CALIFORNIA.

The Weather.

LATHROP, November 24th.—Rainfall for the last twenty-four hours, .53 of an inch—the first of the season.

VISALIA.—It rained here from 5 P. M. yesterday to 9 A. M. this morning, .35 of an inch falling. There is but little wind. More rain is indicated.

EUREKA.—The weather is dull, and a heavy mist is falling along the coast. Inland and in the grazing sections the feed has all dried up, and unless rain is had soon to start the grass stock and sheep will suffer. The indications now are favorable for rain.

MERCED.—The frosty weather which had prevailed here for a fortnight moderated yesterday morning, and was succeeded by cloudy, calm weather and light sprinkles of rain until after night, when a steady rain commenced, continuing until near daylight this morning. The fall of rain amounts to .66 of an inch, sufficient to start the grass and enable farmers upon sandy and other light lands to commence plowing. The weather is now (9 A.M.) clearing off; wind northwest and cool, and the barometer rising.

SAN BUENAVENTURA.—Fifty-five hundredths of an inch of rain fell last night, and a southwest wind and low barometer indicate more to come, though the sky is clear at noon to-day. The rain damages the unthrashed bean crop somewhat.

SANTA BARBARA.—Thirty-six hundredths of an inch of rain fell last night. It is clear to-day. Not enough rain has fallen to damage the Lima bean crop.

SAN LUIS OBISPO.—About .50 of an inch of rain fell here last night. The weather is clear to-day, with a northwest wind.

WATSONVILLE.—Rain fell here last night to the amount of .36 of an inch.

SALINAS.—This locality was favored with a light shower of rain Monday evening, and .57 of an inch fell last night. The indications are that we shall soon have more. The people are already plowing and seeding in some portions of the Salinas valley.

LOS ANGELES.—It commenced raining at 1:30 this morning, and continued at intervals till 9:30. The Signal Service reports .56 of an inch. The weather is clear and bright this evening.

Assault with a Deadly Weapon.

SAN JOSE, November 24th.—The jury in the case of Elizabeth Gannon, who some weeks ago attempted to shoot John Tully, a wealthy resident of San Jose, found a verdict this evening of assault with a deadly weapon. Sentence will be passed Friday at 10 A. M.

Firemen's Tournament.

WATSONVILLE, November 24th.—There will be a grand firemen's tournament here to-morrow. Santa Cruz, Gilroy, Salinas, Hollister and other places will probably send delegations.

Thanksgiving Services.

SALINAS, November 24th.—There will be union Thanksgiving services in the Baptist Church here to morrow, on which occasion the sermon will be preached by Rev. W. M. Winters, of the Methodist Church South.

Justifiable Homicide.

WILLIAMS, November 24th.—At Leesville, Sunday night, at 11 o'clock, William Bartlett was killed by James Hedgheth. They met in a saloon. Hedgheth was under the influence of liquor, and quarreled with Bartlett concerning a trouble of nearly a year ago. The former went home, and the latter soon followed and tried to force his way into the house, and was shot under the right ear. The Coroner's jury rendered a verdict of justifiable homicide.

Body Found—Newspaper Change—Chinaman Stabbed.

BODIE, November 24th.—The body of an unknown man was found near Mono Lake yesterday morning. There were no marks of violence upon his body.

The Bodie *Standard-News* has passed into the control of Crocker & Co., who are heavy creditors of the concern. They will dispose of their half as soon as possible.

A Chinaman named Ah To was seriously stabbed in an opium den this evening.

An Old Man Murdered.

FRESNO, November 24th.—Nathan Bachman, aged seventy years, was murdered at his home on the San Joaquin river, near Jones' store, either Sunday or Monday night. The cause of the murder is supposed to be robbery. Bachman was a native of Tennessee, and an old Mason. He was stabbed in the breast. There are three Chinamen under arrest for the murder.

A few hours before Mr. Crawford had discharged all the cartridges of his gun at a turkey shoot and laid it down on a bench. His gun looked like several others, and is supposed to have been loaded by mistake.

