IN ONE YEAR!

THE RESTORATIVE OF PROF. O. J. WOOD for Restoring hair perfectly and permanently has never yet met a rival, volumes for volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following:

☞ The Hair.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Prof. Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such we would respectfully make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, and used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out which it restored in greater perfection than it ever had been before.

It is without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

In the days of every one to improve their personal appearance, although some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either on man or woman, is an object much to be desired, and there are no means that have yet merited so obtain such a consideration.—[Woman's Advocate, Philadelphia.

CINCINNATI, O., Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season as one of your local agents (R. M. Hackinson) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West, should you wish to make such an engagement, as I am convinced there is nothing equal to it in the United States, for restoring the hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that possesses secretive organs or integrities the scalp as well as your's, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell.

Yours truly, S. T. STOCKMAN,

WAYLAND, MASS., Feb. 5, 1857.

PROF. O. J. WOOD & CO.—Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, or was to be gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which I was pleased completely. In the operation I have used nearly three bottles. Yours, &c.,

JAMES FRANCIS.

IMPORTANT INFORMATION!

DR. WHITE, having removed his office from No. 26, Vine Street, to No. 7, Pine Street, St. Louis, Mo., continues to be consulted on all diseases of a *private or delicate nature*. By a long course of study and practical experience of unlimited extent, Dr. W., has the gratification of presenting the unfortunate with remedies that have never failed to cure the most alarming cases of

Gonorrhea and Syphilis!

Beneath its treatment all the horrors of Venereal and Impure Blood, Scrofula, Gonorrhea, Ulcerations and diseases in the regions of Procreation, Inflammation of the Bladder and Kidneys, Abscesses, Humors, frightful Swellings, and the long train of horrible symptoms attending this class of diseases, are made to become ashamed as the simplest attings of a child.

Seminal Weakness.

Dr. W., devotes a great part of his time to the treatment of these cases caused by a secret and solitary habit which ruins the body and mind, unfitting the unfortunate individual for either business or society.

Some of the sad and melancholy effects produced by these early habits of youth, are Weakness of the Back and Limbs, Dizziness of the Head, Dullness of Sight, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, Symptoms of Consumption, &c., &c.

The Fearful Effects on the Mind are much to be dreaded, viz: Loss of Memory, Confusion of ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Timidity, &c., &c., are among the evils produced. Such persons before contemplating marriage, should consult a physician of skill and experience and be at once restored to health and happiness.

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

Liver Complaint,

WEAKNESS OF ANY KIND,

FEVER AND AGE,

And the various affections consequent upon a disordered STOMACH OR LIVER, such as Indigestion Acidity of the Stomach, Costiveness, Bilious Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fellow-kind scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally in substance in effect, it finds its way directly to to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION.

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

Dalley's Magical Pain Extractor.

IN all diseases of inflammation more or less painful—now to allay inflammation strength and root of disease—hence an immediate cure, and sure

DALLEY'S MAGICAL PAIN EXTRACTOR *and nothing else,* will allay inflammation at once and make a certain cure.

DALLEY'S MAGICAL PAIN EXTRACTOR will cure the following among a great catalogue of sights: burns, scalds, cuts, bruises, sprains, bites, poisons, chilblains, piles, scrofula, ulcers, fever sores, felons ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, blisters, erysipelas, tetter worms, barbers itch, small pox, measles rash, &c., &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the same blood flows to all the extremities, each and every one applying a perfect antidote to the opposite disorder.

DALLEY'S MAGICAL PAIN EXTRACTOR Imitates effects magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be for one moment without it.

No pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer.

For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas.
