to time, give public notice of the time when he will attend at such places, to vaccinate all persons not already successfully vaccinated who may then and there appear; and also of the time when he will attend at such place, to inspect the progress of such vaccination in the persons so vaccinated.

SECTION 311. The father or mother of every child shall, within six months after the birth of such child, or, in the event of the death, illness, or absence of the father or mother, then the guardian, nurse, or person having charge of such child, shall, within six months after its birth, or at the earliest opportunity after, take such child to the vaccinating officer, for the purpose of being vaccinated.

SECTION 312. Upon the eighth day following the day on which any child has been vaccinated, the father, mother, guardian, or other person having charge of said child, shall again take such child to the vaccinating officer, that he may ascertain by inspection the result of such operation.

SECTION 313. If the vaccination is found to be successful, the officer shall deliver to the father, mother, or other person having charge of the child, free of charge, a certificate that the child has been successfully vaccinated, and shall note the same in a book to be kept by such officer for that purpose.

SECTION 314. On the presentation of any child to be vaccinated, should the officer deem the child to be in an unfit state to be vaccinated, he may postpone the operation at his discretion, and give due notice to the parents, or person having charge of such child, to reproduce the same for vaccination at a future time.

SECTION 315. The vaccinating officers shall visit the several stations appointed by them, at least once in every six months, and oftener, if required so to do by the Minister of the Interior, or Board of Health.

SECTION 316. Every parent, guardian, or other person having the charge of any child, who shall refuse or neglect to comply with the provisions of the law respecting vaccination, shall be subject to a fine of five dollars; one-half of which shall be paid to the informer.

SECTION 317. The several vaccinating officers shall keep a faithful record of their transactions, and make an annual report of the same to the Minister of the Interior.

Latest California papers per *Australia* say that a treaty has been concluded between the Chinese Government and the United States Commission appointed for that purpose, but that the conditions are not yet known. The object was to modify the existing treaty, so as to prevent the unlimited immigration of Chinese to the United States.

The heavy rain last Saturday night sent a large stream of water down Fort street. A portion of the water ran over the sidewalk and into the excavation made for the foundation of Messrs. Lewers & Dickson's store. The mortar of the front wall of the brick foundation being still wet was washed out by the water and the centre of the wall fell in.

We are sorry to say that the only information available from Mr., Captain, Don, Signor, Sir C. C. Moreno, for under all these titles we have met with him in foreign newspapers, amount to this—"please send more money." A letter has been received from one of the Youths but it was obviously dictated to him, and *not* a voluntary, spontaneous production.

UP to the 26th ult., we had received over one inch less than our usual quantum of rain for the past eleven months. But on that day (or rather night) we had a good shower, and since then heavy and persistent rains until Wednesday morning. Mr. W. W. Hall, Nuuanu Avenue, registered 5 inches on the 30th. His record for 1879, up to December 1, reads 41.21 inches, against 45.09 for the same period in 1880. On the 30th it rained all day, and up to midnight. Mr. Hall records 5 inches, and up to 7 o'clock A. M. on Dec. 1st, .68 inches.
