DR. LELAND'S

Anti-Rheumatic Band!

PERMANENTLY CURES

RHEUMATISM, in its various forms,
GOUT and NEURALGIA,
STIFFNESS and NERVOUS AFFECTIONS,
IMPURITIES of the BLOOD,
And the Bad Effects of Mercury.

It is a conveniently arranged BAND OF BELT, containing a medicated compound, to be worn around the body, about the waist, EQUALLY AFFECTING ALL PARTS, *wherever the disease may be*, and can be worn *without injury to the most delicate person.*

By this treatment, the medicinal properties contained in the Band, being of a *highly aromatic and volatile nature*, and *capable of being readily absorbed through the pores of the skin*, come into *direct contact with the blood and general circulation*, without first passing through the process of digestion, which would tend, not only to detract from their curative powers but to impair the internal organs and derange the digestion also—thus avoiding the *injurious effects*, so often the result of *internal remedies*, and effecting a *perfect cure*, by *purifying and equalizing the circulation of the vital fluids, and restoring the parts affected to a healthy condition.* This BAND is also a *most powerful* "ANTI MERCURIAL AGENT," and will *entirely relieve the system from its pernicious effects.*

Moderate cases are cured in a few days, and we are constantly receiving unsolicited testimonials—to which we invite inspection at our office—of their efficacy in aggravated cases of *long standing.*

Price Two Dollars. Sent by mail upon receipt of $2, only express charges everywhere, with *all necessary directions*, from the principal office of

G. SMITH & CO., Proprietors,
491 Broadway, New York.

N. B.—*Descriptive circulars sent free.*

The Band will not interfere with the soldier's duties. nov 15—1y

CHARLES' LONDON CORDIAL GIN

Redistilled in London, and put up solely in quart and pint bottles, to meet the requirements of Druggists, and those to whom Pure and Unadulterated liquor is a Necessity or a Luxury.

It is the oldest established of all the Gins (!) which have started into existence upon the basis of its well deserved and hard-earned celebrity.

It has no connection with, and is in no way like the trashy mixtures sold as "English Gin," or "Old Tom," or "London Dock," or "London Gin," &c., &c., no matter how much "antiquity" or "respectability" is assumed by their begetters.

Dr. Valentine Mott, of New York, says: "It is far preferable to even Dutch Holland Gin, and is the *best article of its kind I have ever seen.*" So say thousands of physicians.

The New York Herald says: "We are surprised at its beneficial effects; it is a certain safe guard to health."

The Philadelphia Ledger says: "It has no superior, if an equal, in medicinal virtues."

The New Orleans Picayune says: "There is no remedy on earth for dyspepsia equal to it."

The Boston Journal says: "As a beverage, as a preventive, or as a remedial agent, we want no other. It is our sole means."

Women of America, for you it is *particularly adapted.* In sickness or health, it is your greatest friend.
