The Great Temptation

Usually Presenting Itself

To those business men who seek popular patronage, is the tendency to supply the wants of customers

At the Lowest Price, by offering them the Cheapest and Poorest Goods that are Manufactured in the Whole Realm of Shoddyism.

It requires a careful and practical experience, combined with SOUND JUDGMENT and SUFFICIENT CASH CAPITAL to enable any Merchant, however enterprising he may be, to purchase a satisfactory quality of goods, and sell them at prices that will prove a benefit to the people.

THE MOST EMPTY-HEADED BUSINESS MAN

Can, on the contrary, go into the market and purchase shoddy goods, merely made to sell, but not to satisfy, and as he paid but little for them, he can sell them at low figures, especially by placing them in the hands of pushing, energetic salesmen, who do not hesitate to make any exaggerations they think fit, while at the same time arguing that here "NO MISREPRESENTATION IS ALLOWED!"

The consequence is, that when competition becomes close, WHEN THE STRUGGLE FOR SUPREMACY BEGINS, the first step often taken to undermine the efforts of rival Houses is to substitute shoddy articles, instead of goods that will prove durable and satisfactory, MAKING A BIG SPLURGE UPON LOW PRICES, in order to attract the attention of the careless or inexperienced purchasers, and as a forlorn hope gain new customers by this means to compensate in some measure for the loss of those who have decided that they can do better elsewhere.

WITH THIS SORT OF THING

—WE—

WILL HAVE NOTHING TO DO!

Even though we have reason to believe that the methods we have hinted at are about to be used as weapons against us. But we will combat all opposition by using means so plain, honorable and simple that ultimately the public must be convinced

WE HAVE WON

BY AN HONORABLE FIGHT,

—AND—

DESERVE SUCCESS!

We will not aim to sell SHODDY.

INSTEAD, we will offer satisfactory goods that are worth buying, and OUR PRICE SHALL BE THE LOWEST.

We will not make our prices low by selling old style goods, that can be bought for "half nothing."

INSTEAD, we will aim to keep a proper assortment of NEW and STYLISH GOODS, at prices that must bear comparison and scrutiny.

We will not take advantage of public favor for the purpose of raising our prices gradually.

INSTEAD, we will act as we have always been known to do, in such a manner as will gain us continued confidence and further public approval—by keeping prices as they should be.

We will not make promises merely to break them.

INSTEAD, we will make it a conviction among the people that when the HALES' say anything they mean what they say, and this whether the House making the announcement be

PACIFIC SLOPE NEWS.

[DISPATCHES OF SATURDAY AND SUNDAY.]

PASSENGERS PASSING CARLIN.

No Verdict Yet Reached by the Jury in the Schroder Case.

RESULT OF THE ELECTION IN SOLANO.

An Emigrant Train Ditched on the Southern Pacific Railroad.

OREGON AND WASHINGTON TERRITORY.

A 70-year-old Man Found Dead in the Snow in Nevada County.

CALIFORNIA.

No Verdict Reached in the Schroder Case—The Greenbackers.

SAN FRANCISCO, December 12th.—No verdict has yet been reached by the jury in the Schroder case. It is reported that ten are for acquittal and two for conviction.

At a meeting of Greenback Ward Presidents to-day a committee was appointed to confer with the Selleck wing of the party, with a view of harmonizing the existing differences and organizing the party for the next contest. It is reported that the retirement of Kearney on one side and Selleck on the other is demanded.

The Mussel Slough Case.

SAN FRANCISCO, December 12th.—In the trial of the Mussel Slough settlers, in the United States Circuit Court, yesterday, the entire afternoon was consumed by an argument of counsel as to the admissibility of the testimony of Samuel Osborne, who was present at a Coroner's inquest held at Tulare on the first and second of June last on the bodies of the men who were killed May 11th. Osborne, who is a short-hand reporter, was introduced by the prosecution, who propose to show by him what was said by the defendants before the Coroner's jury, and claimed that he should be allowed to refer to his notes taken at the inquest. The defense objected. A long discussion followed, and authorities were submitted to the Court. The objection was overruled. Court then adjourned until to-morrow.

