CHARLES' LONDON CORDIAL GIN

Is distilled in London, and put up solely in quart and pint bottles, to meet the requirements of Druggists, and those to whom Pure and Unadulterated liquor is a Necessity or a Luxury.

It is the oldest established of all the Gins (!) which have started into existence upon the basis of a well-deserved and hard-earned celebrity.

It has no connection with, and is in no way like the trashy mixtures sold as "English Gin," or "Old Tom," or "London Dock," or "London Gin," &c., &c., no matter how much "antiquity" or "respectability" is assumed by their begetters.

Dr. Valentine Mott, of New York, says: "It is as preferable to even Pure Holland Gin, and is the *best article of its kind I have ever seen.*" So say thousands of physicians.

The **New York Herald** says: "We are surprised at its beneficial effects; it is a certain safe-guard to health."

The **Philadelphia Ledger** says: "It has no superior, if an equal, in medicinal virtues."

The **New Orleans Picayune** says: "There is no remedy on earth for dyspepsia equal to it."

The **Boston Journal** says: "As a beverage, as a preventive, or as a remedial agent, we want no other. It is our trade mark."

Women of America, for you it is particularly adapted. In sickness or health, it is your greatest friend.

DR. SWEET'S

Anti-Rheumatic Band!

PERMANently CURES

RHEUMATISM, in all various forms,
GOUT and NEURALGIA,
SPINAL DISEASE and NERVOUS AFFECTIONS,
IMPURITIES of the Blood,
and the last Effects of Mercury.

This is a conveniently arranged band of flannel, containing a medicated compound, to be worn around the body, about the waist, EQUALLY AFFECTING ALL PARTS, wherever the disease may be, and can be worn without injury to the most delicate person.

By this treatment, the medicinal properties are absorbed in the blood, acting of a highly aromatic, volatile nature, and capable of being easily absorbed through the pores of the skin, come into direct contact with the blood and general circulation, without first passing through the process of digestion, which would lead not only to destroy much their curative powers, but to impair the digestive organs, and derange the digestion also—thus avoiding the opposite effect, so often the result of internal remedies, and effecting a perfect cure, by purifying and equalizing the circulation of the vital fluids, and relieving the parts affected by a healthy sensation. This Band is also a most powerful Anti-Mercurial Agent, and will speedily relieve Mercurial pains from its persistent effects.

Numerous cases have cured in New York, and were constantly receiving unsolicited testimonials—to which we invite inspection at our office—in the ultimate of aggravated cases of long standing.

Price Two Dollars. Sent by mail upon receipt of $2, or by express everywhere, with all necessary instructions, from the principal office.

G. SMITH & CO., Proprietors,
491 Broadway, New York.

N. B.—Descriptive circulars sent free.

This band will not interfere with the soldier's duties.

DENTISTRY.

DENTISTRY.

A. M. LOCKWOOD, M. D.

The inventor and patentee of the Mineral Plate Teeth, attends personally at his office in this city.

Many persons can wear these teeth who cannot wear others, and no person can wear others who cannot wear these.

Persons calling at my office can be accommodated with any style and price of Teeth they may desire; but to those who are particular, and wish the purest, cleanest, strongest, and most perfect denture that art can produce, the Mineral Plate will be more fully warranted.

NEW INVENTION OF ARTIFICIAL CHEOPLASTIC BONE TEETH, without metal plate or clasps, by

DR. S. B. SIGESMOND,

910 Broadway, New York; and 200 Penna. avenue, bet. 12th and 13th sts., Washington, D. C.,

Calls the attention of the public to the following advantages of his improved system:

1st. The teeth of his manufacture will never corrode nor change color by any acids, and are three-fourths lighter than any other.

2d. No teeth or roots need be extracted, as the artificial ones can be inserted over them.

3d. The roots will be made inoffensive and never to ache.

4th. No temporary teeth are needed, as permanent ones can be made immediately, thereby preserving the natural expression of the face, which, under the old system, is frequently disfigured.

5th. This work has been fully tested, for over five years, by many of the first Chemists and Physicians of this and the old country.

Dr. S. has also invented a white indestructible metal filling with which the most sensitive teeth can be filled without pain, and can build up a perfect sound tooth on any side roots, which will last through a lifetime.

He refers to the following gentlemen: Dr. V. Mott; Dr. Doremus, Professor of Chemistry; Hon. A. Mann, Jun.; Capt. Crabtree, Vice President of the Emigration Co. of New York; Hon. Judge Wayne, of the Supreme Court, of Washington, D. C.; and thousands of others.
