FACTS!—Messrs. N. Kieffer & Hollander, No. 23 Poydras street, Manufacturers of the Malakoff Bitters:
Gentlemen—I have examined the patent that was granted you by the U. S. Government for manufacturing the Malakoff Bitters, and found in the ingredients employed a compound well calculated to excite and keep in good order the digestive organs. I have prescribed said Bitters several times, and in every instance I had occasion to ascertain their beneficial effect. I remain, gentlemen, very respectfully, your most obedient servant, A. MERCIER, M. D., 198 Canal street.
I have examined the patent you hold for the manufacture of Malakoff Bitters, and find nothing in the ingredients thereof calculated to act injuriously upon the human system, unless taken in inordinate quantities. Indeed, it is nothing but a cordial aromatic bitter. S. A. SMITH, M. D.
Your Malakoff Bitters, which I have examined, do not contain any ingredients injurious to health, and may be recommended to those who are in want of a good tonic.
Yours, M. SCHUPPERT, M. D.