The Snow for a Winding Sheet.

NEVADA CITY, December 11th.—An old man, about 70 years of age, named John C. Waldron, was found dead lying in the snow last Tuesday, at Columbia Hill. His body was found about twenty yards away from his cabin, and had the appearance of having lain there several days before it was found. Cause of death is unknown, but it is supposed he was taken suddenly ill, and expired before he could obtain assistance.

Murder of an Indian.

PETALUMA, December 11th.—Last evening about 11 o'clock an Indian was brought into town with his skull fractured. He suffered terribly till 10 A. M. to-day and died. An inquest was held, and the verdict of the jury was that he came to his death from blows inflicted by some unknown party with the axle of a buggy, the axle being found by his side covered with blood. There is no clew yet as to who committed the crime.

Outgrowth of a Land Quarrel.

HOLLISTER, December 11th.—Dr. Powers is now undergoing a preliminary examination before Judge Lee on a charge of grand larceny, for the stealing of three mares of the value of $500, the property of John Mantes. The parties reside in Bear valley, in this county, and a short time since they had a suit concerning some land, in which Mantes won. A few days—or nights, rather—afterwards a wagon of Mantes's was burned. A short time after that a horse was missing, and a couple or three weeks ago three mares were taken from Mantes's barn, taken three or four miles in the hills and shot to death. The testimony is circumstantial.

The McFatridge Case.

LOS ANGELES, December 11th.—The McFatridge investigation was resumed this morning. Hidales was subjected to a searching cross-exsmination without shaking his testimony. The checks burned by him in the jail were drawn by New York banks. A prisoner who was in jail at the time corroborated the story of the burning of the checks. The case was postponed until Monday, to await witnesses on both sides from San Diego. United States Postal Agent Sharp went down to San Diego to-day to investigate the post-office, which, to say the least, has been carelessly managed.

Result of the Solano Election.

VALLEJO, December 11th.—The following is the vote of the county at the special election to-day, to decide the tie for Assemblyman, between Leach (Republican) and Goodyear (Democrat): Vallejo, Leach 917, Goodyear 289. Dixon, Leach 162, Goodyear 157. Vacaville, Leach 74, Goodyear 110. Rio Vista, Leach 66, Goodyear 47. Denverton, Leach 25, Goodyear 24. Cordelia, Leach 40, Goodyear 46. Suisun, Leach 169, Goodyear 154. Montezuma, Leach 55, Goodyear 10. Elmira, Leach 50, Goodyear 84. Benicia, Goodyear has 96 majority. Total majority for Leach, as far as heard from, 544, with Maine Prairie, Tremont and Slough to hear from, which will increase Leach's majority to about 600.

Contracts Let.

SAN DIEGO, December 11th.—The California Southern Railroad Company let contracts to-day for grading eighteen miles of the road from San Diego northward. The work is to begin on the 20th instant, and to be completed April 1st.

Accident on the Southern Pacific.

LOS ANGELES, December 12th.—The emigrant train due last evening broke a coupling on the down grade this side of Mojave station, ran upon the forward part of the train and ditched and smashed seventeen cars. The rear car, containing the emigrants, remained on the track fortunately, and no one was injured. Three tramps, stealing a ride, crept from under the wreck unhurt. A temporary track was built, and the regular passenger train arrived four hours behind time to-day.

NEVADA.

Passengers Coming West.

