CHARLES' LONDON CORDIAL GIN

Is distilled in London, and put up solely in quart and pint bottles, to meet the requirements of Druggists, and those to whom Pure and Unadulterated liquor is a Necessity or a Luxury.

It is the oldest established of all the Gins (it is the only one which has started into existence upon the basis of its well-deserved and hard-earned celebrity.

It has no connection with, and is in no way like the trashy mixtures sold as "ENGLISH GIN," or "OLD TOM," or "LONDON DOCK," or "LONDON GIN," &c., &c., no matter how much "antiquity" or "respectability" is assumed by their begetters.

Dr. Valentine Mott, of New York, says: "It is far preferable to even pure Holland Gin, and is the best article of the kind I have ever seen." So say thousands of physicians.

The New York Herald says: "We are surprised at its beneficial effects; it is a certain safe guard to health."

The Philadelphia Ledger says: "It has no superior, if an equal, in medicinal virtues."

The New Orleans Picayune says: "There is no remedy on earth for dyspepsia equal to it."

The Boston Journal says: "As a beverage, as a preventive, or as a remedial agent, we want no other if in our ends success."

Women of America, for you it is particularly adapted. In sickness or health, it is your greatest friend.