WASHINGTON TERRITORY.

Accidental Death—Mail Robber Convicted—Cold Weather.

WALLA WALLA, November 24th.—G. W. Cummings, aged 23, a native of Ireland, was killed at Blalock's flume to-day through a railroad tie striking him.

Peter Lamar, a young lawyer, has been found guilty of robbing the United States mail, and McCamnon of Spokane Falls was also found guilty, and recommended to the mercy of the Court.

The weather is very cold and frosty.

JAPANESE PAPER.—The Government of Japan has established large paper mills at Tokio, where are produced various descriptions of paper. Samples are of quality leaving little to be desired, the surface being fine and the texture close and tenacious. Some of the thicker sheets are almost as difficult to tear as parchment, while the whole are very pleasant to write upon. This latter is especially the case with the very thin paper, eligible for correspondence involving heavy postage. As a rule, such paper does not allow a fine steel pen to travel freely, and it is also liable to blot, owing to the running of the ink. The Japanese specimen has neither of these disadvantages, and would probably find a ready sale if properly placed before the public. The rates are high, ranging between about thirty-six and sixty cents per pound.—[Geyer's Stationer.

An exchange says the following is the method of catching tigers in India: A man carries a board on which a human figure is painted; as soon as he arrives at the den he knocks behind the door with a hammer; the noise arouses the tiger, which flies in a direct line at the board and grasps it, while the man behind clinches his claws in the wood and so secures him.

COMMERCIAL.

San Francisco Produce Market.

SAN FRANCISCO, November 24th—1 P. M.

FLOUR—No special export inquiry. A shipment of 1,000 bbls goes forward to England on the Charger. We quote brands as follows: Best City Extra, $5 25; Bakers' Extra, $5@5 12½; Superfine, $3 75@4 25; interior Extra, $4 75@5; Interior Superfine, $3 75@4 12½; Oregon Extra, $4 50@4 75; choice do, $5; Oregon Superfine, $3 75@4 12½; Walla Walla Extra, $4 75@5 $ bbl.

WHEAT—To-day's business was the lightest in a month. Although there was really no change in the situation, the feeling appeared to be less positive than yesterday. Some holders, however, are quite tenacious in their asking rate of $1 60, and will listen to no proposition for abatement in values at present. Liverpool advices are still of a character to impart courage to sellers. On 'Change shippers declined to buy, notwithstanding that moderate sized parcels of No. 1 could be secured at $1 55 ⅌ ctl. Millers purchased to the extent of about 2,000 ctls only, in various lots, at the uniform figure of $1 57½ ⅌ ctl. A lot of 3,000 ctls coast shipping changed hands at $1 45 ⅌ ctl. Several parcels of smutty, aggregating probably 700 ctls, went at a range of $1 25@1 35 ⅌ ctl. We quote: No. 1, $1 55@1 57½, with choice milling at $1 60; No. 2, $1 50@1 52½.

BARLEY—The inquiry was anything but pronounced to-day. Holders, however, are not desirous of making concessions in order to invite custom. Sales of 800 sks choice Bay brewing, $1 10; 100 do very choice bay feed, 97½c; 500 do good do, 90c ⅌ ctl. Brewing is quotable at $1@1 10; feed, 90@95c; Chevalier, $1 20@1 25 for choice standard bay, and $1@1 15 for coast.

OATS—Heavy receipts are at hand from Washington Territory. Sales of 200 sks choice feed at $1 30 ⅌ ctl. We quote: Humboldt, $1 25@1 37½; coast, $1 10@1 25; Oregon and Washington Territory, $1 20@1 30; Surprise, $1 35@1 45 ⅌ ctl.

CORN—The market has a strong tone. Some consignments are held above current rates. We quote as follows: Yellow, $1 10@1 12½ for large and $1 12½@1 15 for small; White, 97½c@$1 ⅌ ctl.

HAY—We quote: Alfalfa, $9@10; Barley, $13; Oat, $15@15 50; Wheat, $15 50@16 50 ⅌ ton.

