A FREE TRIAL PACKAGE IS MAILED TO EVERYONE WHO WRITES.

A. L. Rice, a prominent manufacturer of Adams, N. Y., has discovered a process of making a new kind of paint without the use of oil. He calls it Powderpaint. It adheres to any surface, wood, stone or brick, spreads and looks like oil paint, and costs about one-fourth as much.

Write to Mr. A. L. Rice, Manfr., 450 North St., Adams, N. Y., giving the name of the dealer from whom you buy your paints. Mr. Rice will send you a free trial package, also color card and full information showing you how you can save a good many dollars. Write to-day.

ROOSEVELT BOOKS.

These are the last of the popular edition of the President's books. We are informed that future editions will sell for high prices—something like $10 a volume. We believe this report, because plenty of people will buy the President's books at whatever cost. It is a good business move on the part of the publisher in his own interest, as well as in the interest of the distinguished author.

Heretofore, we understand, the President's profits have not been nearly commensurate for his labors as an author. He is an open-handed man who probably cared little about royalties. We will all be glad to learn that his labors will be liberally rewarded. Meanwhile, and for a little while only, we have these ten volumes of the President's books for sale at $5—only 50 cents a volume. When they are all gone these volumes will be apt to double and treble in value.
