DR. WM. HALL'S

BALSAM FOR THE LUNGS.

FOR THE CURE OF

Consumption, Decline, Asthma, Bronchitis, Wasting of Flesh, Night Sweats, Spitting of Blood, Hooping Cough, Difficulty of Breathing, Colds, Cough, Influenza, Phthisic, Pain in the side, and all diseases of the Lungs.

10,000 Dollars Reward.

Is offered for a Better Receipt.

IT CONTAINS

NO OPIUM, CALOMEL, NOR MINERAL POISON.

And is safe for the most delicate Child.

It is estimated that 150,000 persons die in the United States, with consumption, and Professor Bartley says that a great number of these could be saved by the timely use of some proper remedy.

Dr Hall's Balsam strikes at the root of the disease at once, and such is its speedy effect that any one using it freely according to directions for twenty-four or forty-eight hours, and not entirely satisfied with its merits, may return it and receive back their money. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

The public have been imposed upon by remedies recommended by certificates which have always originated from some unknown source.—We believe that a medicine possessing real merits will effect cures wherever it is used at home as well as abroad. This is no purgatory preparation, but one which if used in season will save the lives of thousands; and persons may make this bargain with agents from whom they purchase; that in every case where it is used freely according to directions, and entire satisfaction is not given in twenty-four or forty-eight hours, they can return the medicine and their money will be cheerfully refunded.

It has effected cures in numerous cases where the most skillful physicians in this country and in Europe have been employed, and have exercised their skill in vain. Cases which they pronounced incurable, and surrendered as hopeless beyond doubt leaving the patients without a single ray to enliven them in their gloom, have been cured by Dr. Hall's Balsam, and the "victims of consumption" are now vigorous and strong as the most robust among us. And these cases are not isolated ones; they are numerous, and can be pointed out to every community where this most unrivaled remedy has been tested.

Be slow, then to believe the oft repeated story about the things being gone; or rather let no such apprehension induce you to give up Act upon the principle that while there is life there is hope. You can never be so low but you may not trust, humanly speaking, in Hall's Balsam. More than one, day sundreds has it brought almost from death to life, when all else had failed. Give them, this powerful but harmless remedy a trial.

Call on the agent and get a pamphlet gratis.—The treatise on consumption alone is worth the price for the medicine. You will find certificates of physicians in Cincinnati, and of others whose cures have been effected here at home, where they can be found.

We have certificates of it cures from many of our most respectable citizens—men and women who live and have been cured among us. For particulars, we refer those living out of the city to our agents. Again such preparations as never effect cures where it has its origin, we would caution you. Unknown persons and places, and fictious cases, are made subservient to the spread and use of remedies of this doubtful character.

☞ Be sure and ask for Dr. Wm. Hall's Balsam for the Lungs.

Teal's Improved Device for Drawing Water.

"The old oaken bucket—the iron bound bucket, The moss-covered bucket, that hangs in the well

THE subscriber have purchased the patent right of Vigo county, for the purpose of manufacturing Teal's Improved device for drawing water.

This Machine for Simplicity, Durability and Ease of Operation, is far superior to any other apparatus, for raising water, now in use, combining as it does the following advantages. It can easily be adjusted to wells of any depth, and is warranted to raise and empty, with ordinary turning.

Four Buckets of Water per Minute!

From wells twenty feet deep, and will work in that proportion to the depth of ONE HUNDRED AND FIFTY FEET. It never freezes, and entirely avoids the poisonous effects and bad taste and smell, given to water by pumps and other turbines. It is simple in construction, and not liable to get out of repair. It is easily worked, so that a child of ten years can operate it with perfect ease. *The Bucket empties itself without the aid of the Hand*, thus avoiding the danger and inconvenience of many machines.

It is the Cheapest Machine now in use!

Manufactured and sold by the subscribers at Shaffer's Shop on Main street.

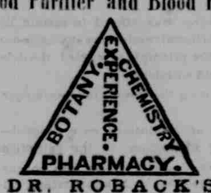
Blood Purifier and Blood Pills.



DR. ROBACK'S

SCANDINAVIAN REMEDIES.

WHEN DR. ROBACK, THE CELEBRATed Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men whose character for sound judgment and fallosophy, gives their opinions weight in the community, men who observe, reflect, and make 'assurance doubly sure' before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who chose to investigate for themselves are now of one mind on this important subject.

Dr. Roback invites the attention of the sick to the

ORIGINAL LETTERS,

From members of the Medical Profession, Editors of public journals, well known Merchants and Farmers, and ladies of the highest respectability, giving accounts of extraordinary cures wrought by the remedies, of which cures they themselves were

EYE WITNESSES.

These parties may be consulted personally or by letter, by those who have any doubt upon the subject. The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establishes the following

FACTS:

That the Blood Purifier and Blood Pills have been proved by analysis to

CONTAIN NO MINERAL;

That they cure the almost universal complaint

DYSPEPSIA

with unerring certainty, and in a very short time. That after all other medicines have proved useless, they relieve

LIVER COMPLAINT,

and restore the health and strength of the sufferer. That

SICK FEMALES,

who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gently stimulating properties. That they recruit

SHATTERED CONSTITUTIONS,

however they may have been trifled with and abused; that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the poison of disease in the blood, they

CAUSE SOON TO HEAL,

and discharge from the system, every taint of Scrofula, whether hereditary or otherwise. That they

RECRUIT THE DEBILITATED,

and that there is no disease of the Stomach and Bowels, the liver, the nervous system, the skin, glands or muscles, in which they do not give prompt relief, and, (if administered before the very critical of life has been invaded,) effect a painless and perfect cure.

Price of the Scandinavian Vegetable Blood Purifier, $1 per bottle, $5 per half dozen. Of the Scandinavian Vegetable Blood Pills, 25 cents per box, or 5 boxes for $1.

Read Dr. Roback's Special Notices and certificates, published in a conspicuous part of this paper from time to time.

Dr. Roback's Medical Almanac and Family Adviser, containing a great variety of interesting and valuable Medical information, can be had gratis of any of his Agents throughout the country.

In difficult or complicated Cases, Dr. Roback may be consulted personally or by letter enclosing one stamp for the reply.

From Rev. Mr. McMILLIN, Pastor of Roberts Chapel.

INDIANAPOLIS, Oct. 6, 1857.

Dr. C. W. ROBACK—DEAR SIR: I have used your Blood Purifier for a nervous affection, from which I have suffered much at times. While it is pleasant to taste, it certainly has a happy effect upon the nerves. Please accept my thanks for your kind regards, and believe me Yours,

J. W. T. McMULLEN.
