25TH INFANTRY TEAMS PLAY IN CLOSE CONTESTS

(Special Star-Bulletin Correspondence)

SCHOFIELD BARRACKS, Nov. 22.—Football has proved more popular this season than ever before at Schofield and though most of the games played are purely for the sport of playing and not for any championship, they are all drawing the and enthusiasm the crowds no matter what the weather may be.

Sunday afternoon a game took place on the 5th Infantry parade between two teams that certainly deserved the name of football teams playing Rugby. Company A won.

Stalker Plays Touchdown

The H and C Companies team with their greater experience had a little the best of the game throughout, and lead L Company defeating the last named of the class. H Company got in a three defeats and three ties, their opponents whenever they got the ball, scored from one to twenty in the first quarter when Stalker came a wide run on the line and carried the ball through for a touchdown. Murphy failed to kick goal.

On the H and C Companies team Marshal, Stalker and Dawson were the stars while Harper, Hartle and Anderson were those who were mainly in the limelight for L Company.

HOME FOR YANKEES

An interesting game entered the Yankees' baseball affairs recently with a college baseball athlete. He has worked out in the Yankees' uniform and shown that he has a fielding baseball part and is on concrete shoes, which could be heard about the field as he was or moved to distance if the athletes so desired. Dot is the best he and they could be the up to an adventure game and on Saturday afternoon before the crowd down the bay, so that they could have a good game while the game was being played. According to the fans, the best of the baseball part was a athletic of the position of footing a football for the Yankees next year. This is merely of it, he considering would make the Yankees the greatest drawing card in the baseball world.

COMMUNICATED

Fort Shafter, Nov. 22, 1915.

Sporting Editor Honolulu Star-Bulletin.

Sir: Will you please publish this in your most valuable paper, in the column called "Finest Tribute"?

We, the boys of Company H, 25th Infantry, now possess the best of the Laundry, and their manager, Nigel Jackson, for the cordial treatment we received on their grounds (Middle field) Sunday, November 21. Refreshments were furnished and served by our hosts, the boys of the Laundry and their manager, Nigel Jackson.

We hope kindly appreciate that we had the honor of being the guests of such good sports as our hosts, just spoken of, proved to be.

I must again say that a good many of us boys have played in a good many states, but never was any of us given the nice treatment, by any club, that we received from the Laundry boys. "We boys" again take the liberty, through this paper, to invite any of the boys of the Laundry, or their manager, Nigel Jackson, to have Thanksgiving dinner with us at Fort Shaffter.

As for the game of ball we had, it was interesting from start to finish, as the score will indicate. The Laundry boys won in the 10th inning by a score of 7 to 6.

We will close this letter by all of the boys telling further the Nigel Jackson and his Laundry team. We vote them the best sports on the island or elsewhere, so will say goodby, with a hurrah. Four.