FLOUR—A good demand exists for choice Apples, and full prices are obtained for desirable parcels. Grapes are very scarce, and good table qualities are in request at advanced rates. Limes are dearer. We quote as follows: Apples, 30@40c ⅌ box for ordinary, and 75c@$1 25 for choice qualities; Pears, 75c@$2 50 ⅌ box; Quinces, 60@75c ⅌ box; Tokay Grapes, $1 25@1 50 ⅌ box; Black Morocco, $1 25 ⅌ box; Muscat, 75c@$1 ⅌ box; Malaga, $1@1 25 ⅌ box; Tokay, $1 25@1 50 ⅌ box; Cornichon, $1 50@1 75 ⅌ box; Rose of Peru, $1 25@1 50 ⅌ box; Lemons, $9@10 ⅌ box for Malaga; Limes, $20@30 ⅌ M for Mexican; Tamarinds, 12@15c ⅌ lb; Bananas, $2@4 ⅌ bunch; Pineapples, $8@9 ⅌ dozen; Wisconsin Cranberries, $11 50@12 50 ⅌ bbl; Tahiti Oranges, $30@40 ⅌ M.

HONEY—Sales are confined to local wants. We quote: Comb, 10@13c; strained, 5½@6c for dark and 6½@7c ⅌ lb for white.

BUTTER—There is an easier feeling. We hear of no sales above our top figure, while several transactions were reported this morning that denoted a shading on the part of sellers. We quote jobbing lots as follows: Fancy, 47½@50c; good roll, 42½@45c ⅌ lb; fair, 37½@37½c ⅌ lb; inferior to ordinary, 23@26c, inside rate for mixed lots from country stores. Firkin is quotable at 35@37½c ⅌ lb. Pickled, 37½@40c. Eastern is in good supply, and 24@30c ⅌ lb will probably cover the bulk of offerings.

CHEESE—The market is firm at previous figures. We quote: California, 13@15c; do, in drums, 14@15c ⅌ lb; Eastern, 16@19c; Western, 14@15c ⅌ lb.

EGGS—It must be something extra that would bring over our top figures. We quote: California, 47½@50c; Salt Lake, 37½@40c; Eastern, 27½@32½c; Lime, 27½@30c ⅌ dozen.

POULTRY—The market is abundantly furnished. Prices show a wide range to-day, and it is almost impossible to present guiding quotations. Some consignments occasionally sell above our top figure, while in many instances dealers are unable to obtain our lowest rate. The market will scarcely assume a settled condition until after Thanksgiving. Meanwhile our quotations are more or less nominal. We quote jobbing lots as follows: Turkeys, 13@15c ⅌ lb for live, 15@18c ⅌ lb for dressed; Roosters, $4@4 50 for old, and $5@6 50 for young; Hens, $5@6; Broilers, $3@4, according to size; Ducks, $4 50@5 50 ⅌ doz; Geese, $1 75@2 25 ⅌ pair.

GAME—Buyers still have the market in their favor. In order to clean up, low prices have often to be accepted. We quote as follows: Quail, 50@75c; Mallard Ducks, $2@2 25 ⅌ dozen; Canvasback Ducks, $2@2 25; Sprigs, $1 50@1 75; Teal, $1 25@1 50; Widgeon, $1@1 12½; Brandt, $1@1 25; Geese, $1 for white and $2@2 25 for gray; Snipe, 30@50c for common, and $1 2½@1 50 ⅌ doz for English; Hare, $2@2 25; Rabbits, $1@1 25; Doves, 75c ⅌ dozen.

