OVERLAND MAIL.

MALLOY'S STATION, March 19.

The Overland Mail coach with San Francisco dates of Feb. 27th and Telegraph advices of 28th, passed here last night.

The Republicans had fired salutes in the principal towns of California, over the election of a Speaker of the House at Washington.

Rich Quartz discoveries had been made in southern Oregon, causing intense excitement.

Reports from southern Oregon state that there had been a massacre of 200 Indians, men, women and children, around Humboldt Bay, by the farmers of River county, who have suffered from Indian depredations during the past year.

THE FRANKING PRIVILEGE.—The amount of free mail matter sent from the Washington City Post Office was, for the month of January, 1860: Letter postage, $4,366:27; newspapers and pamphlets, $89.96; books, $50,122:82. Total for January, $54,579:04. For February: Letter postage, $4,625:68; newspapers and pamphlets, $69:10; books, $58,504:50. Total sent in January and February, $117,778:32. The amount of free mail matter received, amounted, for the same period, in letters, to $8,218:47; newspapers and pamphlets, $266:72; and on books to $13:16. Total for January and February, $8,497:37. Total amount sent and received in January and February, $126,275:67.

BIG SLANDER SUIT.—The Greencastle Press says: "An important slander suit is on the tapis, which having been submitted to a court of conciliation without effecting a settlement, is about to be instituted in the Circuit Court. The parties to the suit are Capt. Wm. H. Thornburgh, plaintiff, and David L. Southard, defendant. Damages claimed, $25,000. We learn that J. P. Usher and R. W. Thompson, of Terre Haute, and Matson & Scott, of this city, have been retained as counsel for Captain Thornburgh. We are not advised as to whom Mr Southard has retained in his behalf. The great wealth and high social position of the parties, and the large amount of damages claimed, make this altogether the most important suit ever brought in our county.

☞ Piccolomini is married. She sang on Saturday week at the Crystal Palace, and then left for Dublin, where the knot was tied. The happy possessor of the fascinating singing bird is an Italian Prince, a Roman by birth, and a relative of one of the Cardinals. He does not, as in many instances, marry for the round sum realized by the vocalist, but is a man of some fortune—for Italy.

PATENTS GRANTED.—The following patents were granted to Indianians for the week ending the 13.h:

Abram Gaar, of Richmond, assignor to himself, John M. Gaar and Wm. G. Scott, of same place; for improvement in grain cleaners.

J. W. Conway, of Franklin, for improvement in cotton and hay presses.

☞ Col. W. R. M. Bryant, of Williamsport was married at Indianapolis on Wednesday, to Miss Louisa Kinder, of that city. The many friends of both parties to this little arrangement, will be rejoiced at the consummation of a union, so fit to be made.

☞ It is stated that a suite of twenty noblemen and distinguished gentlemen will accompany the Prince of Wales on his visit to Canada this spring. It is said further, that his Royal Highness the Duke of Cambridge, the Duke of Newcastle, and Major-General Bruce, will be among the notabilities on that occasion.

A negro preacher, holding forth to his congregation upon the subject of obeying the commands of God, said:

"Bredern, whateber God tells me to do in dix ya book (holding up the Bible,) dat I's gwine to do. Ef I see in dat I must jump troo a stone wall, I's gwine to jump at it. Goin' *troo* it 'longs to God, jumpin' at it 'longs to me"

FUNNY DEFINITIONS.—(Mind your stops.) *Parasol*—A protection against the sun, used by ladies made of cotton and whalebone. *Straps*—An article worn under the boots of gentlemen made of calf skin.—*Kites*—Light frames, covered with paper, sent into the air by boys with tails on them.

VIGO GUARD, ATTENTION!—The members of the Vigo Guard are hereby commanded to meet at their Armory, this (Wednesday) evening, at 7½ o'clock, to make arrangements to receive the Cadets of the Farmers' Home Institute, who will visit this city to-morrow. By order

L. WEST, Capt.

LOST.—Somewhere between Terre Haute and Paris, on the Elbridge road, a common Portemonnaie containing from $43 to $48, and a few papers on which is my name.—A reasonable reward will be given if the same is left at this office.

