DR. TOWNSEND'S SARSAPARILLA!

MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS EXTRAORDINARY medicine is quite unlike. It is six times cheaper, pleasanter, and warranted superior to any said. It cures diseases, without vomiting, purging, sickening, or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other remedies is, it eradicates the disease, it invigorates the body.

IT HAS PERFORMED MORE THAN 15,000 CURES THIS YEAR.

1,000 cures of *Rheumatism*.
1,000 cures of *Dyspepsia*.
2,500 cures of *General Debility and Want of Nervous Energy*.
3,000 *Female Complaints*, and over 7,000 cures of *Diseases of the Blood*, viz.: Tetters, scrofula, erysipelas salt-rheum, pimples on the face, &c., &c., together with numerous cases of consumption, liver complaints, spinal affections, &c. This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the city of New York which we will refer to with pleasure, and to men of character well known.

OPINIONS OF PHYSICIANS.

Dr. Townsend is always daily receiving orders from physicians in different parts of the Union.

We, the undersigned, Physicians of the city of Albany, have in numerous cases prescribed DR. TOWNSEND'S SARSAPARILLA, and believe it to be one of the most valuable preparations of Sarsaparilla in the market.

F. H. Pulling, M. D. J. Wilson, M. D., R. R. Briggs, M. D., P. E. Elmendorf, M. D.

Albany, April 1, 1846.

The following is from one of the most respectable physicians on Long Island:

GREENPORT, July 19, 1846.

DR. TOWNSEND—Sir—It is with satisfaction that I say to you that I have decidedly witnessed in several cases the unmistakable results from your EXTRACT OF SARSAPARILLA. Being engaged in the practice of medicine, I have prescribed it in several cases, and never without benefit. In the removal of cases so arising from a deranged state of the digestive organs, jaundice, &c., it far exceeds any thing of the kind offered to the public. You will please send me, as heretofore, your preparations.

Respectfully yours,
S. C. PRESTON, M. D.

UNITED STATES OFFICER.

Capt. G. W. McLeod, Member of the Legislature, and late in the United States Navy, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the influenza, and my physician left me in a debilitated state. I was induced by your friends to try your Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the use of Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration. G. W. McLEAN.

THE EDITOR

JOHN JACKSON, Esq., Editor of the Rahway Republican, published the above certificate, and remarks in an editorial paragraph:

"The success of DR. TOWNSEND'S PREPARATION OF SARSAPARILLA appears to be one of the most extraordinary character. We publish to-day two certificates in detail, one from Capt. McLean, of the town, and one from the Navy, Mr. Wiley, of Newark. The gentleman well known in Rahway, Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent men like these would not praise so strongly what they did not fully believe to be deserving.

SCROFULA CURED.

This certificate conclusively proves that this SARSAPARILLA has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

DR. TOWNSEND—Dear Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation. Yours respectfully,

ISAAC W. CRAIN, 108 Wooster street.

New York, March 1, 1847.

CONSUMPTION CURED.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Asthma, Asthma, Spitting of Blood, Soreness in the Chest, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Probably there never was a remedy that has been so successful in desperate cases of Consumption as this. It cleanses the system, and opens to heal ulcers on the lungs, and the patient gradually recovers their usual health and strength.

ALMOST A MIRACLE.

Read the following, and doubt, if you can, that Consumption can be cured. Read one of several kindred cases, that TOWNSEND'S SARSAPARILLA has cured!

NEW YORK, Sept. 14, 1846.

DR. TOWNSEND—Dear Sir—I was taken a little over a year ago, with a severe cough and pain in my side, it increased so much that I was pronounced by physicians to have a quick consumption. I raised large quantities of bad matter, had night sweats, and—sinking very fast—my doctor said he could do nothing for me. I went to the hospital, in hope of being benefited, but was pronounced incurable. I grew rapidly worse, greatly distressed at my lungs, and could hardly breathe. I soon became emaciated, and expected to die, was confined to my bed, and was obliged to have watchers. Indeed, I cannot give you any description adequate to justice to my case. I was supposed by my friends to be in a decline. Your medicine seemed to take effect. I read of the most extraordinary cures performed by your medicine, and to tell you the truth, I suspected there was some humbug in them. But I was induced to try it. I did so, and am very happy to say it has cured me. I feel well, and can do my business, and am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough, pain in the side, and night sweats, have left me, and I raise but very little, and am fast gaining my usual strength. I feel it my duty to give you a statement of my case, to publish, if you please.

