WHEAT—Prices keep steady and firm. The demand has been good for several days and quite a brisk business has been doing. Quotable at $1 82½@1 85 ₱ ctl for good to choice shipping grades.

BARLEY—Movement can hardly be termed active. There is the usual legitimate demand for both feed and brewing descriptions, but it is more than promptly met by liberal offerings, so that the market moves along without any disturbing element whatever. Feed, $1 02½@1 07½ for dark coast, and $1 10@1 12½ for better quality; Brewing, $1 17½@1 22½; Chevalier, $1 40@1 45 ₱ ctl for standard; lower grades, $1 17½@1 30 ₱ ctl.

OATS—Concentration of stocks helps to keep prices in position, probably more than any other circumstance. Supplies are ample, while trade is only of ordinary proportions. We quote as follows: Surprise, $1 47½@1 55; milling, $1 40@1 47½; good to choice, $1 35@1 45; off grades, $1 30@1 32½; Gray, $1 35@1 40. FRUIT—Nothing of interest in the market. Offerings as a rule are in excess of the demand and buyers have the situation in their favor. A good proportion of the grapes now arriving are taken for the peddling trade. We quote: Wine Grapes, $10@15 ₱ ton; Quinces, 50@60c ₱ box; Persimmons, $1@1 25 ₱ box; Pomegranates, $1 25@1 50 ₱ box; Grapes, 17½@40c ₱ box for Muscat, 20@50c for Black, 25@60c for Tokay, 20@35c for Verdells; Apples, 35c@$1 25 ₱ box; Raspberries, $13@15 ₱ chest; Pears, 35@75c ₱ box; Strawberries, $11@13 ₱ chest for Sharpless and $12@15 for Longworth; Mexican Limes, $4@4 50 ₱ box; Lemons, Sicily, 8@9c; California Lemons, $2@4 50 for common to choice; Bananas, $1 50@3 50 ₱ bunch; Pineapples, $4@5 ₱ dozen; Cape Cod Cranberries, $8 50@9 50 ₱ bbl; cultivated Pacific, $9@10 ₱ bbl.

RAISINS—Fairly active market reported though at easy rates. Seldom has a season been more favorable for good yield than the present one. Stocks are therefore liberal. We quote: Layers, fancy, $1 40@1 50 ₱ box; good to choice, $1 25@1 37½; fair, $1@1 20, with the usual advance for fractional boxes; Muscatels, 90c@$1 10 ₱ box, and 3@4c ₱ lb for sacks.

BUTTER—Arrivals from the northern sections are falling off, but increased receipts are noted from around the bay, so that stocks of fresh have been equal to all market requirements. Some consignments from the lower coast show good quality for this time of year. Choice grades of fresh are steady and firm, but most dealers are of the belief that no further advance will occur. Stocks of packed Butter are steadily on the decrease, and the market is shaping favorably for the selling interest. Fancy, 35@37½c; choice, 30@34c; fair to good, 25@29c; store lots, 15@20c ₱ lb; pickled roll, 24@26c; firkin, 21@23c; Eastern, 15@20c for ladle packed, and 25@28c ₱ lb for creamery.

CHEESE—Offerings are somewhat limited, but the demand is not so general as a short while ago, so that values are undisturbed. We quote prices as follows: Choice to fancy new 13@15c; fair to good, 9@12c; Eastern, ordinary to fine, 10@13c ₱ lb.

EGGS—Receipts are becoming more free and prices are assuming easier tone, as a consequence. We quote: California ranch, 45@47½c; store lots, 30@42½c; Eastern, 32½@35c for fancy, 25@30c for good to choice, and 20@22½c for common.

WOOL—In the absence of any trade at Eastern centers, the local market continues distressingly dull for all descriptions, if may be excepted a few parcels of Northern Fall which have been placed during the week. A REAL LUXURY!

Looking out over the many homes of this country, we see thousands of women wearing away their lives in household drudgery that might be materially lessened by the use of a few cakes of SAPOLIO. If an hour is saved each time a cake is used, if one less wrinkle gathers upon the face because the toil is lightened, she must be a foolish woman who would hesitate to make the experiment, and he a churlish husband who would grudge the few cents which it costs.

If your grocer sends you anything in place of SAPOLIO, send it back and insist upon having just what you ordered. SAPOLIO always gives satisfaction. On floors, tables, and painted work it acts like a charm. For scouring pots, pans, and metals it has no equal. Everything shines after it, and even the children delight in using it in their attempts to help around the house.

☞ Grocers often substitute cheaper goods for SAPOLIO to make a better profit. Send back such articles and insist on having just what you ordered.

SAN FRANCISCO, August 26, 1889.

THE C. C. LINIMENT CO., S. F.—Gents: The udder of one of my cows became inflamed and badly swollen. I used all ordinary remedies without doing any good. I then applied C. C. Liniment, the inflammation began to subside at once, and in twenty-four hours the cow was entirely well. The C. C. Liniment has my indorsement as a valuable Liniment for dairymen and farmers. Yours truly, CHAS. ELLIS, Highland Park.

SAN FRANCISCO, September 20, 1889.

