Coal.

NEW COAL ARRANGEMENT.
THE BALTIMORE COAL COMPANY being solicited by consumers of COAL in this city to establish an Agency for the exclusive sale of their superior Coal, and being advised that thousands of tons are annually sold in the city as
BALTIMORE COMPANY'S COAL,
that never came from their mines, to the manifest injury of the well merited reputation of their Coal, and being desirous of securing to all consumers the pure article, unmixed with any other Coal, have appointed
Messrs. DOBBIN & WARFIELD,
No. 36 SECOND STREET,
SOLE AGENTS for the receipt and sale of all Coal shipped to Baltimore from this date.
Messrs. DOBBIN & WARFIELD have entered into bond and security not to deal in, receive or sell, directly or indirectly, any other Anthracite Coal than the Baltimore Company's; hence the public may rely with entire certainty on receiving the pure article and the full ton of 2,240 lbs.
They will ESTABLISH YARDS for supplying families, and make special contracts with all public institutions, manufactories, iron workers, &c., by the boat load, or in larger quantity, on favorable terms.
By order of the Board.
THOMAS WILSON, President.
April 24, 1858. my8 tf

BALTIMORE COAL COMPANY'S COAL.—The public are hereby notified that as SOLE AGENTS for the BALTIMORE COAL COMPANY, we are now prepared to sell and deliver their very superior Coal. As we are agents for no other Anthracite Coal, consumers can rely upon getting *the genuine article and full weight.* Our arrangements are of the very best character, guaranteeing promptness and dispatch in the delivery of coal at any point within the city limits.
The freights from the mines being now very low, we can sell *for immediate delivery* at a much lower rate than later in the season; hence, consumers will find it a great saving of money to purchase their supplies at once.
To enable us at all times to sell at the very lowest prices, we propose to sell for Cash, exclusively, thereby saving to the consumer the cost of collecting and the per centage of loss on bad debts.
SPECIAL ARRANGEMENTS will be made with *Manufactories, Public Institutions and other large Consumers.*
DOBBIN & WARFIELD, Agents,
Baltimore, May 8, 1858-tf. 36 SECOND STREET.

Office and yard, CORNER CATHEDRAL and PRESTON streets, and 31½ SOUTH street, where orders are respectfully solicited.
mr11-1y S. M. KRAUSER.

NEWELL'S PATENT SAFETY LAMP AND LAMP FEEDER.
Warranted to prevent all accidents from the use of Etherial Oil or Burning Fluid, or any other explosive compounds used for the production of light. This invention is applied to all common Lamps and Lamp Feeders, and also to the Solar Lamps, Lanterns, Binnacle Lamps, &c.—I invite the attention of the public to NEWELL'S IMPROVED SOLAR FLUID LAMP, for families, in the Argand form, which burns with a clear, steady light, and consuming less fluid than any other Lamp, as it consumes not only the fluid, but all the vapor arising from it while burning. These lamps are applied to Chandeliers for parlors, and are particularly adapted to Churches, Factories, Hotels, Saloons, Ships, &c. Oil Lamps can be altered to safety; using the same shade and chimney. Over 1,000,000 of these Lamps and Cans have been sold since 1852, and no accident has occurred from their use. For sale wholesale and retail only by ALFRED H. REIP,
337 Baltimore street.
Also, BURNING FLUID at the market price, LAMP SHADES and CHIMNEYS.
Please read the following certificate of the entire safety and efficiency of these devices:—
MR. A. H. REIP, *Dear Sir:*—I have carefully examined nd tested the Patent Safety Lamp and Feeder, invented by Mr. John Newell, of Boston, and am satisfied that in this application of the principle of the "Davy," Mr. Newell has rnished the public with a perfect safeguard against all langer from explosion in the use of the ordinary burning fluids. With this Lamp an explosion is impossible, even with the most careless treatment.
Respectfully, yours,
WILLIAM E. A. AIKEN, M. D.,
Professor of Chemistry, University of Md.
Baltimore Feb. 26, 1858.
I have similar recommendations from Dr. Lewis H. Steiner, Prof. of Chemistry, Maryland College of Pharmacy; Dr. A. Snowden Piggott, Analytical and Consulting Chemist; Professors B. Silliman, Sr., Charles T. Jackson, Aug. A. Hayes, John Torrey, and many others of equal merit ap20-tf.