PETER BROWN, 47 Little st., Brooklyn.

TO MOTHERS AND MARRIED LADIES.

THE EXTRACT OF SARSAPARILLA has been given extensively prepared in reference to Female Complaints. No female should neglect to take it, as it has certain prevention for any of the numerous and horrible diseases to which they are subject. It is suitable for those who are approaching to womanhood, and for those who are drawing to a close, by giving the blood and invigorating the system, indeed, this medicine is invaluable for all the delicate diseases to which females are subject.

It tends easily with the system, renews permanently the natural energies—by restoring the impurities of the blood—by invigorating the system so to produce no subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

YOUNG LADIES, READ THIS.

If you wish a fair Complexion, Dull Eyes, Blotches on the Face, Rough Skin, or Freckles, and are, out of pocket, I can advise no two of Dr. TOWNSEND'S SARSAPARILLA. It will cleanse the Blood, remove the Freckles and Blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of inestimable value to UNMARRIED LADIES.

GREAT FEMALE MEDICINE.

DR. TOWNSEND'S SARSAPARILLA is a stronger and speedy cure for the incidental CONSTITUTIONS for the general prostration of the system—no matter whether the result of inherent cause or cancer, produced by irregularity, illness, or accident.

Nothing can be more surprising than its invigorating effects on the female frame. Persons, and females, who have made before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of unhappiness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us.

COXSACKIE, Sept. 22, 1845.

DR. TOWNSEND—To all whom this may concern—This is to certify that my wife used one bottle of your SARSAPARILLA previous to a critical event, under the most alarming and delicate circumstances, being troubled with much debilitation, fainting of the feet, nervous affections, and very much distressed in her mind. The result was, she was delivered of a child, with little or no pain; and suffice it to say, the medicine had the happy and desired effect, not only during the time of pregnancy, but at the expiration of one week of its use, the dropsy and nervous affections gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you, or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged servt.,
S. S. JAMESON.

RHEUMATISM AND PILES.

DR. TOWNSEND—Dear Sir—My wife has been, for several years, afflicted with Rheumatism. She has tried many different remedies to obtain some relief, but all to no purpose. She was finally induced to try your advertisement, to give your SARSAPARILLA a trial. She (together with a man in my employ) long troubled with the Piles, and by using a small quantity of your Sarsaparilla, our complaints was completely cured. I consider it one of the best of medicines, and would advise all who are afflicted to give it a trial.

DISEASE OF THE HEART, RUPTURE, AND DROPSY.

NEW YORK, July, 22, 1846.

DR. TOWNSEND—Dear Sir—My wife has been afflicted with a Disease of the Heart, and with a terrible Rupture for over fifteen years, the greater part of the time. She has been troubled with Shortness of breath and great Fluttering of the Heart, which has been very distressing, and has frequently been unable to leave her bed. The Rupture was very large and severe. She tried almost every remedy for several cases, with but little benefit. When she had taken but three bottles of your excellent medicine, she was entirely relieved of the Disease of the Heart, and the Rupture has almost entirely disappeared.

She has also had the Dropsy, and was very much swollen. We had no idea that she could be benefited, as she had such a complication of diseases. But it has done as it may appear, relieved her of the dropsy. I am aware that the statement is so strange, as to appear almost like a fiction, but it is nevertheless, sober reality. Your SARSAPARILLA is a most valuable medicine, and should be used by every one that is suffering as we have been. I am, I believe this account, they are at liberty to call at my house, and have further information. Yours respectfully,

TO STEAMBOAT COMPANIES.

The subscriber is now fully prepared to furnish Steamboat Companies with all sizes of F. F. Dimpfel's Patent Centrifugal Blowers, suitable for the smallest river boats or the largest class ocean steamers. This blower is constructed upon sound philosophical principles, combining great strength and durability, occupying a very small space, and giving greater force to the air with much less power than any other Fan or Blower now in use, without making the least unpleasant noise while in motion. The superiority of this blower is at once manifest to any persons disposed to examine its merits, and is well worthy the special attention of all requiring the use of blowers, as it is now becoming so rapidly in general use in preference to all others.