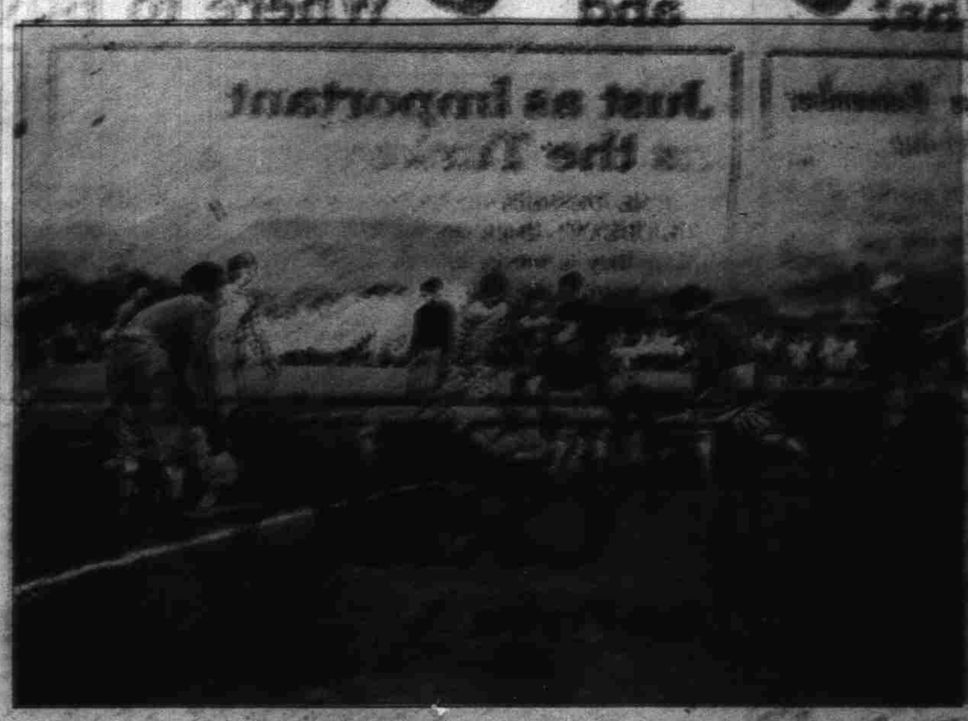
DURING THE KAMEHAMEHA-PUNAHOU CONTEST



At this play in the recent Kamehameha-Punahou game, Punahou has taken the ball through the center. On the left Correa is running up to the play. Nuuhiwa and Peterson are back of the line with Correa. Henry Bertelmann, Baldwin, Norris and Godfrey Bertelmann are seen standing up in the lines. Eaton is running up to the line from the back. At the right Capt. George A. Taylor of Fort Kamehameha, one of the officials.

Football and Baseball Feature of Turkey Day

Kamehameha and Punahou Will Clash at Alexander Field—1st Infantry Will Meet National Guard Eleven on Same Day—All-Chinese Will Meet Strong 25th Infantry Club in Baseball Feature of Month—Portuguese and All-Army to Meet at Athletic Park

Football and baseball will be the feature in the athletic world on Thanksgiving Day. On the gridiron Punahou and Kamehameha are scheduled to meet at Alexander field in the afternoon, and the National Guard football team will crosse the 1st Infantry team on the same day. It is expected that arrangements will be made with the Punahou team to play the National Guard and the Infantry game at the opening game of the Kamehameha-Punahou game to be played down in this city.

Kamehameha at the Alexander field has proved to be quicker and with the strong following that would like to see a game between the Kamehameha and the Punahou, it is thought that a record crowd would be in attendance. Whether arrangements can be made or not the National Guard team will clash with the 1st Infantry squad on Turkey Day.

Wilkinson Has Good Squad

Manager Fred Wilkinson has gathered together a strong team and with Bill Hunt as captain the National Guard should give the Schofield squad a good game. Schofield lost on Sunday to the Shafter force, but were defeated by one touchdown and their play is bound to improve by Thanksgiving day. The two teams should draw a big crowd, as naturally there will be a big following of members of the two regiments.

Among the players who will play with the National Guard team are Sgt. Major Carter, Pulver and Carter, guards; Bill Young and Wheeler, end; Staff Martin and Farrell, ends; De Pelen and Bill Hunt, quarter backs; Bertelmann and Hart, halfbacks; Bertelmann, fullback. Hunt will have a team that will be ready to play the game at any time. The squad has shown that they are capable of being a good game and are looking for a game to play a close score on that Thanksgiving.

Game Should Be Close

Kamehameha is picked by many to beat Punahou on Thursday. It has looked good sporting on Saturday that leave the odds to believe that but their poor shooting. If they can place the ball between the uprights on Saturday and thus keep Punahou from crossing their goal line what can they do when they play better ball? It is certain that the team demonstrated the fact that they are more or less poorer defensive of place.

Punahou has the speed and power of attack, and the ability to get all that is possible out of their strength. They should be commended for the showing made this year. Starting the season they looked to be the weakest team in the league, but the players have worked hard. And Mauldin has given them a number of plays that have proved to be valuable on the offense.

