LOCAL INTELLIGENCE.

A BRILLIANT CONSTABLE.

A few days ago a Chinaman had a Swiss cottage raised over his eye by some "Melican man," who lammed him just for the fun of the thing. John made a bee-line for District Attorney Buckley's office to have justice done in the premises. He did not know the name of the man who had hammered him.

"Could you point him out?"

"Oh, yes; me know 'im. I point out."

"Very well. I'll make the complaint out against John Doe, then. But you must point out to the officer the man that struck you."

Accordingly on that complaint a warrant against John Doe was issued by a magistrate and placed in the hands of a deputy Constable for service.

Accompanied by the Chinaman, the official with delegated power started out, and presently on a public street, in the midst of a crowd, the damaged Chinaman espied his assailant and directed the attention of the Constable to him. The officer made for the man like an arrow from a bow, seized him by the collar and was marching him off to the lock-up post-haste, when the arrested individual protested.

"Say, what's the matter with you?"

"Oh, you come along!—you're wanted."

"Wanted?—here, let go my collar, will you? What am I wanted for?"

"Why, for hitting this Chinaman."

"I hain't hit no Chinaman, nur nobody; I'm not the man."

"You aren't? Say, isn't your name John Doe?"

"John Doe? Not by a long sight. No, siree; that's not *my* name."

"Oh!" exclaimed the conscientious deputy, "if your name isn't John Doe, you can go."

And he went.

OCCIDENTAL BUILDING AND LOAN ASSOCIATION.—The Occidental Building and Loan Association held their annual meeting on Saturday at the office of Sweetser & Alsip, on Fourth street. The following named persons were elected Directors for three years: E. Jacobs, E. M. Leitch and C. H. Stevens. The following were chosen officers for the ensuing year: E. Jacobs, President; L. L. Lewis, Vice-President; E. K. Alsip, Secretary; National Gold Bank of D. O. Mills, Treasurer; Freeman & Bates, Attorneys. The Secretary submitted to the Association his sixth annual report, which shows the amount per share that each series has earned upon the investments made. First series, $25 68; second series, $9 35; third series, $4 21; fourth series, $1 09. The total value of first series of stock is $85 68 per share; second series, $45 35 per share; third series, $28 21 per share; fourth series, $13 09 per share.

POLICE COURT.—The following business was transacted in the Police Court yesterday: Charles Ross pleaded guilty to petit larceny, and sentenced to 100 days in the County Jail. M. Graf, misdemeanor, continued until to-day. D. Falconer, misdemeanor, continued until to-day. Se June and Si Que, receiving stolen property, continued to November 22d. Johanna Hagle, enticing, tried by jury, jury disagreed and case continued. Mable Hamilton, vagrancy, dismissed. John Sullivan, illegal voting, pleaded guilty, sentenced to pay a fine of $30. James Turner, illegal voting, sentenced to pay a fine of $30. Mable Hamilton, misdemeanor, pleaded guilty, judgment deferred until to-day.

INCORPORATED.—Articles of incorporation were filed with the Secretary of State yesterday by the Eel River and Eureka Railroad Company. Directors—W. J. Sweasey, William Carson, J. W. Henderson, Joseph Russ, H. H. Buhne, John Vance, A. W. Randall. Capital stock, $1,200,000, divided into 12,000 shares. Principal place of business, Eureka, Calaveras, by the Superior Mining Company. Capital stock, $10,000,000. Directors—George C. Perkins, James B. Haggin, James C. Logan, Irving C. Stump, Louis T. Haggin. Principal place of business, San Francisco.

CHANGED HIS MIND.—Henry Stafford was arraigned in the Superior Court some time since on an information for burglary, pleaded not guilty and demanded a jury trial. Yesterday the case was called and the jury impaneled. The defendant surveyed the occupants of the box and evidently came to the conclusion they were not his "peers," for he immediately withdrew his plea of not guilty and entered one of guilty. He then waived time for sentence and was ordered by the Court to be confined in the Folsom State Prison for a term of two years.