CARLIN, December 12th.—The following passengers passed Carlin to-day, to arrive in Sacramento to-morrow: Mrs. J. C. Carlin and child, East Oakland; R. C. Chapman and wife, Miss Flora Chapman, Illinois; O. R. McWhinney and wife, Richmond, Ind.; Peter Meyer, G. J. Bowron, San Francisco; Mrs. O. C. Morris and daughter, Cleveland, O.; Mrs. Burns and daughter, New Hampshire; James McCausland and wife, California; E. A. Richards, Chicago; E. J. Hardcastle, England; C. Lowell, Boston; J. A. T. Bloom, Peoria, Ill.; W. A. Jordan, Illinois; Henry A. Woolen, Samuel Lee, Salt Lake; Miss Kate O'Brien, Troy, N. Y.; Mrs. Maria Moustar and child, Bloomington, Ill.; Miss E. Seeghtz, William Fulton and wife, Chicago; S. Coleman, Tuscarora, Nev.; 93 emigrant passengers, including 62 males, to arrive in Sacramento December 14th.

OREGON.

The Ice Blockade—Convicted and Indicted.

PORTLAND, December 11th.—The steamer California, due here on Thursday, has not yet arrived. The Elder has not been able to cross the bar on her outward trip, and is lying at Baker's bay. The revenue cutter Shubrick and the ships Gus Harley and A. M. Simpson are also bar-bound. The Oregon Steam Navigation Company's boat started for the Cascades this morning, but was unable to get within six miles, owing to the floating ice. The warm weather and heavy rains will clear out the river by Monday, when navigation will be resumed.

Nancy Boggs was convicted to-day in the Circuit Court of keeping a house of ill-fame. Her "man," Steinberger, has also been indicted for the same offense. This conviction will cause a general onslaught on such houses in this city.

WASHINGTON TERRITORY.

Report Corrected—Business Outlook.

WALLA WALLA, December 11th.—Dispatches of November 25th conveyed the idea that McCommon, of Spokane Falls, was found guilty of robbing the United States mails. The facts are that Cowar robbed both McCommon and the United States mails.

The city is dull, and business for the last year has been rather overdone.

COAST NEWS CLIPPINGS.

The Red Bluff *Daily Sentinel* has entered upon its fourth volume.

It is said that liquor is being sold, in defiance of law, to the El Capitan Reservation Indians, San Diego, and that degraded white men go there to indulge in protracted sprees.

The Sierra Lumber Company closed down their mills last week, owing to the recent fall of snow rendering it impossible for them to do any more work in the woods until spring.

Messrs. Caviness & Sterling of Island City, Or., recently killed six hogs, which weighed respectively 678, 525, 476, 460, 454 and 432 pounds, or an average of over 487 pounds each.

The Redding *Independent* says that F. Michaelson's band of 1,100 Angora goats have been driven to the valley from Hatchet creek. Bears have killed numbers of them during the summer.

State Senator Watson has severed his connection with the Truckee *Republican*. The paper under his management was a most excellent one, and his successor will find it difficult to improve upon it.

Colorado pays over $5,000 annually in bounties for destroying hawks, and over 20,000 of these predatory birds are annually killed in that State. The small, insect-killing birds are increasing rapidly.

The physicians of Virginia City have finally discovered how to distinguish between chicken-pox and small-pox. They allow the patient to keep right along, and if he dies it is considered the genuine small-pox.

It is estimated that the people of Jacksonville, Or., will pay $20,000 in taxes, subscriptions to public enterprises, etc., during 1880, and that $45,000 will have been expended on improvements during the same time.

Brown and Gaunce, the Mendocino outlaws, were sentenced on Tuesday at Santa Rosa by Judge Pressley. H. L. Brown was ordered to be hanged January 27th, and George Gaunce was sent to State Prison on a life sentence.

Indians from the Warm Springs reservation are visiting The Dalles, Or., for the purpose of getting winter supplies. They have good teams, talk good English, and are probably as nearly civilized as Indians can be expected to become.

Several teams left Chico during the early part of this week with freight for Prattville and Greenville, and got as far as Nimshaw, when the snow fell to such a depth that it became impossible to proceed any further, so the freight was unloaded.
