Do Not Forget the Primary Election Saturday, May 19

Some of the things accomplished by the Park, Playground and School Committee through the Board of Supervisors:

Playgrounds in all parts of the City.
Zoo at Kapiolani Park.
Gore Park, junction King and Beretania streets, Moiliili.
Kaimuki Park, between Tenth and Eleventh avenues, Waialae Road.
Atkinson Park.
Pauoa Park.
Dredging Beach at Public Baths (soon to commence).
Reclamation, Kapiolani Park (soon to commence).
Central Grammar School, a model; four more to be built on same plan.
Caused improvements to be made in a score of Schools and School Grounds.

When Supervisor Hollinger went into office the schools were crowded and many pupils were excluded for want of room. Since then accommodations have been steadily increased and every child is now amply provided for.

General Legislation Introduced by Supervisor Hollinger:

Carried through the SUNDAY MOVIE ORDINANCE.
Inaugurated the Traffic Officer System.
Regulation of Automobile Numbering.
Raised Workmen's Pay to Living Level.
Inaugurated Comfort Stations.

Has been and is for GOOD, CLEAN GOVERNMENT and has played no favorites.