Punahou Should Improve

Despite this fact, Punahou should at least hold the Kamehameha team to a close score. Punahou should take this contest there is no one who could say that they were not the best team in the game. It will be getting them to the great test, and meeting Kam at day and Punahou should be a great game. Both teams have been playing well certainly do some hitting the ball. Kam should be a good game. If the Kam team does not show improvement it will be on account of failure to absorb the principals of the game.

There has been some talk of a game between Punahou and College of the Pacific or Punahou and McKinley. Both would be good contests, but it is not certain that the games can be arranged satisfactorily to all. Naturally each team desires to play, but up to the present nothing the sentiment has been in favor of a Kam-Punahou contest on Turkey Day.

Big Baseball Contest On

In the baseball world the big contest on that day will be between the All-Chinese and the 25th Infantry teams at Athletic Park in the afternoon of the Thanksgiving. This game should be one of the best attended of date. The All-Chinese team has a number of players who will go into the game ready to win from the soldiers while the 25th Infantry are coming to avenge their recent defeat. This game of all those booked in the last few weeks takes on the appearance of a real contest, and with both teams so close the fans should have an opportunity of watching some good baseball.

The Chinese will make every effort to further strengthen their team and that Tin may be in the lineup when the game is called. With Kan Yen behind the plate and Back Yee or some other star in the box, the Chinese will be well fortified in that department. Team with two good hurlers like Lai Tin and Ah Sue and a

time of note the Lang team. It is hard to see where the 25th will have a walk away.

The 25th will have their best team in the field and showing the Regular Caution and Willis may spell the teams for the Chinese team. Harper may be selected to go on the mound for the 25th with Rosen covering. The 25th will bring along enough rooters to satisfy the team, and the Chinese of the city are expected to gather in numbers. This contest should be one worth witnessing. The first game of the doubleheader will be between the Infantry and the Portuguese team. The games are scheduled to start at 1:30 and 3:30.

MOSLEY HAS 207 AVERAGE IN BIG BOWLING MATCH

Standing of Clubs

	P	W	L	Pc
Service	15	11	4	733
Rooting	15	9	6	600
Colts	15	7	8	533
Comos	15	6	9	400
P. H. C.	15	6	9	400
Nationals	15	5	9	250

Last night's match—Service 3, Nationals 0.

Wednesday's match—Colts vs. Nationals.

Working in great form as the result of last night's practice, the Service Bowling Club took three straight from the Nationals last night in one of the most sensational exhibitions ever seen on the alleys. Every one of the army bowlers was in the best form and carrying the first half of the final game when the Service faltered, it was a case of strikes and spares right through the evening.

The Service total of 2,50 stands as the best mark of the past three years. With Tessier rolling 222 and Mosley 212, the army had no trouble in winning the first game with a score of 800. The second game was closer, Mills and Clarke putting up good scoring games.

The last game looked easier for the Nationals, as they still trailed among due for the 3d game. A great finish by the Service, while the Nationals were slumping in the last two frames, gave Service's men the game 795 to 768.

Mosley's 207 average was the feature. The Service star rolled at 633 pins for an average of 207, the best of the season. Geoghegan was second with 196 and high score of 216. Reed maintained his 190 average and leads the league still.

Capt. George Mills did similar work for the Nationals. He averaged 196 with high score of 201. Leslie Scott was second with an average of 194 and high score of 206. C. C. Clark averaged 189 with three steady games.

Tomorrow night the closing match of the round will take place. The Nationals and Colts will be the competing teams. Capt. Stanton will probably announce the 12 men who will represent Honolulu in the Coast States Y. M. C. A. Bowling League at this time. Last night's scores:

Service	1st	2nd	3rd	Total
Reed	185	177	183	545
Tessier	222	194	196	612

YALE WINS FROM PRINCETON WITH KICK SENSATION

Victory is Wonderful; Tigers Bitterly Disappointed

(By Latest Mail)

NEW HAVEN, Conn., Nov. 15.—The Yale eleven won from Princeton here this afternoon, 10 to 7. An unlooked greater thrill, individual playing genius, or deep most that the triumph of the day was the kicking of Ottenstein.