Reference is made to the following steamers, which have them in use:

Steamer Bay State, New York.
Atlantic steamer, Washington, New York.
Atlantic steamer, Northumberland.
Steamer Robert Morris, Philadelphia.

TO IRON FOUNDRIES, ROLLING MILLS, &c. &c.—The subscriber also manufactures and keeps on hand a full assortment, from No. 1 to No. 10, and upward, of the above Blowers, now so extensively used, suitable for all kinds of iron works, viz: cupolas, puddling and heating furnaces for rolling mills, forges, smithy fires, &c.

NEW YORK ADVERTISEMENTS.

V. B. PALMER'S COUNTRY NEWSPAPER ADVERTISING AGENCY, Tribune Building, New York, embraces most of the best newspapers of all the principal towns and principal towns in the United States and Canada, for which he is duly authorized to receive advertisements and subscriptions, and fully empowered to give receipts.

Merchants, manufacturers, artists and individuals generally, public institutions, insurance companies, societies who wish to advertise in, or subscribe for, newspapers of any section of the country are respectfully invited to examine the files.

To remove all doubts and misapprehensions, the agent has adopted the policy that no person is authorized to solicit advertisements, cards or subscriptions for the newspapers for which he is the only authorized agent. The annoyance to merchants and others, growing out of numerous pretended agencies in this city, renders the adoption of this course essentially proper to guard against imposition.

Those, therefore, who wish to transact business with his agency, and avoid mistakes, are respectfully invited to hand in their orders at the office, or address

NEW YORK HOTEL,
No. 721, Broadway, New York.

J. B. MONNOT, Proprietor.

THIS HOTEL, situated in the most fashionable part of Broadway, has been so enlarged as now to be the most extensive that exists.

The convenience, beauty, and salubrity of its position have heretofore caused its accommodations to be so monopolized by permanent residents of the city as to exclude the travelling public from participation in its comforts.

Extensive additions have been made, however, with a view to set apart for transient visitors suits of parlors and bed-rooms, to be retained at all seasons for them.

Families from a distance will find the choicest accommodations at this Hotel. Constantly set apart for them, and every attention will be paid to render it as attractive to the transient visitor as it has proved to those who, residing in the vicinity of New York, have constantly, since its opening, honored it with their patronage, as combining all the luxuries of the best European hotels, with the advantages of its location.

PATENT ELASTIC METALLIC SHANK BOOTS AND SHOES.

CONGRESS GAITERS FOR LADIES AND GENTLEMEN.

These articles are superior to anything ever before manufactured, in this or any other country, for durability, beauty, and utility.

No. 132 FULTON STREET, NEW YORK.

THIS unique and useful invention was awarded a Silver Medal (the highest premium) at the last Annual Fair of the American Institute, for its superiority over all others offered for competition.

It has met the approbation of the officers of the army and navy, and will be very generally adopted by those who have tried its value, and are rightly coming into general use among all who regard ease, grace, comfort, and durability, as desirable requisites in their Boots and Shoes. It makes the feet so supple more elastic, preserves its original style and shape, and gives the wearer part a beautiful and elevated arch, thereby allowing the heel to be worn very high with perfect ease, or none low, without exposing the pale, loose-strap to injury. It also keeps the foot from pressing forward, and retains it in a natural and easy position.—Myself and John Dick are the only persons who make and sell Boots and Shoes on this principle, in the cities of New York, Brooklyn, and Jersey City.

CONGRESS GAITERS.

The undersigned, the first in the city of New York to manufacture this justly celebrated and elegant article, continues to make them up in an endless variety of styles, in workmanship unequalled, and at prices defying competition. All other kinds of Boots, Shoes, Gaiters, Pumps, and Slippers, for ladies, gentlemen, youths, misses, and children.

A. G. BAGLEY'S

CELEBRATED IMPROVED EVER-POINTED GOLD PEN.—This Pen received the highest premium at the last Fair of the American Institute, and has been pronounced, by the first teachers of Penmanship in the country, to be infinitely superior to any Gold Pen ever before introduced to the American public. The leading properties of this Pen are undoubtedly owing to the total absence of corrosibility from any of the inks in use, rendering it less liable to damage, more easy to repair, and prevents the necessity of the great care indispensable to other articles of the kind.
