WEST POINT-YALE

(Continued from page 9.)

the West Point eleven in all departments, but errors of the blue prevented the Elis from rolling up double figures. Full-back Flynn of the Yale team was a brilliant figure on offense work, but made three muffs of cadet punts, each of which gave the ball to West Point. A fourth Yale fumble came on West Point's one-yard line when a touchdown seemed inevitable. Both teams clung largely to the old-fashioned type of football, but West Point was successful in three forward passes and Yale made four complete passes.

CAMBRIDGE, Mass. — Harvard scored its easiest victory of several seasons over Amherst today, piling up 46 points to Amherst's none. The crimson attack included nearly everything possible under the revised rules, while its defense was impervious. Amherst did not score a single first down. The crimson back field was one of great power, despite the absence of Captain Wendell because of injury. Brickley, who scored three touchdowns for Harvard, tore through the Amherst defense and further added to Harvard's total by two field goals. He failed on three other tries.

PRINCETON, N. J.—Princeton completely outclassed Syracuse here this afternoon and when the slaughter was over had piled up sixty-two points to none. It was again a case of the visitors' weakness rather than the Tiger's concerted strength which was responsible for the size of the score.

The three sets of back field men which Princeton used had all sorts of speed and power, with the result that they tore through the Syracuse line as if it were paper and circled the ends at will. "Tubby" Waller, Captain Pendleton, H. Backer, S. Backer, DeWitt and Emmons, all of whom were in the game at various stages, made most of the gains.

MINNEAPOLIS, Minn.—Two touch downs by McAlmon, Minnesota's left half, one of which was made on an intercepted forward pass after a brilliant ninety-five-yard run and a goal kicked by Quarter-back Tollefson, spell the score of 13 to 0 by which the University of Minnesota football eleven today defeated Coach Stiehms' Nebraska corn-huskers. Three times was Minnesota's goal endangered but each time the Gophers braced and their opponents failed to score.

COLUMBUS, Ohio.—The University of Michigan football eleven defeated the Ohio State University football team here this afternoon, 14 to 0, in the last game which will be played by the two universities, a Western conference decree making it necessary for Ohio State to discontinue relations with the Wolverines hereafter.

Rx Warning to Beer Drinkers

Read every word in this opinion. Remember it is not our statement, but the deliberate opinion of a great scientist working for perfection in beer.

Pure beer is food and tonic.

G. Beck (Bierbrauer, 1881, No. 8) finds that

"beer in light bottles deteriorates more quickly than beer in dark bottles when exposed to the direct sunlight."

His tests were continued for three weeks and proved that beer in light bottles had acquired a very disagreeable, nasty taste and flavor and was unfit for consumption.

The Brown Bottle with Schlitz is not a fad. Its use is based on scientific principles.

We have adopted every idea, every invention, every innovation that could make for purity.

Schlitz is sent to you in Brown Bottles to protect its purity from the brewery to your glass.

Why don't you make Schlitz in Brown Bottles your regular beer?

TOO MANY TITLES

(Continued from Page 9)

do not fail to attract the best golfers in the land though the number of prizes in most of the events could be counted on one hand. Yet look at the long entry lists and the well-known names thereon. What a tiny percentage has a chance to take home a tangible souvenir of the competition, yet they turn up year after year. Why? Principally for the sake of the splendid matches they play for fun against the other good players who have also met defeat early in the tournament, and you will find they get up early in the morning in order to fit these games in and also be able to follow round after some of the competitors who are still competing. Thus they have some fine games themselves though out of the running for prizes, and also have the opportunity to watch the golf of those good players they have arranged games with, as well as observing the winning competitors. Do you not think this is better for one's game than struggling for some consolation prize?

After all, what honor lies in winning a cup for the beater four of the beaten eight of the beaten sixteen in a tournament? Seriously, is it not a bit ludicrous? Would not the time of such a player have been infinitely better employed in the way I have described above? True, he would be the poorer for a bit of silver (a trophy without any power to increase his standing in the world of golf), whereas the experience gained the other way might prove invaluable to him the next season and place him among the real winners. Yes, I know this is taking a game seriously, but unless a person takes golf seriously, he or she will never become one of the great golfers of the country. A fine golfing reputation wins more matches than dozens of cabinets of trophies at your home. Few people ever see the cabinets, but a player may be well known to thousands who have never seen him. Which would you rather have? There is only one way to attain it and judging by the records of those who have done so it lies along that which I have tried to outline here. I tried it in some tournaments I played abroad and can honestly say that it has improved my games immensely and what is more I never enjoyed myself more in my life.

WHEN A LAXATIVE IS NEEDED—"CASCARETS"

Salts, Calomel and Cathartic Pills are violent—they act on bowels as pepper acts in nostrils.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.

Are you keeping your bowels clean with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

SLAYER TO SUPPORT FAMILY OF VICTIM

Unusual Sentence Imposed on Convicted Man

BUFFALO, N. Y., Sept. 28.—Warren House, who caused the death of Valentine Lukowski, a fellow-workman, a few months ago, while playing a practical joke, will begin at once the serving of an unusual sentence imposed by Justice Marcus in the state supreme court here.

The sentence places House in charge of a probation officer for an indefinite period and compels him to pay $8 a week toward the support of the family of the dead man until the children are able to support their mother. It is estimated that the fine will cover a period of about ten years, amounting in all to more than $1500.

House turned a compressed air hose on his fellow-workman in fun. The pressure was so great that it killed Lukowski instantly.