WOOL—News from Boston continues encouraging for holders. The market is represented by telegraph to be quite strong. The demand was more than usually good, and prices were slowly though steadily tending upward. Manufacturers were said to be in the market, displaying more anxiety to purchase than when values were 2@3c lower several weeks ago. Another series of auction offerings was commenced in London yesterday. There was a good attendance, and liberal purchases were made on both home and foreign account. Closing rates of the last offering were fairly maintained. Business here is tolerably fair, and buyers have to pay full figures for desirable lines. We quote jobbing lots as follows: Southern fall, 12@15c ⅌ lb for fair to good, and 10@12c for ordinary to inferior; San Joaquin, 12@15c for fair to good; 14@16c for heavy mountain, and 17@20c for light do; Northern, 14@16c for poor defective Sacramento, 19@21c for good Red Bluff and Chico, and 23@25c ⅌ lb for Humboldt and Mendocino. Eastern Oregon sells at 17@21c for inferior, and 24@27c for choice. Fine light fleece Valleys come about 29@30c, while common grades are nominally 25@26c ⅌ lb. Oregon Lambs are quotable at 25c ⅌ lb.

Sacramento Market.

FRUIT—Our Sacramento quotations are from the price-lists of W. R Strong & Co., and are revised up to 6 P. M. yesterday. They represent trade prices, and have in view selected fruits suitable for shipment: Apples, Spitzenberg, $1 25; red, $1@1 25; cooking, 90c@$1; papered for long shipment, $1 25@1 35; pears, ordinary varieties, $1 50@1 75; Bartlett, out of market; Winter Nelis, $2; peaches, out of market; oranges, $4 50 per 100; lemons, Sicily, $10@12 ⅌ box; California, $5; Australian, $5@6 ⅌ box; bananas, $3@4 50 ⅌ bunch; pineapples, $6@9 ⅌ dozen; tomatoes, 65@75c ⅌ box; grapes are in variety at 75c@$1 ⅌ case; grapes, in kegs, 60@75c; quinces, $1 25@1 50 ⅌ box; cranberries, $16 ⅌ bbl. Choice apples for long keeping are now coming forward and in complete variety. Owing to the failure of steamers to stop at Mexican ports, limes are very scarce—in fact, out of market, and likely to remain so. Meanwhile lemons will have to supply the place of limes.

DRIED FRUIT—California raisins, whole, $2 25@2 50; half, $2 50@2 75; quarters, $2 75@3; eighths, $3@3 50. Pears, 10@12c; plums, 14@16c; peaches, 14@16c; apples, sliced, 7@8c; do quartered, 6@7c; prunes, 12½@16c; blackberries, 18@19c; figs, choice, 8@9c; fair do, 6@7c; apricots, 20@22c.

NUTS—English Walnuts, 9@10c; new California do, extra choice, 11@12c; Almonds, 15@17c; Peanuts, 6@9c; Hickory Nuts, 8@10c; Pecan, 16@17c; Filberts, 16c; Brazils, 14@15c ⅌ lb; Eastern Chestnuts, 30c ⅌ lb; Cocoanuts, $9c10 ⅌ 100.

HONEY—Comb, San Diego, 13@17; comb, in 2 lb cans, $3 50@4; extra extracted, 8@10c ⅌ lb; common extracted, 6@8c ⅌ lb.

FEED—Our quotations are from the price-lists of E. A. Burr, of this city, and are corrected to date: Oat hay, $15@16 ⅌ ton, baled; alfalfa, $9@10 ⅌ ton, baled; bran, $16 ⅌ ton; barley, 80@85c ⅌ cwt.; ground barley, $1 15 ⅌ cwt.; wheat, $1 30@1 35 ⅌ cwt.; oats, $1 85@2 ⅌ cwt.

Eastern and Foreign Markets.

BREADSTUFFS—Flour is quiet, and Wheat is unsettled, latter at $1 20@1 26.

WOOL—Steady.

HIDES—Quiet and weak, prices having declined to 23@23½c.

LONDON, November 24th.

WOOL—At the wool sales to-day 8,600 bales were offered, chiefly New South Wales, Victoria and New Zealand. The attendance was full. Good qualities were steady, but faulty descriptions sold mostly in favor of buyers.

LIVERPOOL, November 24th.

WHEAT—Good to choice California, 10s 2d to 10s 5d. Cargo lots are steady and 6d higher; off coast cargoes, 48s 6d; just shipped and nearly due cargoes, 49s; cargo arrivals moderate.
