TRY IT! TEST IT THOROUGHLY!

It will cost you nothing to do so. By making application to the undersigned, a Machine will be sent to your residence, and you will be shown how to use it, and a reasonable length of time given to test the Machine to decide as to its merits.

The Magnolia Washing Machine.

Will do your washing with one-half the labor, less soap and no more water than you usually use; will save the cost of the Machine in the wear of clothes and in fuel in less than one year; makes no slop; does away with the necessity of standing over a steaming tub, and prevents the washer from inhaling the steam of filthy soap suds, also from getting wet, and will in many instances be the means of preventing sickness and saving a doctor's bill.

An ingenious COG-WHEEL WRINGER is affixed to the Machine, and is made of Iron, Rubber Cylinders, and wrings the clothes almost ready for ironing.

It is Useful, Simple and Cheap! Satisfaction Guaranteed or no Sale. Use the
