Fever and Ague.

A case of eight month's standing cured by Boerhave's Holland Bitters.

Michael Keffe No. 117 Seventh near Grant street Pittsburgh, says:

"Last July, while running on the river, on a steamboat plying between Natchez and New Orleans, I was taken with Fever and Ague. For eight long months I suffered with this dreadful disease. The greater part of this time I was unable to work, and spent at least fifty dollars for different medicines, but found no permanent relief. Three weeks ago, one of my friends insisted upon my trying Boerhave's Holland Bitters, saying that a cure was guaranteed. After taking it about a week, I must say I was a very sound man. I have been at work now about two weeks, and have had no return of the Chills or Fever whatever."

I certify that the above statement is true.

MARRIED:

On the 12th inst., by Rev. E. G. Taylor, Mr. MITCHELL C. PURCELL, to Miss MARIA J. HAYS, all of this city.

DIED:

In this city, on Sunday, 17th inst., of Scarlet Fever, FREDDIE, son of L. and FANNY M BARNEY, aged 4 years.

He was a sweet and lovely flower,
Too earth-too frail and fair;
And hopes of future happy days
Were fondly centered there.
But oh! while yet a tender bud,
And ere its leaves were spread,
'Twas plucked by a redeeming hand
And numbered with the dead.

Yet while we mourn the dear one lost,
That beauteous bud doth bloom,
And fairer, sweeter charm around,
Beyond the dreary tomb.

A fairer home than we could give—
A tender love than ours—
Hath taken him to yon bright world,
In Heaven's elysian bowers.

SPECIAL NOTICES.

☞ WOOD'S RESTORATIVE.—We have never known any other medicine win so large a share of public confidence in so short a time as this new drug. It has not been more than a year since it first heard of it, and it now stands at the head of all remedies of the kind. We have never seen any of it cases it has failed to restore, and in most cases it has given not only as yet retains it original color, be gets more so without some of our friends have, and we have never known it to fail in restoring the hair to its original color. We advise such as are becoming prematurely gray, to give the "Restorative" a trial.—Cincinnati Herald.

☞ Dr. J. Hostetter's Celebrated Stomach Bitters is one of the greatest strengthening preparations extant. It is especially adapted to those who are afflicted with the Fever and ague or any other disease arising from a disordered condition of the digestive organs. For the Fever and Ague there is, perhaps, no medicine in the world equal to it, as it enters, purifies and replenishes the blood, which is so important to bring about a healthy action in diseases of this nature. The Bitters are now among the most popular, and at the same time valuable specifics in the medicinal world. In recommending it to the public, we are fully conscious of doing them a great service, knowing as we do, their many excellent qualities, and sure and speedy action in all cases where the disease is caused by irregularity of the digestive organs. A trial will suffice for the most skeptical.

For sale by Druggists and dealers generally, everywhere.

A CARD TO THE LADIES.

Dr. J. Dupouce's Golden Periodical Pills, for Females.

Infallible in correcting irregularities and removing obstructions of the monthly turns, from whatever cause.

These pills are nothing new, but have been used by the Doctor for many years, both in France and America, with unparalleled success in every case, and he is urged by many thousand ladies, who have used them, to make the pills public for the alleviation of those suffering from any irregularity whatever, as well as to prevent pregnancy to those ladies whose health will not permit of an increase of family.—Pregnant females, and those supposing themselves so, are cautioned against using these pills while pregnant, as the proprietor assumes no responsibility after the above admonition, although their mildness will prevent any mischief to health, otherwise than pain. Full and explicit directions accompany each box.

HOUSES ARE CLEARED of VERMIN

And Gardens preserved from the ravages of Insects and Worms, by Lyon's Magnetic Powders and Pills.

Farewell to sleep, when bed-bugs prey,
Or rats and mice (confound them) play.

Professor Lyon found a plant in the interior of Cuba, the powdered leaves of which is certain death to garden insects, ants, roaches, bugs, fleas, ticks, moths, &c. A small amount of this powder will preserve a garden of plants, and rid a house of all these annoying pests. It is free from poison and and harmless to animals, and dose simple. It is more valuable to preserving crops than guano in making them grow. Many worthless imitations are advertised. The only genuine is signed K. Lyon. It can be ordered through any merchant.

Pon sale by all druggists in office.

Dr. G. W. PHILLIPS' Magic Cough Syrup!

IS THE ONLY RELIABLE REMEDY for the rapid and permanent cure of Coughs, Colds, Influenza, Bronchitis, Hooping-cough, Croup, Sore Throat, Bleeding Lungs and all diseases of the Throat, Lungs and Chest. This remedy is safe, reliable, and the only one that has proved itself a universal remedy for all the above diseases. The testimonials published are from our most distinguished citizens here at home, who have been cured by its magic power.

Important Testimony.

From Honorable J. W. Chapman, Judge of the First Judicial District, Indiana.

MADISON, Ind., Nov. 22, 1853.

DR. GEO. W. PHILLIPS, Cincinnati, Ohio—Having used several small bottles of your "Cough Syrup," personally and in my family, and having seen its effects upon others, in numerous instances of severe colds and coughs, I most cheerfully recommend it as an infallible remedy in all such cases. If this syrup were in general use, I confidently believe a large majority of the colds, accompanied by coughs, that now terminate in consumption, would be effectually arrested. In fact I can see no necessity for any, who can obtain this remedy, being thus afflicted.

Respectfully yours, J. W. CHAPMAN.

Laryngitis Cured without Pain.

From Rev. Jas. Brown, Minister of the Reformed Presbyterian Church, Madison.

MADISON, Ind., Oct. 29, 1855.

DR. G. W. PHILLIPS—Dear sir: About a year ago I had an attack of Laryngitis, to which I have been subject for a number of years. Learning that this was the fact, you handed me a bottle of your Cough Medicine. My confidence in your preparation was, I confess, not great. Nevertheless, as it was innocent and could do no harm, I was induced to try it, and am happy to say, with entire success. It relieved me at once, and I have had little or no affection of the kind since. This statement is cheerfully given with the hope that others may be induced to follow my example, and receive the same benefit.

I am yours, &c., JAMES BROWN.

Read this, also.

From Hon. B. Storer, L. L. D., Judge of the Superior Court of Cincinnati.

CINCINNATI, Dec. 5, 1856.

Dr. G. W. Phillips—Dear Sir: Your Cough Mixture has been used with great success in my family. I believe it to be a most safe and efficacious preparation for the cure of ordinary colds, as well as of chronic affections of the throat and lungs. Many of my neighbors, who have felt the good effects of this medicine, assure me that they regard it with great favor. B. STORER.