THE C. C. LINIMENT CO., S. F.—Gents: I cannot sufficiently express my gratitude for the benefits received from the use of your C. C. Liniment. As a Liniment for animals it certainly has no equal on the market. In one instance it saved a very valuable horse for me that picked up a nail. The animal's leg was swollen to twice its natural size, and it suffered such agonizing pain that it seemed almost impossible to save its life, but the C. C. Liniment gave almost instantaneous relief, and in less than a week the horse was able to work as usual. I also used it for inflamed udder, with my cow with the most gratifying success. I heartily recommend it as a valuable remedy for horsemen and dairymen. I would not be without it. W. HENRY.

SAN FRANCISCO, September 19, 1889.

THE C. C. LINIMENT CO., S. F.—Gents: Last week I got my hands severely burned by tearing off some burning drapery. An application of your C. C. Liniment took the fire out at once. I also used it on a crushed foot with the very best results. I cannot recommend it too highly; have never used anything to equal it. J. B. PIERREPONT, 348 Grove street, S. F.

SAN FRANCISCO, September 20, 1889.

THE C. C. LINIMENT CO., S. F.—Gents: I have been troubled with soft corns for a great many years, and could find nothing that would help me. I got a bottle of C. C. Liniment, thinking it would afford me some relief. After using it for two weeks the corns came out, roots and all. I can recommend C. C. Liniment as the finest remedy for the cure of corns that I have used.

SAN FRANCISCO, July 3, 1888.

MR. W. H. BONE, 317 Bartlett street, San Francisco—Dear Sir: I have been troubled with rheumatism off and on for six years. Have never used anything that has done me so much good as your C. C. Liniment. I felt relief at once after the first application. Before using it I could not stand erect, was bent over so badly that I had to use a cane to assist me in walking; but in less than two days after I commenced using your C. C. Liniment I could stand erect without pain, and now after using it a week I get around and do my work without any trouble. I shall recommend it to all as the most valuable remedy I have ever used. I am, very truly yours,
MRS. P. J. LAUGHLIN, 604 Twenty-first street, between Folsom and Harrison.

SAN FRANCISCO, Cal., July 8, 1888.

W. H. BONE, Esq., 317 Bartlett street, San Francisco—My Dear Sir: About two months ago I dislocated my left ankle, at the same time breaking one of the small bones in my leg; I used several things for a month without receiving much benefit. I then commenced using your Camphor Chloral Liniment; applying it the first time in the evening. The relief from the severe pain was almost instantaneous, and the next morning, for the first time, I could put my foot to the ground. I am improving daily by its use, and consider it the best Liniment that I have ever used. I am very truly yours, D. VERVALIN,
Produce and Commission Merchant, 226 Clay street.

SAN FRANCISCO, June 5, 1888.

Mr. W. H. BONE, No. 317 Bartlett street, S. F.—My Dear Sir: On the afternoon of May 19th, while getting on the cars at Reed's Station, Marin County, I fell over an obstruction and suffered a severe dislocation of my left hip. After it was set I suffered severely for two days, not being able to move my limb, or suffer it to be moved by my nurse without great pain. I then commenced using your C. C. Liniment, which gave me immediate relief, and at the expiration of three days I could turn over in bed without assistance and without pain. I can say that it is the best Liniment I have ever used, giving relief sooner than any other, and although I use it constantly and with the greatest benefit, it does not blister a particle, which is something I cannot say of other liniments. I am improving every day, and send you this testimonial, trusting that it may induce others who may be suffering to use the C. C. Liniment, with the wish that it may help them as much as it has me. I am very truly, yours,
MRS. A. S. FALLS, No. 135 Fair Oaks street.

Capay Valley Fruit Lands.

CAPAY VALLEY!

The Earliest Fruit Land in the State.

Equal in All Respects to the Famous Vaca Valley, Which It Adjoins.

UNPRECEDENTED TERMS.

☞ INTEREST ONLY FOR FIVE YEARS AT 7 PER CENT. ☜

Capay Valley is situated in Yolo County, about 90 miles by rail from San Francisco, and is traversed in its entire length by the Woodland, Capay and Clear Lake Railroad, the distance from Esparto to Rumsey being 21 miles.

The Capay Valley Land Company is offering the most fertile lands in this beautiful valley upon terms which enable the purchaser to pay for the land out of its own product, viz: Interest only for five years at 7 per cent. The only condition imposed is, that a reasonable proportion of the land purchased shall be planted to fruit trees or vines. Land may be bought without this condition on payment of 20 per cent. cash and remaining 80 per cent. at the end of five years, with interest annually in advance, at 7 per cent. The various tracts owned by the Capay Valley Land Company have been subdivided into 10 and 20-acre lots, which are for sale at prices varying from $50 to $150 per acre. Similar unimproved land in Vaca Valley has recently been sold at $400 and $500 per acre.

These Capay Valley lands are under the most favorable climatic conditions for the prosecution of profitable fruit growing, and the locality has proved itself to be one of the earliest in the State. The grape crop of 1890 from the company's vineyard at Cashmere was picked, dried and shipped to Chicago and Philadelphia before the Fresno County grapes were ripe.

The railroad passes through all of the tracts owned by the Cap
