Put Up For Handy Reference

INTELLIGENT SHOPPERS: Are the ones who read what the progressive merchants are offering---and then cooperate with their efforts to assist their patrons by doing as much of their shopping as possible "with the merchant who advertises," because he is showing a disposition to please and help his customers by advertising. Furthermore it is in the stores of such merchants that one is most likely to find the things desired.

STEAMERS IN *This Type* LEAVE FOR THE COAST.