THE WOODLAND MILITARY COMPANY.—The Woodland *Democrat* says: The military company of this place have ordered fifty muskets from the State. An armory is now badly needed, and it is to be hoped that they will secure one soon, which they may do if the proper exertion is made. The necessary amount to erect the proposed armory and theater has not yet been raised, but can doubtless be secured if they will accept the assistance of private citizens. This now seems to be the only alternative.

FREIGHT TO ARRIVE.—The following freight for Sacramento passed Ogden on the 11th instant: For Proctor & Gamble, 500 boxes candles; Ebner Bros., 5 barrels whisky; Joseph Hahn & Co., 3 boxes drugs, 1 box glycerine, 1 box pocket-books; A. A. Van Voorhies & Co., 1 box and 4 bales saddlery hardware; Kirk, Geary & Co., 2 boxes drugs, 3 boxes vinegar; W. A. & C. S. Houghton, 1 case books; Gattmann & Wilson, 1 case dry goods; Hall, Luhrs & Co., 1 box vaulting.

FUNERAL OF MAMIE DRAY.—The funeral of Mamie Dray, which took place in this city yesterday, was attended by a very large number of people. The carriages forming the funeral cortege extended for a third of a mile. The floral tributes were many, rare and beautiful. A large number of her former schoolmates followed the remains to their last resting place. During the day the flag on the High School was at half mast in memory of the deceased.

BOARD OF SUPERVISORS.—No business was transacted by the Board of Supervisors at their session this week other than the canvass of the returns of the recent election. When that was completed yesterday, the Board adjourned for the term, after which, as a Committee of the Whole, they proceeded to visit Reclamation District No. 407, to examine into the matter of the petition of L. C. Ruble for an establishment of an independent reclamation district.

FREE LIBRARY REPORT.—The following is the report of the Sacramento Free Library for the week ending November 11th: Number of books issued, 754; fiction, 576; biography, 17; history, 37; travels and adventure, 35; miscellaneous literature, 45; religion, 4; poetry and drama, 17; science and art, 23. Average number issued per day, 108; percentage of fiction, 76.

GRAND JURY.—The Grand Jury, which took a recess some time since, will meet again next Monday at 10 A. M. It is understood that but little, if any, business will be transacted, and the recess will be extended. The experts that were appointed to examine the books of the county officers have not as yet completed the experting of the books in the Clerk's office.

ANTI-DEBRIS FUNDS.—The Board of Supervisors of Yolo county yesterday appropriated $1,000 towards defraying the expenses of suits against the hydraulic miners, which are now being prosecuted under the direction of the Anti-Debris State Association.

LATE ARRESTS.—The following names were recorded at the Station-house last night at 12 o'clock: John Doe, safe keeping, by officer Karcher; Oliver Olridge, disturbing the peace, by officer Nash; Wm. Quilty, drunk, by Jones, local.

NOTARY APPOINTED.—Governor Perkins has appointed James A. VanEmon a Notary Public for Placer county, to reside at Michigan Bluff.

THE great sale of black silks, cashmeres and drap d'alma and other fine dress goods, bought at a job, and now being closed out at nearly half their value at the Red House, causes quite a "buzz" among the people. Crowds of people were turned away yesterday without being served; they must call earlier to avoid a rush. *

THE CANVASS COMPLETED.

The missing tally-sheet of Lincoln School-house precinct was produced before the Board of Supervisors yesterday by Supervisor Butler, and the canvass of the returns of the recent election was completed. The total vote of the county, as taken from the poll lists of the various precincts, is 6,683. This is but 85 less than the vote cast at the Presidential election of 1880. The official canvass does not change the result of the election from that heretofore published in the RECORD-UNION. The Greenback candidate for Assemblyman, J. D. Jost, received 97 votes, while R. Butterfield and A. B. Burns, candidates on the Prohibition ticket for the same position, received, respectively, 88 and 121 votes. The votes given for other county candidates, township and city officers, excepting that of State Senator, was published yesterday. Following is given the totals of the vote for State Senators and State and Congressional officers, as taken from the tally-sheet of the Clerk of the Board of Supervisors:

The Board declared the result of the election, which was the election to the various offices of the candidates heretofore announced in the RECORD-UNION. It is now the duty of the County Clerk to issue certificates to the successful ones. Joseph Routier, Senator-elect, applied at once and received a certificate bearing the golden seal of the County Clerk.

