—Mrs. Winslow's Mystic Pills are prepared only for a legitimate purpose, and are the only safe and effective medicine for females extant.
Do not trifle with your health, and use cheap and dangerous medicine which druggists have bought, and will recommend, being ignorant of their properties.
They are a certain cure for all those painful and dangerous disorders to which the female constitution is subject. They moderate all excess, and remove all obstructions; they invigorate the debilitated and delicate, and, by regulating and strengthening the system, the loss of health is restored to the cheeks, weakness of the spine and limbs relieved, and all the indications of nervous debility removed. A maiden, wife or mother should be without them.
Try them—use according to direction, and be convinced that they are the Lady's Friend.
Ask for MRS. WINSLOW'S MYSTIC PILLS. Take none other. Price $2 per box, or three boxes for $5.
For sale by all druggists.

THE HYDRAULIC CLOTHES WASHER AND WRINGER.
The best and most useful invention of the kind for saving household labor ever invented.
Has more and better recommendations for saving time, labor and the wear and tear of clothes washed, than any other machine. All the other machines either rob the clothes and washers out specially, or do not satisfactorily perform their work. With the
HYDRAULIC CLOTHES WASHER
This is not the case. There is no rubbing of the clothes, no unnecessary wear and tear. The washing is most completely and thoroughly performed by the action of the wheel alone. Send for a circular, giving full explanation, or call and see them at the General Southern Agency.
Good responsible agents wanted in every where.

THE LANE COTTON MILLS.
These MILLS, which were built by me in 1859, as an effort of Southern enterprise, are again under my control and I am prepared to supply the trade with COTTON YARNS from 5's to 12's, packed in such proportions as may be ordered, and of the quality put up by me prior to the war, which excelled any ever offered in this market.
It is known, that while these Mills were in my hands, the product of them attained a reputation for superiority of quality and fulness of weight—unequalled by any other Yarns offered. This reputation has been prostituted by certain unprincipled parties, who have not scrupled to use my name and brand, to cover an inferior article, and which, more, I have this Georgia Yarns have been offered, in this market, as the product of my Mills.
To protect myself and consumers from such impositions, I have adopted a trade mark, which will hereafter be placed on each bale of my Yarns, with the addition of my signature, on each pod label. Have Mills have no agents. Orders left at No. 22 Union street, will be promptly executed.
