CONDEMNING WICHITA STREET

Appraisers Began Their Work Yesterday.

ORIENT RIGHT OF WAY

Has Been Granted Over South Wichita Street.

Yesterday the three men appointed by Mayor McLean to appraise the damage and benefits for the opening of Wichita street from Lincoln to Lewis streets were sworn in and began their labors which will result in the opening of the street which has been granted the Kansas City Mexico & Orient railway company as a right of way into the heart of the city.

The appraisers are: J. H. Stewart, G. M. Dickson and C. W. McCoy. They took the oath yesterday afternoon and immediately called on the city attorney for instructions and the city engineer for a plat of the ground to be opened. They will visit the ground and establish the benefit district as soon as possible so that the land may be condemned and the titles cleared up and the property given into the possession of the city as one of its highways.

The ordinance declaring it necessary to open the street was passed on October 21. The ordinance granting the Orient a right of way over the street was passed October 4. The street was not open south of Lewis street when the ordinance granting the company a right of way was passed so condemnation proceedings had to be instituted. The first step toward condemning the street for a distance of over half a mile was begun yesterday and will be completed within thirty days.

The Orient company has not yet accepted the ordinance granting them the right of way over the street although it was passed more than a month ago. The city granted them the right to build their lines over the street in order to let the company get a depot site on Douglas avenue which it is now believed will be just across the street from the Missouri Pacific depot.

SIMPLE REMEDY FOR CATARRH

Just Breathe Hyomei Four Times a Day and Be Cured.

If a few years ago some one had said you can cure catarrh by breathing air charged with a healing balsam, the idea would have been ridiculed, and it remained for R. T. Booth, that eminent investigator, to discover in Hyomei this method of cure.

Hyomei has performed the most miraculous cures of catarrh and is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims.

The complete outfit of Hyomei costs but $1.00 and consists of an inhaler, a medicine dropper and a bottle of Hyomei.

Breathe Hyomei through the inhaler for a few minutes four times a day and it will cure the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation, and effects a complete and lasting cure.

The treasurer of the American Life Insurance Co., J. S. Nugent, of New York city, writes: "Hyomei has completely cured my daughter of catarrh from which she has been a sufferer for years."

In this city there are scores of well-known people who say they have been cured of catarrh by Hyomei. If it does not cure you, your druggist will return the money you paid for Hyomei. This is the strongest evidence that can be offered as to his faith in the remedy.

STATE Y. M. C. A. CONVENTION

Will Be Held in Leavenworth Next Month.

The twenty-first annual convention of the Young Men's Christian association will be held in Leavenworth December 4 to 7. Quite a number of Wichita people will attend the meeting as delegates. The advance call and announcement has just been issued and the program will be made public in a few days. The announcement, however, contains a few of the principal features. The list of persons who have accepted invitations to make addresses at this meeting is large and includes some of the best Christian workers in the country.

ASSAULTED IN AN ALLEY

James Rhodes Hurt While Pursuing Chicken Thieves.

James Rhodes, a farmer living seven miles northwest of the city, was attacked by two unknown men in the alley between Lawrence avenue and Market street about half-past six o'clock last night and severely beat over the head with a beer bottle. Mr. Rhodes and his brother were driving cattle on their farm when two men just at dusk came along and shot some of their chickens. The men were in road wagon and driving a very black or very dark bay horse. Mr. Rhodes saw them pick up the chickens and both men immediately started in a buggy after the hunters. They followed them to town and caught up with them near the packing houses. Both horses had been driven hard for several miles and the chase was very exciting. Mr. Rhodes was unable to catch either of the men when they caught up with them at the packing houses and the race continued on down town. On Third street the hunters turned into the alley. James Rhodes followed them while his brother came on down town to find a policeman. Mr. Rhodes again caught up with the hunters who pounced upon him and pounded him with a beer bottle. He received several long gashes over the eyes and was otherwise bruised. He was brought on down town where his wounds were dressed and in company with his brother they set out to find the marauders, but until a late hour they had not been located. Mr. Rhodes stated last night that on a number of occasions hunters from this city went out into the country and failing to bag any game, if they found some nice young chickens along the road, shoot them and Mr. Rhodes is determined that if possible he will bring the two men to justice on two charges, stealing chickens and assault.