Incurring a Tremendous Risk.

They incur a tremendous risk who sojourn or emigrate to reside in districts where malarial disease is prevalent, without medicinal means of fortifying their systems against the periodic scourge. The danger to bilious subjects, and to those who lack bodily stamina, is particularly serious. A preventive and curative agent of known anti-malaria efficacy should be frequently used and constantly kept at hand by such persons; and on none can they rely with such certainty of protection and aid as Hostetter's Stomach Bitters. This grand specific roots out every vestige of the malarial poison from the system, and endows it with an amount of vital activity and repelling power that nullifies the influence of miasma. It also prevents and remedies disorders of the stomach, bowels and liver, which are particularly prevalent in malarious regions, and is an incomparable general invigorant.

Answer This.

Can you find a case of Bright's Disease of the Kidneys, Diabetes, Urinary or Liver Complaints that is curable, that Hop Bitters has not or cannot cure? Ask your neighbors if they can.

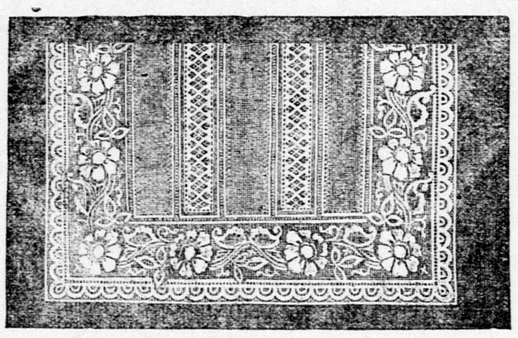
Up to the time of putting this into the printer's hands, there has been a strong trade in the HOSIERY mentioned yesterday, and we doubt not that the HOSIERY is destined to stay with us but a very short time. Still, we believe that on account of the large quantity originally on hand, that enough will remain over until TO-DAY to insure something of interest to almost anyone who may come. As far as we have observed thus far, every one has gone away pleased with their purchases, strengthening our belief that there is no better advertisement than giving goods too good for the money.



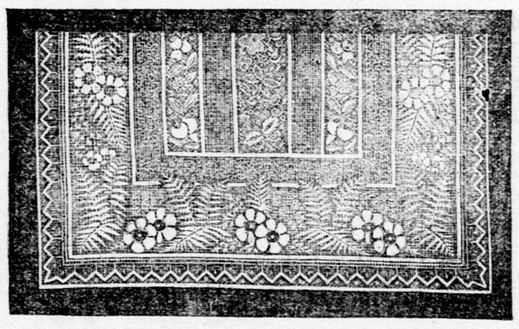
☞ We have recently increased our stock of LACE CURTAINS, adding new grades, at new prices, besides improving to the utmost of our ability the quality of the goods kept at old prices.

Among the late style, low-priced goods, we show SETS, with Pretty Borders, Scalloped and Tape-bound, at $2 85 per set. Similar goods, in better Laces, come at $3, $3 75 and $5.

An ECRU LACE CURTAIN, at $8 50, in delicate, chased designs, is a sample of our good values in the finer grades of CURTAINS. We also call attention to our WHITE CURTAINS, at $10 50 and $12.

In CURTAIN LACE by the yard, we have a varying assortment, which reaches its highest culmination in a very fine quality, at $1 25 per yard. On account of the width of this LACE, it is well adapted to bow windows, and a peculiarity of it is, that while the pattern is light and graceful, yet it will be found to be a very strong and durable CURTAIN.

☞ We also have a full line of LACE LAMBREQUINS.



LADIES' HAND-SATCHELS, in Seal-skin, Seal Leather and Plush Facings, from $1 15 to $8 60.

SATIN-CORD GIMP, in leaf patterns, without jet, 45 cents, 70 cents and $1 40.
