WORTH KNOWING.—Prof. Wood, whose advertisement will be found in another column, has discovered a remedy for the gray and bald, which is at once practicable and cheap. It requires no dyeing, no wig, nor extraordinary trouble. There can be no doubt whatever of its efficacy. We have seen testimonials almost without number, and from men of great intelligence, high standing and moral worth.

Those who have been bald for years are now wearing their own hair, and appear ten years younger than they did six months ago. Again in most cases gray hairs and bald heads are both premature and unnatural, it is a duty to remedy them by the natural and undoubted means which Prof. Wood has invented, and now kindly offers to the afflicted. Read his advertisement, try his wonderful remedy, and give the Prof a new testimonial.—Memphis Whig.

Every family should have and keep this book. It is worth having. Comprising much general information of great value; it gives the best instruction for the cure of prevalent complaints, that we can get anywhere. Its anecdotes alone are worth a bushel of wheat, and its medical advice is sometimes worth to the sick, the wheat's weight in gold. Many of the medical almanacs are trash, but this is solid. Its calculations are made purposely for this latitude and are therefore correct. Call and get an Ayers, Almanac, and when got, keep it.

GOOD BOOTS AND SHOES

Versus

CHEAP BOOTS AND SHOES!

It has always been our motto, to prefer GOOD, substantial articles, to what are erroneously termed "*cheap.*

Good Boots and Good Shoes!

Are the kinds for all persons to procure, especially at this season of the year. For this reason, the subscribers invite their old customers and new ones to come and examine their new very extensive stock, of all styles of the above articles, including a large proportion of

THEIR OWN MANUFACTURE!

All of which are warranted! Now is your time to buy Good Boots and Shoes, which are in reality the only *cheap* ones. We leave others to keep, and "gas" about "Cheap Shoes"—we only profess to keep Good ones.