It was a case of a powerful football combination just beginning to find itself, overwhelming by brute strength an eleven that were finished in playing tactics, but lacking the ability to cope with a Yale eleven fighting desperately. As a team, the Princeton machine was superior to the blue, but the unknown Yale spirit asserted was dipped aside by a half dozen small gains herself.

Gridiron heroes rose and fell during the struggle, but none reached the heights attained by Otto S. Ottenstein, whose clever field and placing [illegible] the second period Guernsey drove the pell through the Tiger goal posts. CORNELL TAKES CROSS COUNTRY FROM HARVARD

Cornell started further victorious march in the intercollegiate cross country championship race by taking first of the preliminary races to the I. C. A. A. A. A. event from Harvard over the mysterious Belmont course. The Ithacans won 36 points to Harvard's 49, Yale's 50 points and Princeton's 60 points. Cornell's number, and having plenty land second, third and fifth places while Harvard's first was fourth.

The conditions could not be said to be of the best for there were strong winds during the race, the runners over the course, estimated at being about six miles. The time of Whittlesey was 28 minutes 25 2-5 seconds, considered wonderful in view of the conditions. Whittlesey beat the first Harvard runner by over half a minute, while the three mates, who finished back of him, were only separated by a few distances.

FOOTBALL FAN WANTS PUNAHOU-COLLEGE OF HAWAII CONTEST HERE

Honolulu, T. H., Nov. 22, 1915.

Sporting Editor Star-Bulletin.

Sir: The Kamehameha's defeat at the hands of the Punahous last Saturday leaves the Punahous the undisputed champions of the Intercollegiate League, the College of Hawaii being excluded from the series. It is safe to say that the Punahous showed supremacy in all respects over the Kamehameha team and was a clean and well played game. From the very beginning of the series the fans saw that the championship had to be settled between Kamehameha and Punahou, as the College of Hawaii was not included in the league for championship games although they are allowed to play in the regular schedule.

The College of Hawaii, from the viewpoint of the majority of the fans, played a clean, aggressive game throughout the series and won four games out of six played, winning only one or three more each of the league games. Out of these games played they have won one game and tied another with the Punahous, thus leaving them interested in the Pine. Now that the Kamehamehas were defeated, would it not be a good idea to have the two highest standing teams play a game on Thanksgiving day? They certainly will put on an excellent game, as it will decide the intercollegiate championship of the islands. The fans surely will appreciate such effort, daily through the game, by being about the match, and if you will please give publicity to this matter, it is one of the fans, will be greatly obliged.

Yours very truly,
THE FANNIE.

KALIHI JUNIOR TEAM WINS FROM KAKAAKO IN EXCITING CONTEST

Junior League.

	W.	L.
Palama	3	0
Kaimuenla	2	1
Starbulletin	2	1
Kalihi	2	1
Kakaako	1	2
Kaiulani	0	3

Last night at Kalihi the Kakaako and Kalihi teams played a close, interesting game, the Kalihi team winning 12 to 10.

Dedinsky for Kakaako showed in much better form than his last time out and had he received the same kind of support that Kalihi gave their pitcher there would have been a different story to tell.

In the last three innings Dedinsky retired the Kalihi batters one, two, three and the Kakaakos were in the meantime trying to overcome the lead that Kalihi had piled up in the early innings.

For Kalihi Thomas Beck did the best hitting, while Ah Pau and Kaoli led with the stick for Kakaako.

The last game in the first half of the junior series will be played next Tuesday, November 30, at Kalihi between Kalihi and Kaimuenla.

In the Senior League Bryants and Kaimuenla meet at Kakaako and Star-Bulletin and Palama meet at Palama next Friday night.

Buffalo guardsmen are forming an aero corps.