The Scandinavian Pills and Purifier

CINCINNATI, July 1, 1858

DR. W. ROBACK.—*Dear Sir*:—In reply to inquiries made of me, it gives me pleasure to say, that Mrs N. Atlee, of the Society of Friends, and widow of the late Dr. Atlee of Cincinnati, previous to her going East, expressed her confidence in the efficacy of your Scandinavian Remedies, and the benefit she derived from using them. She had been suffering from general prostration at times, being over seventy six years of age, and ophthalmia and inflammation of the face. Various remedies were resorted to without relief, when some friends recomended a course of your Scandinavian Blood Purifier and Blood Pills. They had the desired effect, and she was considered as restored to health

I know many who have used your medicines, and speak decidedly of the benefits derived, thus testifying of their renovating influence in purifying the blood and giving vigor and energy to the system. They have my cordial approbation

Very respectfully,
Your obedient servant,
S J. BROWN.

Rev. Samuel J. Brown has been a devoted laborer in the cause of Christianity, in Cincinnati, for more than thirty years, as almost every old Cincinnatian knows. Such testimony, from such a source, is not to be passed over lightly. No other Proprietary Remedies ever presented to the public, ever received a tithe of the commendatioe from MEN OF STANDING, in every walk of life, that mine have done. See advertisement.

☞ "Ion," of the Baltimore Sun, says that the National Whig and American Executive Committee, in reply to suggestions in favor of deferring their convention, declared that the Union party would not touch any candidate who might be the nominee of the Republicans. It is well to have this understood.

A GOOD MEDICINE.—McLean's Strengthening Cordial and Blood Purifier is one of the most useful and pleasant beverages of the day.—It is mild and agreeable to the taste, bracing the nerves, giving a healthy tone to the stomach, and imparting a glorious appetite. A wine glass full of this Cordial taken three times a day, will be better than a family physician, as no other medicine will be required. For ladies it is particularly recommended, as it strengthens the ribs of the "weaker vessels" in an astonishing degree. See the advertisement in another column.

THE GREAT DISCOVERY OF THE AGE.—Prof. O. J. Wood, in the discovery of his unrivalled Hair Restorative, has conferred upon mankind a lasting benefit. No such sovereign remedy for all diseases of the hair has ever been discovered.—Never known to fail of accomplishing all that is claimed for it, thousands now daily use it with infinite advantage to themselves. Every day the proprietors receive letters testifying to its merits, and enumerating the benefits resulting from its use.

To those who are in this way afflicted, we can commend the Hair Restorative as a safe and reliable remedy. See the advertisement in another columns, wherein will be found testimonials from numerous well known firms and individuals. [sep13]

A FAMILY NECESSITY.

The following statement speaks for itself:—"In lifting the kettle from the fire it caught and scalded my hands and person very severely—one hand almost to a crisp. The torture was almost unbearable. It was an awful sight. * * * The Mustang Liniment appeared to extract the pain almost immediately. It healed rapidly and left no scar of account.—Charles Foster, 420, Broad street, Philadelphia." It is truly a wonderful article. It will cure any case of swelling, Burns, Stiff Joints, Eruptions or Rheumatism. For Horses, it should never be dispensed with. One Dollar's worth of Mustang has frequently saved a valuable horse. It cures Galds, Sprains, Ringbone, Spavin and Founders. Beware of imitations.

The genuine is sold by respectable dealers in all parts of the world. BARNES & PARK,

FOR CHILDREN.

We say to parents, if your children are sickly puny, or afflicted with complaints prevalent to children, give them a small quantity of McLean's Cordial, and it will make them healthy, fat and robust. Delay not a moment, try it, and you will be convinced.

IT IS DELICIOUS TO TAKE.

CAUTION.—Beware of Druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash which they can buy cheap, by saying it is just as good. Avoid such men. One table spoonful taken every morning fasting, is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease. It is put up in large bottles.
