CHARLES' LONDON CORDIAL GIN

MANUFACTURED in London, and put up solely in quart and pint bottles, to meet the requirements of Druggists, and those to whom Pure and Beautifully flavored liquor is a Necessity or a Luxury.

It is the oldest established of all the Gins (!) which have started into existence upon the basis of its well-deserved and hard-earned celebrity.

It has no connection with, and is in no way like the trashy mixtures sold as "Montreal Gin," or "Old Tom," or "Lowrey Decoy," or "London Gin," &c., &c., no matter how much "antiquity," or "respectability" is assumed by their begetters.

Dr. Valentine Mott, of New York, says: "It is far preferable to even Pure Holland Gin, and is the best article of its kind I have ever seen." So say thousands of physicians.

The New York Herald says: "We are surprised at its beneficial effects; it is a certain safeguard to health."

The Philadelphia Ledger says: "It has no superior, if an equal, in medicinal virtues."

The New Orleans Picayune says: "There is no remedy on earth for dyspepsia equal to it."

The Boston Journal says: "As a beverage, as a preventive, or as a remedial agent, we want no other. It is our sole means."

Women of America, for you it is particularly adapted. In sickness of health, it is your greatest friend.

CLAIMS AGAINST the UNITED STATES.

FINLEY GRAHAM, late Register of the U. S. Treasury, and CHARLES E. SHERMAN, Counsellors at Law, will devote their entire attention to the prosecution and settlement of claims against the United States, growing out of the present war, including the Accounts and Claims of States, Contractors, and Disbursing Officers; applications for the restoration of property illegally seized or captured, and for compensation for the use of private property for Government purposes, and for damages for the injury of such property by the army; for military pay, pensions, and bounty lands; and for distributive shares of monies payable at the Treasury and due to sub-contractors and others.

They will also give legal advice to claimants, contractors, and to unprofessional agents in litigated cases; and prepare written arguments when desired.

With Non-resident Agents who may send them claims, an equitable division of commissions will be made.

Undisputed Demands will be collected and promptly remitted for a commission of from a half to two and a half per cent.—depending on the amount; and negotiations with the Departments conducted on moderate terms.

By prompt attention, moderate charges, long experience, and a minute knowledge of the of laws, regulations, rules and precedents, governing the mode of business at the Departments, they hope to render their services useful to claimants and public sufferers.

Reference may be made to Members of Congress, and officers of the Government, and especially, by permission, to the Hon. ELISHA WHITTLESEY, First Comptroller of the Treasury.

Pre-emption claimants are required to establish their claims to the satisfaction of the proper Register and Receiver, and make payment for the same on or before the day appointed for the commencement of the public sales, otherwise their claims will be forfeited.
